## Home Talent Show To Be Presented Fair Nights, September 18th-19th

**"Queen of the Fair" Chosen By Ballot — Juanita Kaiser To Be The Director**

Run in conjunction with the annual Fall Fair is a Musical Talent Production "Krossroads Kapers." Members of the cast will impersonate your favourite radio and screen personalities such as Bob Hope, Al Jolson, Roy Rogers, Dale Evans, Minnie Pearl, Gabby Hayes, Cuzzin' Clem and a host of specialty acts and talent contestants, where once again the talent of Stirling and surrounding communities will have a chance to compete for the cash prizes of $10.00 first prize, $7.50 second prize, and $5.00 for third prize.

The "Queen of the Fair," and her attendants will be presented both nights along with the beauty contest winner. The coronation of the Queen will take place September 19th at the show. Any girl, High School age, and not more than 20 years of age is eligible to enter the contest for "Queen of the Fair." The Queen and her attendants are to receive beautiful prizes.

Any eligible contestant is to decorate a quart jar complete with picture, slit in top for cash votes and name and bring to Hermiston's Drug Store. The votes will be one penny per vote, or folding money cheerfully accepted. Proceeds go to the Stirling Fall Fair Benefit.

Returning to Stirling for a return engagement is the Professional Entertainer and Director, Juanita Kaiser, of Los Angeles, and says Miss Kaiser, concerning the show, "Our last show was tremendous, and we will attempt to make this show even more so, and we are in hopes of working with many of the former cast and using many new faces in the new show — aside from that, show or no show, occasionally I hope to return to Stirling, I love it!"

For information concerning the show and contest please call Mrs. C. B. Rollins at 946.

That's it folks, don't forget the dates are Fair Nights, Tuesday and Wednesday, September 18th and 19th at the prompt time 8.13 p.m. at Stirling Theatre.

## Enrolment At Local Schools

Stirling schools opened on Tuesday morning and from primary room to upper grades students trooped to class after their long holiday. Registration and information as to books needed were the main activities on the opening day and Wednesday the year's work began in earnest.

According to figures released by Principal W. D. C. Hall the total enrolment at the Public School is 205, an increase of 13 over last year. There are no staff changes.

At the High School registration showed 126 pupils in attendance, the same as last year. Grade IX has an enrolment of 56, necessitating the engagement of an additional teacher, Mr. H. I. Smith.

## 45th Anniversary

Mr. and Mrs. Arthur Vandervoort celebrated their 45th wedding anniversary on Sunday evening with a turkey dinner. Their guests included members of their family and other relatives.

## Shower Held For Bride-To-Be

Monday evening, August 27th, Mrs. Ralph Utman was hostess at a cup and saucer shower in honour of Miss Mary McDonnell, bride-to-be.

The rooms were very tastefully decorated with pink and white streamers, balloons and baskets of flowers.

During the evening all enjoyed playing cards. Later an address was read by Alta Carr, after which Mary was invited to the dining room where she unwrapped a number of beautiful cups and saucers.

Mary in a few well chosen words thanked all for their gifts and gave everyone an invitation to visit her at her new home in Rawdon. The hostess served a lovely lunch assisted by Alta Carr, Joan Bush and Marie Donohoe.

## BURSARIES WON BY STIRLING STUDENTS AT JUNE EXAMS

Four Dominion-Provincial Student Aid Type "A" Bursaries were won by students of Stirling High School in the June examinations, according to an announcement by Principal J. L. Good yesterday.

William Zufelt and James Faulkner were awarded type "A" Bursaries, value $400, for University, while Misses Helen M. Stapley and Ruth G. Welbourn were awarded type "A" Bursaries, value $250 for Normal School.

To win the award for University a student must have an average of at least 66% on eight papers in Grade XIII, while for the Normal School award, a pupil must have at least 66% on five papers in Grade XIII.

**Won Cooke and Lawlor Scholarships**

Wm. Zufelt also won the Hon. J. R. Cooke Scholarship, value $50.00, and the Mr. and Mrs. H. G. Lawlor Memorial Scholarship, value $60.00, for the local school. The former goes to the pupil with the highest standing in eight Upper School papers, and the latter to the pupil who has the highest standing in eight Upper School exams and attends Queen's University. Zufelt has been acceped as a medical student in the latter institution.

## TAG DAY FOR BLIND TO BE HELD SAT., SEPT 8TH

The annual appeal for funds to assist the Canadian National Institute for the Blind is now being made in Stirling and will close with a tag day on Saturday next, September 8th.

The Hastings County Advisory Board of the C.N.I.B., of which Mrs. F. Houchin of this village is a member, reports a registration of 111 blind persons in the County. All are eligible for the many services provided by the Institute to assist them in every possible way. Seven are employed at work found by or provided by the Institute, while there are nine radio sets and 8 talking-book machines out on loan. In addition the Institute provides radio batteries for many pensioners and emergency and supplementary aid in needy cases, as well as arranging for eye examinations and providing corrective and protective glasses if recommended.

More than 18,000 blind Canadians are served by the Canadian Institute for the Blind and the number is increasing each year. The dollars their sighted friends contribute this year to help the blind to help themselves in their valiant battle for self-sufficiency are more urgently needed than ever before. So be as generous as you can when you are canvassed.

## Achievement Day For Hastings Co. Girls' Clubs Very Successful

**Sixty-Six Girls Representing Thirteen Junior Clubs Display Work In Projects**

The annual Achievement Day for Hastings County Girls' "Home Garden" and "Meat In The Menu" Clubs was held in the Stirling Community Hall on Wednesday of last week, with sixty-six girls representing thirteen Clubs.

Each of the members of the "Home Garden" Clubs exhibited four each of carrots, beets, onions asd a sample of five other varieties of vegetables from her garden; also a dining table bouquet of flowers from her garden and her record book.

Second year members were required to exhibit two jars of canned tomatoes, in addition to the above.

Third year garden members exhibited their Garden Record Books and Reference Files, and presented the following exhibits:

Fresh vegetables, not less than seven varieties, by Shirley Elliott and Lois Cooke, of West Huntingdon, and Eileen Ray, of Phillipston-Zion; "My Best Achievement," by Dorothy Sills, Phillipston-Zion; Canning Exhibit, at least 6 jars, each of different variety, Eleanor Wright, of West Huntingdon, and Irene Sine, of Phillipston-Zion; Our well-stocked cellar conforms to Canada's Food Rules, Jean Moore, of Queensboro, and Doris Sills, Phillipston-Zion; Poster showing how special project was conducted, and results, if any, to date, Lois Sills, Phillipston-Zion; "Vegetables To Keep Us Fit," by Plainfield Club with Marilyn Meeks giving the commentary.

In the "Meat In the Menu," project each club member exhibited her record book; identified beef cuts with suitable method of cooking each and located beef and pork cuts on chart provided. Each member was also given four breakfast and supper menus and required to complete the menu for four consecutive days by filling in the dinner.

Plainfield Club had an exhibit, "How To Choose Meat Wisely," with Miss Marie Reid giving the commentary, while Chatterton, Plainfield and Cooper Remington Clubs demonstrated "Let's Cook It Right." Rylstone Club demonstrated "Making The Most of Your Meat Money."

County Honour Certificates were presented to twelve girls having completed six projects, Shirley Elliott, Patricia Moore, Betty Alexander, Margaret Borden, Shirley Kerr, Joan Kerr, Marie Reid, Marilyn Meeks, Ileen Sills, Doris Sills and Lois Sills.

Provincial Honour Certificates for twelve projects completed were also presented to Donna Rollins, of Cooper-Remington, and Winnifred Parks, of the Chatterton Club.

The day's programme was in charge of Miss Elsie Irvine, Home Economist for the County.

The Clubs and their leaders are:

## Hoard — McDonnell Nuptials At St. John's

St. John's Anglican Church was the scene of a pretty wedding on Saturday at 2 p.m., when Mary Agnes, daughter of Mr. James McDonnell and the late Mrs. McDonnell, became the bride of Mr. James R. V. Hoard, son of Mr. and Mrs. Ross Hoard, of Stirling. Rev. H. C. Secker officiated and the wedding music was played by Mrs. Harry Morrow.

Given in marriage by her father, the bride looked charming in a gown of pink crepe, with navy accessories, and carried a nosegay of roses and gardenias.

Miss Betty McDonnell was her sister's bridesmaid and wore navy crepe, with white accessories.

The groomsman was Mr. Robert Hoard, a brother of the groom. Mr. Ernest Carr was the usher.

Following the ceremony a reception was held at the home of the bride. Mrs. Frances Hoard, aunt of the bride, received in a gown of black and white Jersey, with a corsage of pink carnations, while Mrs. Ross Hoard, the groom's mother, wore mauve crepe and a corsage of pink carnations. Mrs. Mary Vandervoort poured tea and Mrs. Ernest Carr was serviteur.

The young couple left on a motor trip to Western points.

## Bowling Notes

Stirling Bowling Club was well represented at the mixed doubles tournament in Belleville on Labour Day. Those in attendance were Mr. and Mrs. Walter Elliott, who won three games to enter the prize circle; Mr. and Mrs. R. E. Fox, Dr. and Miss Grace Carleton, Miss Rosa Spry and F. R. Mallory and Mrs. J. Johnston and A. Livingstone.

• • •

Mr. and Mrs. W. T. Elliott and Mrs. R. Burgess and F. R. Mallory represented the Stirling Club at the mixed doubles tournament in Trenton yesterday. The trophy was won by Fred Thorne and his partner, of Brighton.

## Judged At The C.N.E.

Several Hastings County Junior Farmers took part in the inter-county Judging Competitions at the Canadian National Exhibition yesterday.

In the grain judging Hastings County was represented by John McComb, R.R. 5, Belleville; Merle Moore, Springbrook; Frank Harry, Trenton, R.R. 5; Robert Burkitt, Frankford, R. R. 2; and Bob Watson, Bancroft.

The dairy cattle judging team included Phyllis Kleinsteuber and Vera Martin, of Tweed; Gerald Harry, of Trenton, R.R. 5, and Robert Mallory, Trenton, R.R. 7.

## Boys' Choir Enjoyed

The YMCA Boys' Choir, of Belleville, under the direction of Walter Bent, presented a concert in Stirling Theatre last night, under the auspices of the Stirling Agricultural Society. Mrs. Clinto McBride acted as accompanist. Solo numbers were given by Larry Tucker and Larry Regensburg.

Following the programme the choir was entertained in the Community Hall.

## Joan Munro Weds Roy M. Renwick

Rings and marriage vows were exchanged in St. James United Church on Saturday, September 1st, by Ethel Joan Munro and Roy Maxwell Renwick, both of Peterborough, as the Rev. Hueston D. McCormick solemnized their marriage. The bride is the daughter of Mr. and Mrs. J. E. Mrnro, of Stirling, and the groom is the son of Mr. and Mrs. William J. Renwick, of Westwood.

Baskets of pink and white and bronze gladioli at the chancel formed a beautiful background for the ceremony. Wedding music was played by Mr. Wm. R. Potter and Mr. Bruce Warr, of Westwood, was soloist. Before the marriage he sang, "Because" and during the signing of the register, "I'll Walk Beside You."

An original gown of white French lace over pink taffeta was worn by the bride. It was styled with off the shoulder neckline trimmed with small scalloped collar and had a small train on the full skirt, gathered to the fitted bodice which had long pointed sleeves, fastened with tiny covered buttons. Her fingertip veil was enhanced with a border of Chantilly lace and was caught to a headdress of lace in helmet style. She carried a bouquet of white gladioli and pink Bettertime roses.

Given in marriage by her father she was attended by her sisters, Mrs. Geo. Duffin, of Madoc, matron of honor, Miss Erna Munro, of Peterborough, bridesmaid, and her nieces, Miss Gail Munro, of Smiths Falls, and Miss Barbara Duffin, of Madoc, flower girls.

The matron of honor was frocked in cinnamon brown lace over pink taffeta, the bridesmaid in light green lace over pink taffeta, the dresses styled alike with pointed collars and cap sleeves on the fitted bodices and full, gathered skirts. They wore lace mittens to match their overskirts and braided halos of matching color adorned with an ostrich plume at the side. The flower girls' dresses were of yellow taffeta, the neckline and sleeves trimmed with lace. The skirts were made in tiers with plain panels at front and back. They wore braided bandeaux of yellow taffeta and carried baskets of yellow and bronze 'mums. The attendants carried bouquets of green and bronze carnations with pink gladioli.

Mr. Max Harrison attended the groom and ushers were brothers of the bride and groom, Allan Munro and James Renwick.

The reception was held in the YW CA, the bride's mother receiving in a gown of royal blue velvet and wearing a white feather hat and corsage of white roses. The groom's mother, assisting in the receiving line, wore a gown of teal blue tissue faille and black velour hat and her corsage was of pink roses.

Mr. and Mrs. Renwick left afterwards on a wedding trip to Ottawa and the eastern States. The bride travelled in a plaid suit of "dress Stewart" and wore navy and white accessories and a corsage of gardenias.

## Couple Observe 35th Anniversary

**Mr. and Mrs. Percy MacMullen To Be Honoured At Family Gathering Tonight**

Congratulations are extended to Mr. and Mrs. Percy MacMullen, of Mount Pleasant, who are observing their thirty-fifth wedding anniversary today (Thursday) September 6th.

Mrs. MacMullen, the former Florence Montomery, was born in Rawdon Township, a daughter of Mr. Edward Montgomery and the late Mrs. Montgomery, while Mr. MacMullen is a son of the late Mr. and Mrs. Elijah MacMullen, also of Rawdon Township. They were married on the lawn at the home of the bride's parents, thirty-five years ago, with Rev. B. F. Byers, of St. John's Anglican Church, Stirling, officiating, assisted by Rev. John Knox, of the Methodist Church, Frankford. Miss Myrtle MacMullen, (now deceased) sister of the groom, was bridesmaid, and Mr. J. A. Montgomery, of Colborne, brother of the bride, acted as groomsman. The wedding music was played by Miss Edith Pitcher, now Mrs. Percy Charlesworth, of Smithfield.

Mr. and Mrs. MacMullen are members of Mount Pleasant United Church where the latter takes an active part in all activities of the ladies' organizations. She is also rural correspondent for daily and weekly newspapers and an active member of River Valley Women's Institute. They have two children, Mrs. S. Demorest, of Stirling, and Ormel MacMullen, of Belleville.

This evening Mr. and Mrs. Sid Demorest, Edward Street, are entertaining several relatives and friends in honour of the latter's parents.

## St. John's News

One of Archbishop John Lyon's first ecclesiastical acts since his recover from illness, will be his visit to the Parish of Stirling to administer the Rite of Confirmation on Thursday, November 15th. Classes for juniors will be held every Friday afternoon at 4.30 p.m. in the Parish Hall. Adults wishing to be confirmed will please see the Rector at church.

We are very pleased to welcome to the community Mrs. Veall and Miss Geraldine Veall; also Mr. and Mrs. Stuart McArton, Marjorie, Joan and Robert.

Choir practice will be resumed on Thursday, September 6th, at 7.30 p.m.

The modern kitchen being constructed under the capable direction of Mr. J. B. Belshaw, in the Parish Hall, is progressing rapidly. The spacious cupboards, warming closets and dumb waiter, with new sinks, will make the work of catering much easier than formerly.

## Cup and Saucer Shower

Mrs. Gerald Richardson was hostess at a cup and saucer shower in honour of Betty Richardson prior to her marriage. About twenty close friends of the bride-to-be were in attendance.

The evening was spent playing cards and the prize for the most lone hands was won by the bride. Mrs. Ernest Carr read an address, wishing Betty every happiness in her married life and asking her to accept the gifts of beautiful cups and saucers. The bride responded to the address and opened her dainty wrapped gifts.

The hostess served a very delicious lunch.

## Former Stirling Teacher Principal of Red Lake School

L. Hamel Cooke, BSc, B Paed, of Havelock, and a former teacher at the Stirling High School, went to Red Lake in 1949 to open a High School in that community where there was at that time a grade 8 continuation school of 39 students. Mr. Cooke organized a High School which now has 84 students and the following results show that he has established a record to be proud of.

With only two assistants, Mr. Cooke has done the full work of five grades. This year he has taught six upper school subjects and there have been no failures in any of them or in the other two subjects taken by another teacher. One student is going to the Royal Military College in September and another to Manitoba University.

A new school with accommodation for 150 students is about to be built. In these two years enough money was made by a commencement exercises to buy the school a $300 piano. Mr. Cooke has also obtained a gift from the local MP of a $250 Encyclopaedia Britannica and from other sources a gold plated challenge shield, two curling trophies of the largest size and about 60 for field day and curling bonspiels. He was notified in June that the Red Lake Branch of the Canadian Legion will give scholarships every year of $60 and $40 to the two best Upper School students. Red Lake High School is the farthest north of any school in Ontario, being just as far north as the southern tip of James Bay.

## Hec Boudreau Found Dead Sitting In Chair

Calling for gas at Sunset Cabins on No. 7 Highway, close to the Deloro turn about 10 p.m. on Friday, a passing tourist found the proprietor, Hec Boudreau, dead in his chair in the refreshment booth adjoining his home. Mrs. Boudreau was away in Marmora at the time and the tourist seeing no one else there, went to John Clemens, a neighbour, to summon aid. Mr. Clemens, having no telephone, hastened to Marmora to advise Dr. H. G. Parkin, who on arrival pronounced life extinct. Mr. Boudreau has been for some time suffering a heart ailment.

The son of the late Mr. and Mrs. Edward Boudreau, Hec as he was known to many because of his former baseball associations, was born at Farnham, Que., on June 29th, 1894. He entered the employ of the Deloro Smelting and Refining Company Ltd. in 1921, working in the engineering department until ill health early in 1950. In 1924, he was married to Nellie Brown, daughter of the late Mr. and Mrs. Charles Phillips, of Marmora Township. He was the catcher on the Deloro baseball team for several seasons and was proficient at batting. He was with the team when it won the intermediate championship in 1926.

## New Rector Named For Deseronto

The post of rector of St. Mark's Church, Deseronto, opened by the retirement of Rev. Canon W. E. Kidd, in June, will be filled by Rev. K. G. Blanchford, BA, L. Th., present incumbent of Pittsburg Mission, and a former curate of St. George's Cathedral, Kingston.

The announcement was made this week by Most Rev. John Lyons, archbishop of the diocese of Ontario. Rev. Blanchford's duties commence on Oct. 1st.

A further announcement affecting charges in this area was made by Archbishop Lyons. Rev. Henry G. Hill, BA, L. Th., present assistant at St. Thomas Church, Belleville ,will become rector in the Adolphustown charge. Rev. Hill wil fill the post vacated by Rev. H. C. Secker, who is at present in Stirling.

## Margaret Gray Married At Kingston

The mariage of Margaret Elizabeth, youngest daughter of Rev. and Mrs. D. Gray, North Lunenburg, to Douglas David Brouse, eldest son of Mr. and Mrs. S. W. Brouse, North Bay, took place recently in Morgan Memorial Chapel, Queen's University, Kingston, Rev. D. Gray, father of the bride, officiated at the ceremony.

The wedding music was played by Mrs. Lenore Black and during the signing of the register Dr. Harold Angrove rendered, "I'll Walk Beside You."

The bride, who was given in marriage by her brother Douglas, chose for the occasion a floor length gown of white organza over taffeta featuring an eyelet bodice and peplum, with an organza bolero. Her finger-tip veil of French illusion was held in place by a taffeta bonnet trimmed with seed pearls, and she carried a bouquet of summer flowers.

Mrs. Roy Hannam, sister of the bride, attended her as matron of honor. She wore a ballerina length frock of pink crepe with matching headpiece and slippers, and carried an old fashioned nosegay.

Alvin Brouse acted as best man for his brother, and Bruce Matheson and Roy Hannam were ushers.

Following the ceremony a reception was held at the home of Professor and Mrs. Edwin Robertson, 315 King Street West, Kingston. Receiving were Mrs. Robertson, wearing a dress of navy sheer with matching accessories and a corsage of pink carnations; Mrs. Gray, mother of the bride, in a grey sheer dress with black accessories and a corsage of red carnations; and Mrs. Brouse, chose a printed sheer dress with black accessories and a corsage of pink carnations. Mrs. A. Scott, Ottawa, aunt of the groom, poured tea.

Later the bride and groom left on a motor trip to Southern Ontario. For travelling the bride wore a navy coachman dress with navy accessories and a corsage of yellow roses. On their return they will reside in Guelph.

## Hamilton Man Wins $40 At C.N.E.

Even Dagwood could pick up a few pointers from C. N. Baker, of 38 Kipling Road, Hamilton, in the fine art of sandwich-making.

For while the head of the Bumstead household usually spends some time over his concoctions, during nocturnal raids on the ice box, Mr. Baker whipped up this masterpiece of gastronomical engineering in two minutes flat.

Mr. Baker is an insurance agent who cooks for a hobby, and this sandwich is his latest triumph. It took second place in the annual Dagwood Sandwich competition at the C.N.E. From the size of it, it would seem that the $40 prize money he collected would barely pay for the ingredients, let alone the labour costs.

Following are the ingredients: five slices of buttered bread; cheese and egg salad, and tomatoes in the first layer; ham, cheese salad, sliced cucumbers in the second; ham salad, jelly, and sliced bananas in the third; and the final layer is made up of salmon salad.

But wait,, that isn't all. The sandwich is placed in a lettuce cup, and topped with (get this) cucumbers, jam and half a tomato garnished with parsley.

Mr. Baker says he's going back for first prize next year. He's entering a Christmas cake in another contest next week.

What happens to the sandwich now? No one has tried to eat it yet, probably fearing the dire consequences that befell Dagwood, when he dislocated his jaw on one of his fancier efforts.

Mr. Baker just lugged it home and put it in the ice box as a souvenir. Maybe he'll have it mounted —Hamilton Spectator.

**Appeals**

Some of our members support every deserving appeal such as current church needs, the missionary and maintenance fund, Ontario Temperance Federation, the Woman's Missionary Society,, Lord's Day Alliance, the Lenten Self-Denial and Easter offering, the Endowment Fund, the Anniversary appeal and many other claims for support; others are "choosey" and selective, having personal preferences. The policy of the church is to lend its interest to every worthy cause both within and without the church since every deserving humanitarian work is a product of christianity. In making its appeals the church has opportunities for everyone. We do not all share a common enthusiasm thus some favour home missions, some overseas missions and some neither. Do the best you can with what you have. Let none be embarrassed. The Lord looketh upon the heart and He commended the widow's mite. The main thing is to cultivate the grace of generosity. We met a tailor last week who sold a customer five suits at one hundred dollars per suit when he had only called to order one suit. So pleased was the customer that he paid the $500 on delivery and gave the tailor a tip of $25 for the satisfaction the suits gave him. If anyone questions this unusual happening we are happy to inform you that this tailor will take part in a special service at St. Paul's later in the year.

Our Harvest Festival of Thanksgiving will be observed at St. Paul's and Carmel on September 16th when Rev. W. G. Fletcher, of Wooler, will be our guest speaker. Plan to send something for these great services to decorate your church on Saturday, September 15th.

**Flowers**

Flowers in the Sanctuary at St. Paul's last Sunday were kindly donated by Mrs. Claude Tucker, Mrs. Mae Beatty, Mrs. Ross Bush and Mr. Edward Reynolds, the latter sending a stately four bloom lily. Mrs. Wm. Cornett, our Flower Convenor, usually arranges the flowers every Saturday night. All flowers should be left at the church if possible and Mrs. Cornett advised of memorial or special baskets ahead of time so that all may be suitably arranged. Gifts of vases ornamental flower pots and flower baskets of every size and kind will be appreciated.

**The Sunday School Floor**

We are conscious of the growing need for a new floor in the Sunday School Hall. It is hoped that the Woman's Association, the U.R. Welcome Club and other groups will make this improvement a special object. We understand our W.A. withdrew its bazaar last year to help a local fraternity and we are glad that it has this generous spirit and that it may do so again. Nevertheless, some co-equivalent must be found if our St. Paul's ladies are to maintain their splendid record of service.

• • •

**Presbytery**

The Belleville Presbytery will meet in Tabernacle Church, Belleville, on Tuesday, September 18th, 1951. Any member of either St. Paul's or Carmel with a recommendation for the good of the work generally should communicate with Mr. E. R. Carlisle, lay delegate. Recommendations affecting Carmel or St. Paul's should first be submitted to these congregations for consideration before going to Presbytery. All recommendations will fare better if they carry the endorsement of the local congregations.

Our congratulations to Mr. Ray Mallory who has brought honour and attention to Stirling by winning first prize for his honey at the Canadian National Exhibition.

• • •

Our best wishes follow Mrs. M. Welbourne and her family who recently moved to Belleville; also Miss Joan Green who begins training at the Belleville General Hospital for the nursing profession.

• • •

The Stirling "Welcome" sign at the entrance to the village from Highway No. 14 after slanting for some weeks is now flat on the ground. It would look well to have our signs up and painted to greet visitors attending our Fall Fair.

• • •

Our boys and girls are now back to school. We wish everyone a most splendid record to mark the first school year in the new school.

Mr. J. E. O'Donnell is to be commended for his interest respecting the flag pole in the bandstand park or is it Queen Victoria Park since it is situated on Victoria Street?

**Who's Who!**

Our subject this week arrived pink and rosy on the early delivery of Santa Claus at 8 p.m. December 24th, 1866. He has never lost that December complexion and has lived on the Sidney-Rawdon Town Line since his birth and for a longer period than any known living resident.

He was born on the old Bailey farm now called "Broadacres" and now worked by Squire Bailey and his sturdy sons. The old log house that echoed to the first cry of this sturdy child has since been destroyed by fire. It was the home of his parents, Richard Carlisle who came from Nottingham, England (the land of Robin Hood) and his devoted wife Bridget Kelley from Galloway, Ireland.

Save for a period of twelve years when he worked on the building and maintenance of the Central Ontario Railway built in 1882 from Trenton to Coe Hill and later extended to Bancroft he has been a tiller of the soil — a yeoman strong and steady.

In early years he attended Williams School and later the Glen Ross School. Among his early teachers were Melissa Phillips, Mark Anderson. Henry Brooks and Lottie Brooks. Those were the days of the slate and the spit and polish operation.

At the age of 13 he began regular full-time farm work for the handsome salary of three dollars per month with room and board. After three years farming in which he was advanced to $5 per month he began railroading, returning therefrom to his first love after twelve years and bringing to the Carr house his bride of one year Mary Elizabeth Weaver whom he had married in the old Weaver home (now occupied by the genial Joseph Grills) on May 24th, 1893.

The young couple had no superstitions regarding number 13 which designated their Sidney lot of 137 acres. Indeed the Lord blessed their labours and nine children arrived to grace the family table.

Albert their firstborn married Annie Atherton. With their four children they have lived for many years at Frankford where Mr. Carlisle is employed in the pulp mill.

Ernest and his sister Marion share the eventide of their father at "Maple View" farm where he has watched the ebb and flow of life for 58 years. Ernest is the delegate of the Stirling-Rawdon Pastoral Charge to the Belleville Presbytery, Secretary-Treasurer of the Carmel Cemetery Board and of the Glen Ross School Board. Steward of the Carmel United Church and faithful offering receiver for many long years. Miss Marion is a past President of the Carmel Woman's Association, a member of the Self Denial Committee and a devoted worker in the Master's Vineyard at Carmel. She is also an expert in making crab apple jelly. Ernest takes a keen interest in hockey and is a member of the I.O.O.F.

The parent Carlisle served for 30 years on the School Board of the Glen Ross School wheer he attended as a pupil. His son Ernest is now walking in his father's footsteps for he too attended this school.

Rada is the wife of Cecil Bedell, of Campbellford, and mother of eight children.

Retta is the wife of Joseph Grills and lives in the house where her mother was married. She has two children. She is a teacher in Carmel Sunday School and a faithful member of the Woman's Association.

John lives with his brother George and shares the responsibilities of "Grandview" farm. He is a member of St. Paul's United Church, Stirling.

Martha died at the age of ten.

Nina who has been employed for some years in the Bell Telephone Office, Belleville. recently married Mr. Roy Neal. of Bonarlaw and Belleville. Something of the spirit of her father may be gleamed from his reply (as the wedding party hastened from Stirling) to the question: "Do you mind this speed, Mr. Carlisle?" His expressive answer was, "I can travel as fast as the car."

George married Evelyn Neal, and their union has been blessed by two girls and two boys. George is Clerk of Session at St. Paul's, Associate Supt. of the Sunday School, Temperance Secretary, President of the Shamrock Cheese Factory and a high ranking officer of the I.O.O.F..

The devoted wife and mother of this fine family entered her rest June 16th, 1946. On the ramparts of glory she awaits her dear ones sustained meanwhile by their cheerful service in the Vineyard of the Lord.

William Mark Carlisle remembers attending services in the frame building (Town Line) on the Bailey property where the Methodists gathered for worship before the more pretentious brick church was erected in 1875. He was present at the dedication of that edifice in the days of preacher Watt and also at the observance of its 75th anniversary in 1950. Now often seen on the shady lawn of "Maple View" murtured by the love of his children, eighteen grandchildren and seven great grandchildren and guarded by the watchful attention of his son Ernest and daughter Marion this Patriach of Carmel and Dean of the Town-Line revels in the garden of memory. He is strong in the faith by which men and women live and die victoriously. He enjoys life even though the burden of the years grows imperceptably upon him. We salute and honour a grand old gentleman, William Mark Carlisle of "Maple View" farm, Dean of the Town Line.

TIME-PROVED POWERGlide AUTOMATIC TRANSMISSION

CHEVROLET A GENERAL MOTORS VALUE

In the low-price field PowerGlide was the *first* automatic transmission . . . and PowerGlide is the *finest* . . . giving you smooth, dependable no-shift driving at lowest cost!

Take the wheel of a new Chevrolet with time-proved PowerGlide and you'll say, *this is it!* For PowerGlide is all you've wanted in an automatic transmission . . . bringing you *finest* no-shift driving at lowest cost!

Here's *complete freedom* from clutch pedal and gearshifting! Here's *velvet velocity*, a smooth, unbroken flow of power, at all engine speeds! Here's *extra-easy* "rock out" of mud or sand! And, best of all, here's truly *dependable* no-shift driving, with the only automatic transmission in the low-price field that has been *fully proved in more than a billion owner-driven miles!*

Come in and let us turn over the key to you for a demonstration. Put a PowerGlide Chevrolet through its paces and discover low-cost motoring at its smooth and easy best . . . in Canada's *largest and finest* low-priced car!

Take Your "DISCOVERY DRIVE"

More people buy Chevrolets than any other car!

*Combination of PowerGlide Automatic Transmission and 105-h.p. Valve-in-Head Engine optional on De Luxe models at extra cost.

Chevrolet alone offers this complete Power Team!

POWERGlide Automatic Transmission* — First . . . finest . . . and only fully proved automatic transmission in the low-price field. No clutch pedal—no gearshifting—not even a hint of gear changes in forward driving!

Extra-Powerful 105-h.p. Valve-in-Head Engine — PowerGlide is coupled with the most *powerful* engine in the low-price field—Chevrolet's 105 h.p. Valve-in-Head Engine. It marks the highest development in Chevrolet's 39 years of concentration on Valve-in-Head design.

EconoMiser Rear Axle — Still another feature of this automatic power team is Chevrolet's EconoMiser Rear Axle. Rear wheels travel farther at each engine revolution . . . fewer engine revolutions and less gas are required at highway speeds.

Oil Does It All! — *Oil* replaces gears in the PowerGlide Automatic Transmission. There's *no direct mechanical connection* between engine and rear axle. Result: A smooth, unbroken flow of power . . . *velvet velocity* at all engine speeds . . . and finest no-shift driving at lowest cost!

## Rylstone

On Friday afternoon, August 31st, the Woman's Association of Rylstone United Church held an afternoon tea in the church. In spite of the rainy afternoon about 40 ladies and 10 children were present. The following is the programme, with contributions from the visitors.

Theme song, with Mrs. Ray Stewart at the organ, followed by the Lord's Prayer; hymn "What A Friend We Have In Jesus;" duet, "Everyone is welcome in the house of the Lord," by Misses Lorna and Joyce Barnum, accompanied on the piano by Elizabeth Barnum; reading, "What the farmer heard on his old crystal set," by Mrs. Ernest Rowe; piano solo, "It is no secret," by Margaret Spencer; reading, "Back seat driving," by Mrs. Hector Arnold; duet, "Mother and home," by Eleanor Thompson and Barbara Meiklejohn; solo, "It is no secret, by Joyce Rowe, accompanied by Mrs. Jones; duet, "Whispering hope," by Ruth Milne and Margaret Spencer, with Mrs. Ellis Jones at the piano; reading, "Boys," by Mrs. H. E. Beare; duet, "Sundown," by Eleanor Thompson and Barbara Meiklejohn; reading, "Things men won't touch," by Mrs. Ellis Jones; hymn, "Blest Be the Tie That Binds."

Rev. H. E. Beare was in charge of the programme, and in a short address told about their very interesting and enjoyable vacation from which he and Mrs. Beare and Bobbie have just returned.

The meeting was brought to a close by all repeating the Mizpah Benediction. Lunch was served by the Rylstone ladies, and a social time spent. A bazaar table arranged in the lobby was well patronized. Total proceeds were about $37.00.

### In Memoriam

BURKITT — In loving memory of a dear father, Christopher Burkitt, who passed away September 7th, 1949.

It's lonesome without you father,
And sad the weary way.
For life is not the same to us
Since you were called away.
If we had all the world to give
We would give it, yes and more
To hear your voice and see your smile
To greet us at the door.

Sad and lovingly remembered by wife and son Charlie and family. 41-1p

SINE — In loving remembrance of a dear mother and grandmother, Maggie Maude Sine, who passed away September 12th, 1950.

Nothing but memories as we journey on.
Longing for a smile from a loved one gone.
None knows the depths of our deep regrets,
But we remember when others forget.

—Ever remembered by Vera, Frank, Gerald and Muriel. 41-1p

LAKE — In loving memory of my dear husband, Alfred Lake, who passed away so suddenly one year ago, September 6th, 1950.

No one knows how much I miss you,
No one knows the bitter pain
I have suffered since I lost you,
Life has never been the same.
In my heart your memory lingers,
Sweetly, tender, fond and true;
There is not a day dear Alfred
That I do not long for you.

—Sadly missed by his wife, Mina Lake. 41-1p

SINE — In loving memory of a dear wife, Maggie Maude Sine, who passed away September 12th, 1950.
A beautiful memory of a loved one so dear,

I cherish still with love sincere
A day that comes with sad regret
And one I never will forget.
I miss her love, her cheery ways,
With her I spent my happiest days.

— Too deeply loved to ever be forgotten, husband C. M. Sine. 41-1p

Mr. and Mrs. Kenneth Lee, Brownville, N.Y., ,were week-end guests of Mr. and Mrs. Garnet Searles.

With boats pulled up on docks and cottage windows shuttered, a walk around the lake is beginning to look bleak. A few hardy perennials stay on after the season has supposedly closed, and are oftentimes rewarded with gorgeous sunsets, warm days, sleep-filled nights, wherein no noisy motorboats chase across the water, and finally, if they stay long enough, with vistas of green, red and gold as the trees put on their annual fall display of paintings au naturel. After the big exhibition is over, the last reluctant camper folds up, and the year-round residents know that winter is just around the corner. Just ..... shopping days to Christmas!

Although they do not seem to be included in the government index, taxes certainly form one of the chief ingredients of the cost-of-living in the day and age. If every tax were suddenly removed from the goods we buy, we would be amazed at how low prices would be.

A little girl, sitting in church watching a wedding, suddenly exclaimed:

Little Girl — "Mother dear, has the girl changed her mind?"

Mother — "What do you mean?"

Little Girl — "Why, she went up the aisle with one man and came back with another."

Can you honestly say each nightfall, "Today I have done at least some little thing to make my hometown a better place in which to live."

Hello Homemakers! Have you ever wondered why meats are called beef, veal, pork and mutton when on the table, but cows, calves, pigs and sheep when on the hoof! Well we have been asked so often that we were prompted to search for the answer.

According to history this distinction of terms originated after the Norman conquest of England. The names of the meat came from the language of the conquerors who ate it, while the Saxon peasants who took care of the animals continued to call them by their Saxon names.

To-day, no matter what kind of meat we want the cost seems to take most of our food budget. For instance, a survey shows that the average price of stewing beef during July, 1941, was 12 cents per pound while the July price this year for stewing beef has been about 68 cents. So when the butcher tells you that a loin pork roast costs about 65 cents you may be tempted to disregard the less expensive beef cuts. However unless you cook the roast carefully you will only have one serving per pound whereas stew made with fresh garden vegetables yields three servings per pound.

**Savory Stew**

3 lbs. stewing beef
3 tbsps. dripping
1 cup each of carrots, celery and tomatoes
1 cup cubed potatoes
1 bay leaf
2 tbsps. minced parsley
½ tsp. thyme

Cut beef in 1 inch cubes. Roll pieces in flour. Brown meat in dripping. Cover with boiling water. Simmer 1½ hours. Add vegetables and seasonings and cook 35 mins. Thicken liquid with flour to make gravy. (If desired, cook Dumplings.)

**Pork Roast**

4 to 6 lb. pork roast
Salt, pepper, flour

Take the roast from the refrigerator at least ½ hour before cooking it. Wipe it with a damp cloth and pat roast with a mixture of flour, salt and pepper. Place fat side up in a preheated electric oven of 350 degs. Roast about 2½ to 3 hours, allowing 35 mins. per lb.

**TAKE A TIP**

1. Store meat immediately in the refrigerator or in a cold, fresh atmosphere. Remove wrapping from fresh or smoked meat and cover the top loosely with wax paper, leaving ends open. Store in the meat compartment or directly below the freezing unit.
2. Store ground meat in meat keeper but cover the whole surface loosely. Cook within 24 hours.
3. Store frozen meat in the freezing unit of the electric refrigerator. Keep meat frozen until ready to use. Do not refreeze.
4. Store cooked meats wrapped in foil. Do not cut, rind or slice until ready to use.
5. Poultry keeps better whole than in pieces.
6. Wrap fresh fish completely and store in a covered meat keeper. Cook within 24 hours.
7. To reheat meat without losing moisture add flavor wrap first in a aluminum foil or wet parchment paper. Sliced meats may also be heated in gravy.

**THE QUESTION BOX**

Mrs. R. K. asks: How do you bread meat?

Answer: Cutlets, chops and sliced fresh meats are usually breaded. Dip the meat into a slightly beaten egg mixed with a tablespoon of milk, then in fine bread crumbs.

Mrs. B. W. asks: Do you ever use cornstarch in place of flour for thickening stews?

Answer: Yes. We make a cornstarch paste with cold water and thicken the meat stock af lamb or veal with it in preference to flour. The flavour will be extra good and it gives a clearness to the gravy.

Mrs. W. R. sends us, by request, the following favourite recipe:

**Corned Beef Hash**

Slightly cook 2 tbsps. minced onions in a skillet in a small amount of fat, add 2 cups minced canned corned beef, 3 cups chopped cooked potatoes. 2 tbsps. dripping and ½ cup tomato juice. Cover and cook slowly for about 25 minutes or until a brown crust has formed on the bottom. If desired, serve a poached egg on each serving.

## Application For Old Age Pensions

On September 1st, application forms will be available for persons applying for Old Age Assistance between the ages of 65 to 70, it was announced by the Honourable W. A. Goodfellow, Ontario's Minister of Public Welfare. Applications may be received from the clerks of the municipalities.

While the pension would not be available until January 1952, Mr. Goodfellow said the staff of the Department is in readiness to carry out the preliminary field work and process the applications so that each eligible person will receive their cheque without delay.

In many of the smaller municipalities, the Provincial field workers will accept the applications and complete the first records, Mr. Goodfellow stated. This practice, he added, would permit the applicants to receive all necessary advice from the field workers in the matter of documentary proof of age.

Mr. Goodfellow said that the pension for the 65-70 group was based on a means test but the allowable income has been increased over the amounts effective for the 70 and over group presently receiving Old Age Pension. Under the new regulations a single Old Age Pensioner will be permitted an income of $720 a year, including the pension of $40 a month. A married couple will have a maximum of $1200.

Preliminary figures point to approximately 40,000 persons qualifying for this new form of assistance. According to the Minister, the municipalities will be relieved of upwards of a million dollars a year with the transfer of persons from relief rolls.

Premier Frost has announced a special session of the Legislature for September 24th which will deal with the legislation to enact this new Old Age Assistance Act. The cost will be shared equally by the Government of Ontario and the Government of Canada. The Province will absorb the total cost of medical services provided the pensioners, together with the cost of administration.

## Proposed Increases In Telephone Service

Increase of 25 cents per month for two-party residence telephone service in Stirling and of 45 cents for residence individual lines are proposed in Bell Telephone's application for revised rates filed in Ottawa with the Board of Transport Commissioners for Canada, according to G. W. Proctor, the company's manager here.

The proposed increase for individual line business service is $1.00 monthly and for two-party business service it is 75 cents monthly.

No change is proposed in long distance rates.

A comparison of present rates for typical classes of service with proposed rates in Stirling follows:

| | Pres. | Prop. | Increase |

## NEWS FOR THE BUSY FARMER

### WOODLOT MANAGEMENT NOTES

Cutting in the woodlot should provide for the future development of the stand, as well as products to be sold. We have mentioned in previous notes that spacing is the key to the form that trees grow in and that spacing also effects restocking. If we ignore these factors when cutting, then the woodlot will deteriorate. Keeping the above factors in mind, we can then consider producing as many products as can be sold profitably and doing the work as economical as possible.

Working out a satisfactory cutting programme for a woodlot is something that can only be done when all the individual factors are considered. Although general management rules can be applied over considerable areas, it is up to the owner to adjust these to suit the needs of his woodlot and economic conditions affecting him.

It sometimes helps to draw up a working plan of the woodlot showing what areas are to be worked in each year. In a uniform 20 acre woodlot for instances, 2 acres might be the unit so that in 10 years the whole area would be covered once and then you would start over again. This is possible when careful selective cutting is practiced.

When the owner finds it impossible to carry out his own woods work he has the problem of getting hired help to do the cutting as he would like it done. The usual practice in smaller areas is to mark all the trees to be cut. An identifying mark on the the trunk and low enough to be on the stump make sure that nothing else is taken.

Planning and carrying out cutting is the most important part of woodlot management. For assistance in planning or marketing for cutting, write to the Department of Lands and Forests. Napanee.

### URGE ANGLERS TO RETAIN ONLY WHAT FISH THEY NEED

"If there is an apparent scarcity of game fish in Baptiste Lake, the chances are that the cropping exceeds what natural reproduction and artificial stocking can produce." Speaking at the Baptiste Fish and Game Protective Association summer meeting, August 22nd, R. G. Sheppard, Fish and Wildlife Inspector from Tweed, urged anglers to forget limits of catch and retain only what fish they want for immediate needs. Returning the others to the water is one of way of practising conservation and it has definitely paid returns in other large lakes where anglers enjoy good fishing every summer, the speaker added. He told the group that unfavourable weather conditions frequently interfered with natural spawning and winter losses also might be heavy.

### FISH DISTRIBUTION NEARING COMPLETION

Large and small mouth bass distribution from the White Lake Rearing Station has been completed for the current season with a wide coverage reported by Manager A. M. Snider. Distribution will also be completed in the near future from the Glenora Hatchery. Unfortunately due to the small supply available, Lake Trout quotas have been reduced with primary attention being given to lakes not recently stocked.

### SUMMER VISITORS SEE CONSERVATION FILMS

The Conservation film tour continued with meetings at Camp Kasawamak near Fernleigh, Plevna, and Cloyne, on August 21st and 22nd. Mr. C. W. Dill, of the Tweed staff, spoke briefly on the individual conservation effort needed and judging by the questions asked, interest was excellent. Approximately 500 viewed the films.

## No Comment

A supplier walked into a pet shop and was impressed with a beautiful bird, that not only sang beautifully but spoke 7 different languages. He bought the bird and sent it home. When he arrived home, he asked his wife, "Did you get the bird I sent home?"

She said, "Sure, I've got it in the oven now!"

He yelled, "What? in the oven? Why that bird speaks 7 different languages!"

She said, "Well, why didn't he say something?"

## Children Going To School For First Time

Some 85,000 little children in Ontario will start on a new adventure this month when, for the first time in their lives, they start attending school.

These beginners, mostly around 5 years old, are the most likely victims of street and highway accidents. Year after year, age 5 is the most frequent ly mentioned age in reports of children killed in motor traffic. And annually more children from one year old up are killed by traffic accidents than by the worst disease of childhood.

The accidental death of a young child on the street is a community tragedy. Fatal accidents have been increasing rapidly this year, although the number of children involved has remained unchanged at sixty-one for the the first half of the year. The fact that child deaths have not increased is no consolation for the relatives and friends of those 61 children who have been lost, and it is no guarantee that Ontario's child safety record will continue to improve.

Only by universal efforts of parents, teachers, police, older children and the entire driving public can the death toll from traffic accidents be held down from now on. The Fall months bring added hazards: earlier darkness, increased urban traffic, more children at play and going to and from school, and above all the youngsters going to school for the first time.

By focussing public attention on these youngest of school children some further dent may be made on the all-too-often thoughtless attitude of many motorists toward children on the streets and highways.

## When Costs Can't Be Recovered

In Kingston a thing has happened or threatens to happen, which should give everybody thought.

The Kingston City Coach Company, operating the city's transporation services, announces that as soon as the municipal authorities can make arrangements for other transportation facilities, it will go out of business. It adds that even if the city allowed it to charge 30 cents for four tickets and agreed to forego its percentage of the profits, the company still could not operate.

Last year the Kingston City Coach Company, operating a bus line under contract, made a net profit of $6,012. Now it is faced with a demand for wage increases, and the president of the company says that a wage-scale which a board of conciliation is likely to recommend will increase costs by $25,000 a year. Consequently, there is no point in the company continuing.

Here is an example—and warning—of what is bound to happen if inflation continues. Labor, faced with mounting living costs, will demand higher and higher wages, whereupon public utilities, plus many other undertakings, driven to a point where they will be unable to recover costs, inevitably will be driven from business.

As the Ottawa Journal said the other day, no one now expects, nor has much right to expect, that prices and wages are going to return to the level of the 1930's. Our world has changed. But what becomes clearer every day is that if the existing mad race between wages and prices continues there can be nothing but grim ordeal ahead for us. Higher wages, higher price tags on everything we buy or use, just can't continue without final desperate dislocation. Power companies, transportation companies, all public utilities and other businesses whose rates are either controlled or who are unable to recover rising costs, will find themselves in a position where they will be unable to go on; hundreds of thousands of others, their incomes fixed, will find their savings wiped out. Today, already, ten thousands of Canadians who saved through the years, or who bought themselves insurance policies or annuities, find the security which they believed their thrift had bought for them all but gone.

A tragic thing about all this is that so many among us seem either blind or indifferent to what is happening. Unions still are demanding higher wages; there are people who seemingly welcome inflation as an opportunity for speculation; there is a minority in business which thinks that inflation's consequences can be avoided by still higher prices; and finally there is the Government, which, apart from guesswork and tinkering with monetary devices, seems completely impotent to take effective action.

Thus, apparently, we move towards the precipice. —Ottama Journal.

Layoff of between 30 and 40 textile workers of the weaving division of the Downs Coulter plant at Trenton on Saturday was blamed to government credit restrictions by J. Uttley, company official.

## Too Much

An Irishman, who was coming out of the ether in the ward after an operation, exclaimed audibly: "Thank goodness! That's over!"

"Don't be too sure," said the man in the next bed. "They left a sponge in me and had to cut me open again."

Just then the surgeon who had performed the operation stuck his head in the door and called out: "Has anybody seen my hat?"

The Irishman fainted.

## Entered Into Rest

**HORAM HORTON**

Mr. Hiram Horton, 192 Station Street, Belleville, a resident of that city for the past seven months, died suddenly in Belleville General Hospital, Saturday, September 1st. He was in his 71st year.

Born in Rawdon Township, the son of the late Mr. and Mrs. Sylvester Horton, the deceased had resided in Toronto prior to moving to Belleville seven months ago. He was predeceased by his wife many years ago.

He is survived by one son and three daughters: Gordon Horton, Mrs. Edward (Dorothy) Whyatt; Mrs. Harry (Wanda) Wines; and Miss Marie Horton, all of Toronto.

Also surviving him are three sisters and three brothers: Mrs. Albert Wannamaker, of Ivanhoe; Mrs. Wesley Brown, Marmora; Mrs. Albert Fox, of Milton; Mr. Harry Horton, Roslin, and Gilbert and Murney Horton, of Marmora.

## Cub News

On Saturday, August 25th, Cubs and Old Wolfs from Brockville, Gananoque and Stirling invaded the camp grounds at Lyndhurst to camp for five days. We had grand weather. The boys between seeing who could eat the most spent their time at swimming, handicraft and Badge work.

We were up at 7.30, flag break at 8 o'clock, breakfast 8.15, dinner 12.30 and supper at 5.30. The highlight of the day was the campfire at which all boys took part in songs and skits. Coke and cookies were served, then off to bed and lights out at 9.30 p.m.

Eddie Mayhew passed his swimmer's badge and Gary Rose, Denton Shortt, Eddie Mayhew, Jim Green, John Ray, Elliott Martin and Wayne Munro passed the Athlete's Badge.

Tuesday afternoon was sport's day and the Stirling boys took their share of the prizes. Stirling boys took first prize for the best kept cabin. This was quite a feat as some of the boys had never made their own beds before.

In all we had a fine camp and I would like to thank the people who furnished cars to take the boys to camp.

On Monday, September 10th we will start our Cub meetings, and I would like parents to understand that we can not take boys in till they are eight years old. I would like to be able to do it, but that is the law.

## Pine Grove W.I.

The August meeting of Pine Grove Women's Institute was held at the home of Mrs. Fred Kingston, of Oak Lake, with ten members and two visitors present.

The President, Mrs. Blake Johnston, opened the meeting with the Institute Ode and all repeated the Institute Creed. Mrs. Harry Coulter, Secretary-Treasurer, read the minutes of the last meeting and the roll call. Mrs. Allyn Finkle, convener of Canadian Citizenship, opened the programme with the singing of the "Maple Leaf."

Mrs Charlie Ross gave the Current Events. Mrs. Farley Lindenfield gave a reading, "To-Morrow." Mrs. Leslie Finkle gave another reading, "What Democracy Means." Mrs. Allyn Finkle gave a very interesting and educational paper on Citizenship. She stated that we should all be proud to be citizens of Canada. She closed with a short quiz on Canada. The members all sang "O Canada." The President closed the meeting with the Mizpah Benediction.

Refreshments were served by the lunch committee. The September meeting is to be held at the home of Mrs. Charlie Ross instead of Mrs. Johnston.

## Successful At Summer Course

Misses Adeline and Eleanor Bush, of this village, were successful in their summer course and have received their certificates for the course in Education at the Northern Vocational School in Toronto.

## Shower Held For Bride and Groom

An enjoyable evening was spent on Friday, when a large number of River Valley residents gathered at the home of Mr. and Mrs. Morley Richardson, to honour their daughter, Betty and her husband, Albert Hubble.

Mr. John Donohoe was chairman for the occasion and the entertainment for the evening consisted of community singing; a song by the two Miss Heasman's; readings by Harry Heasman and Mrs. Ernest Carr; two songs by the River Valley School; and short addresses by Mr. Harry Morrow, Mr. Clifford Hubble and Mr. Morley Richardson.

An address was read to the bride and groom, who were presented with a large array of beautiful gifts. Both Betty and Albert expressed their appreciation.

Lunch was served and a social half hour enjoyed by all.

## CBC To Cover Royal Visit

Acting General Manager Donald Manson said recently that the CBC was planning extensive radio coverage of the forthcoming visit of Their Royal Highnesses Princess Elizabeth and the Duke of Edinburgh. From Canada, word pictures of the visit will flow to all parts of the world as the CBC makes its facilities and programs available to many countries.

Broadcasts will extend over a period of nearly five weeks and will range from the landing at Quebec City to the departure from St. John's. The operation will be the biggest single undertaking that North American radio has faced since the highly successful broadcasts of the CBC in connection with the Royal Visit of Their Majesties King George and Queen Elizabeth in 1939.

Mr. Manson said that preliminary planning and preparations are well underway. Approximately thirty-five on-the-spot actuality broadcasts are tentatively scheduled from twenty-three Canadian cities. These will be supplemented by straight reports from other cities, by nightly edited versions of the day's actuality highlights, and by newscasts.

In addition to broadcasts on CBC's two national English networks, the CBC French network will provide French-language coverage of all major events while the CBC International Service will beam broadcasts to all parts of the world.

E. L. Bushnell, Director General of Programs, has announced that detailed planning and direction of Royal Visit broadcasts is under the supervision of A. E. Powley, head of the CBC Overseas Unit during the Second Great War and now in charge of the special events department.

Two travelling teams of from eight to ten persons each will be assigned full time to coverage of the Royal Visit and will be supplemented regionally by the addition of broadcasting personnel from the various CBC production points across the country. The teams will "leap frog" across the country by air, train and car with their equipment, each team covering every other city along the route. Both teams will work together in some cities to handle heavy and complicated broadcast assignments. Hundreds of CBC personnel will be involved in the overall operation.

## Splendid Programme Arranged For Stirling Fair Afternoon and Evening

**March Shows Midway — Trials of Speed — "Krossroads Kapers" Both Nights**

With the annual Fall Fair sponsored by the Stirling Agricultural Society scheduled for Tuesday and Wednesday September 18th and 19th, the committee in charge of the various attractions in front of the grandstand have lined up a programme for Wednesday, September 19th, that should appeal to all, and indications point to its being one of the best ever seen locally.

In preparing the programme, the committee has ever kept in view that the Fair is primarily for the agriculturists of the Community and has endeavoured to make it of particular interest to farmers. However, the urban dwellers have not been overlooked and there are many items that should appeal to them as well. It is the hope of the Society that the citizens of Stirling and Community will show their appreciation of the efforts put forth by the directors by giving their wholehearted support to the Fair not only with their attendance, but by competing in as many events as possible.

**Acknowledge Donations**

The directors desire to thank the citizens of Stirling and Hastings County who by their generous donations, have assisted them in arranging for the prize lists and entertainment for this year's fair.

**Trials of Speed**

All of the familiar events are again on the agenda and a good afternoon's entertainment is promised for Wednesday, September 19th. Horse racing enthusiasts will again be able to enjoy their favourite sport as trials of speed — 2.25 class and a Free-For-All with good purses — are included in the programme.

There will also be the pony race and bicycle races.

**Drawing Contest**

One of the features of the Fair will be the Drawing Contests for teams with good cash prizes and this event which attracted great interest last year is assured of another large following Wednesday, with $45 offered in prizes. A slow driving contest for cars and a tractor rodeo are also on the programme.

**Good Exhibits**

There will also be the usual good cattle exhibits, as well as sheep and swine. In the main building will be found the ladies' work exhibit, cheese exhibit, High and Public School exhibits, etc. The farm machinery companies will also have their usual display on the grounds.

**Platform Performance**

The platform performance in front of the grandstand, with Barton Haggerty acting as master of ceremonies, will include the Ladies' Nail Driving Contest; Barber Shop Quartette Contest; Step Dance Contest; Hog Calling Contest; Singing Contest for boys and girls under 14 years, and Mouth Organ Contest, and Log Sawing.

**Beauty Contest**

One of the highlights of the Fair will be the Beauty Contest, open to contestants from Hastings County and district. Thirty-five dollars is offered for prizes with twenty dollars going to the first prize winner.

**Baby Show**

The Baby Show will again be a feature, with three classes, babies under 6 months, babies 7 to 12 months and twins, one year and under. Liberal prizes are being offered by Dr. Wm. Cornett, Dr. E. A. Carleton, Noble's Drug Store and the Meyers and McCormick studios, of Belleville.

**Good Midway**

Arrangements have been made with the March Shows, for a midway with several rides and shows for both the children and the adult patrons of the fair.

**Dance and Concert At Night**

The programme will conclude with the final showing of "Krossroads Kapers" in the theatre and a dance in the Community Hall.

In presenting the programme the committee feels it should have the support of the community and given good weather, the attendance should be the best ever. All roads lead to Stirling Fair Grounds on Wednesday and citizens of the surrounding district will be out in force to lend their support to the Agricultural Society. Be sure to meet your friends at Stirling Fair.

## Scout Paper Drive Saturday

On Saturday, September 15th, the Boy Scouts will be out after paper. So folks, dig down in the cellar and bring up all those papers that you have saved this summer. If you are not able to get them up will you phone 417 before 9.30 Saturday morning, and the boys will bring them up for you. Paper means money and you cannot run a pack or troop without cash. So folks, help us out. Please have paper out by 10 o'clock.

## Local Cheesemaker Won Prize At C.N.E.

Mr. Thomas Sarles, Cheesemaker at Central Factory, is receiving congratulations, as his special Kraft cheese took sixth prize at Canadian National Exhibition, Toronto. Some time ago he won a prize on fifteen cheese which graded 95%, and up-to-date he has reached the 95 percentage three different times. This is a special honour, as Tom has only been manufacturing Kraft cheese a few months. Mr. and Mrs. Sarles attended the C.N.E. and viewed the prize winning cheese.

## ROYLE "ROLLERS" LEAD LEAGUE AT BOWL-O-DROME

Stan Royle's "Rollers" took a commanding lead in the Men's Summer League at the local Bowl-O-Drome on Monday night, when they took three games from Elaine's to go six points up over Ross Huffman's "Champions." Bob Bagshaw's "Monarchs" are close behind in third position by reason of his 2 out of 3 victory over the "Champions."

In the other games A. Wood's "Millers" defeated S. Faulkner's "Jets" two out of three; and Bill Webber's "Hastings" won over Carl Bosiak's "Rockets" by the same margin.

**Won Crests**

During the week "300 Club" crests were won by Nate Sine, with 338, and Jim Wright, with 310 points among the men. Among the ladies Miss Gladys Clarke won a crest with a score of 294.

**The League Standing**

## MR. AND MRS J. E. MUMBY OBSERVE 56TH ANNIVERSARY

Congratulations are extended Mr. and Mrs. James E. Mumby, of Springbrook, (10th Concession of Rawdon) who observed their 56th wedding anniversary on Tuesday.

Mrs. Mumby, the former Nina Hamilton, was born at Cordova Mines, the daughter of the late Mr. and Mrs. Thos. Hamilton, while Mr. Mumby is the son of the late Mr. and Mrs. Joseph Mumby, and was born in Rawdon Township.

Mrs. Mumby has one brother, William Hamilton, of Cordova, while Mr. Mumby has two brothers, Charles Mumby, of Harold and Lindsay Mumby, of Bonarlaw, and three sisters, Mrs. Peter McInroy, of West Huntingdon, Mrs. E. Linn, of Moosomin, Sask., and Miss Milda Mumby, of Toronto.

Both Mr. and Mrs. Mumby are enjoying comparatively good health and their many friends join in wishing them continued good health and happiness.

## Bicyclist Injured Struck By Car

Nick Jokimie, an employee at the Elaine Footwear, Stirling, suffered a bruised right leg and abrasions to his hands when knocked from his bicycle by a car driven by Melville Grills, of Rawdon Township, on Saturday night.

The accident occurred opposite Morton's Body Shop on the Marmora Road about 11 p.m. Jokimie and Grills were both proceeding north, when the lights of a car coming south are said to have blinded Grills who failed to see the cyclist. The injured man was given treatment by Dr. E. A. Carleton.

Chief S. Eggleton investigated the accident. No blame was attached to the driver of the car.

## Bylaw To License Taxis In Village Passed By Council Monday Night

**Action Taken To Cope With Noisy Theatre Patrons — Ask Tenders Coal Supply**

A By-law to regulate and govern taxis in the Village of Stirling was given its several readings and passed at the regular meeting of the Village Council on Monday night. The license fee was set at $10 per year. The by-law to raise money for the erection of a new Hydro substation was also given second reading.

Reeve. H. J. Wells presided and all members of Council were present.

J. V. Holt, representative of Roofers' Supply, addressed Council relative to completing the street signs and also directional signs.

Communications were tabled from Chas. F. Davidson, soliciting the coal business; from Laurel Rebekah Lodge No. 211, and Stirling Lodge No. 239, I.O.O.F., seeking permission to tag in aid of the C.P. & T. Fund on Fair Day; B. C. Donnan, Crown Attorney, re appointment of woman jurors; General Accident Insurance Co., relative to inspection of the boiler in the Community Hall and repairs needed, and from the Dept. of Municipal Affairs.

The purchase of the year's supply of coal was discussed at some length and Council decided to call for tenders for approximately 30 or 35 tons of No. 1 grade, oil treated, stoker coal.

Messrs. Clarence Fitchett, Earl Wallace and E. D. Ketcheson, a delegation from the Stirling Agricultural Society, waited on Council relative to securing the Theatre for rehearsals for "Krossroads Kapers" on Tuesday and Wednesday nights of this week.

On motion of Councillors Elliott and Montgomery the theatre was rented the Board for rehearsals at $5.00 per night.

Gordon Bailey, theatre manager, waited on Council relative to taking action against children making unnecessary noise during the weekly show. Council were unanimous behind any action the theatre management deemed advisable.

The purchase of two Stop Signs and Dead End Street Sign was authorized

## Public School Board Grants Monthly Increase of $15 To Caretaker

An increase in salary of $15 per month was granted Joe Irish, caretaker of the Public School at a meeting of the School Board on Thursday last. The increase followed receipt of a letter from the caretaker making the request.

Chairman R. E. Fox presided and was supported by Dr. E. A. Carleton, H. Donnan, C. I. Hatton, R. A. Patterson and H. R. Tompkins.

**Enrolment Up**

Principal W. D. C. Hall reported an enrolment of 205 and stated some additional text books would be needed, also some more desks. In regard to the latter he requested the Board to endeavour to get desks with larger book space than those in use at present.

Mr. Hatton, chairman of the Property Committee, outlined the work yet to be done at the new school and the fill and grading required on the grounds. There were also eight trees to be cut down and the play ground had to be levelled off. He had discussed the matter of fill with Mr. McCrory who had offered to put in fill, which could be procured from a local source at 50c per yard, stated Mr. Hatton.

On motion of H. R. Tompkins and Dr. E. A. Carleton, the McCrory Construction Co. was given the job of putting in fill at the school grounds at a rate of 50c per yard.

The matter of having the trees cut down was left wth the property committee.

Mr. Hatton also submitted prices he had procured on floor polishers and fencing for the school grounds.

On motion of Dr. Carleton and H. Donnan the committee was authorized to purchase a Lalonde polisher and cleaner.

The property committee was also authorized to get prices on 12 gauge chain link fence, with No. 9 wire top and bottom, for the west side of the school ground, and purchase same.

The matter of the purchase of more seats was discussed and the Secretary was requested to write the Standard Tube Co. relative to having a representative call on teh local School Board.

Chairman R. A. Patterson presented the following accounts for payment:

Parkin Associates, $513.85; George Noble, $44.90; H. C. Bird, $1.96; R. Donnan, $6.00.

## Juniors Do Well Judging At C.N.E.

Seven Hastings County Club members did well in the Judging Competitions at the Canadian National Exhibition.

Mr. Gerald Harry, Trenton, R.R. 5, was tied for first place in the Junior Section of Dairy Cattle, with 58 contestants. His score was 186 points out of a possible 200. Mr. Robert Mallory, Trenton, R.R. 7, was tied for 6th in the same competition. In the senior section of Dairy Cattle, Merle Moore, Springbrook, placed 5th, while John McComb, Belleville R.R. 5, was 15th and Bob Burkitt, Frankford, R.R. 2, was 18th. There were 44 contestants in the senior section of Dairy Cattle. The same group also judged grain and roots. In the seniors, John McComb was 6th and Bob Burkitt was 16th, with 23 contestants taking part. In the Junior section of grain and roots, Merle Moore placed 6th in the competition of 15 contestants. Also taking part in the competitions were two girls, Phyllis Kleinsteuber, Tweed R.R. 1, and Vera Martin, Tweed R.R. 2. These Hastings County Boys and Girls are to be congratulated on their fine showing. They were accompanied to the C.N.E. by Mr. A. O. Dalrymple, Agricultural Representative, and Mr. W. Frank Stone, Assistant Agricultural Representative. The contestants yere given a supper and also saw the grandstand performance given by the C.N.E.

## Fair Show, "Krossroads Kapers" Promises To Be A Great Success

Stepping to the footlights next Tuesday and Wednesday nights will be an array of splendid talent contestants being chosen daily for the big Musical Stage Review, "Krossroads Kapers," run in conjunction with the Stirling Fair.

Sherwood Reid and Russell Pyear again will put the audience "in stitches" with their tremendous acts. Sherwood will be seen at the piano, in front of the microphone, and most anywhere; and Russ will also appear as the colossal Bob Hope. Don Rodgers, as Roy Rogers, King of the Cowboys; Verna Woodbeck, as Minnie Pearl and Ted Reynolds, does a great job as the lovable Gabby Hayes. Many new faces will be seen in this talent show, and it still isn't too late to enter either as part of the cast or as a contestant.

Bill Reynolds, X. P. Mayhew, Doug Pyear and Maj. Fraser, are just a few to be mentioned as talented members of the cast.

There are fiddlers, dancers, specialty numbers you will long remember as entertainers on the show.

"Cinderella" story to be featured as a delightful attraction, composed of school children from the Public School.

Owing to another engagement, Barton Haggerty, who was a sensation as a Mademoiselle in the "Style Show" last winter, will be unable to act and Ross Hermiston, local druggist, has consented to take his part.

The "Queen of the Fair" will be crowned and presented both nights of the show and also presented at the Fair Grounds Wednesday afternoon.

Juanita Kaiser's shows start on time, no waiting for that curtain folks — check your watches, "it's fun to be on the dot, even if ts chopsticks. 8.13 is the deadline.

## Campaign For Blind Nets $223.35

The appeal in the interests of the blind conducted in Stirling the past two weeks netted a sum of $223.35. A canvas by Mrs. F. Houchin, local member of the Hastings County Advisory Board of C.N.I.B., accounted for $123.00, while a tag day on Saturday added $91.35.

The Hastings County Advisory Board of C.N.I.B. would like to thank the citizens of Stirling and district for their generous response to this campaign. Included in the above canvass is a donation of $5.00 each from the Hon. J. R. Cooke Chapt. I.O.D.E., The Stirling Women's Institute, and the River Valley Women's Institute, for which they extend their appreciation.

They would also like to say a "thank you" to the girls who helped on Tag Day and to the staff of the Hydro Office for their co-operation and the use of their office on Saturday.

## Given Jail Term

Leo Ryan, 20, of Rawdon Township, driver of a truck which pinned a boy against a fence on a farm road near Ivanhoe, was sentenced to four months in jail and fined $35 after conviction on five charges at Belleville Tuesday.

He pleaded guilty to drunk driving, dangerous driving, driving while his license was suspended, leaving the scene of an accident and careless driving. In the accident Lance Beer was injured when pinned against the fence and Ryan ran off on foot. A Provincial Police posse arrested him three days later in a swamp near his home.

# Mount Pleasant Couple Celebrate 35th Wedding Anniversary

On Thursday evening, September 6th the home of Mr. and Mrs. Sid Demorest, William Street, was tastefully decorated with coral and white crepe streamers, bells and coral ribbon in honour of the thirty-fifth anniversary of her parents, Mr. and Mrs. Percy MacMullen, Mount Pleasant.

The weatherman turned out a downpour of rain and a heavy electric storm, but all was gaiety and enjoyment as the guests gathered from Belleville, Foxboro, Smithfield, Frankford, Dundonald, Stockdale and nearby points.

Mrs. MacMullen received in a gown of navy sheer with a corsage of red roses and was assisted by her daughter. The rooms were a bower of beauty with baskets of gladioli, vases of dahlias, asters and other autumn blooms.

The dining table covered with a lace cloth was centred with the anniversary cake and twin fruit cakes, silver candelabra and identical silver rose bowls of Coral Button 'Mums.

At 10 p.m. Mr. George G. Montgomery, Frankford, was chairman for a short but interesting programme. Mrs. Marguerite McMullen, Mount Pleasant, led in a sing-song, of popular 1916 songs and she also rendered a vocal selection, "The Sunshine of Your Smile." Mrs. Ormel MacMullen, Belleville, read two appropriate poems ( one a commentary on married life, by Patience Strong.) Mrs. Percy Hubble, Stockdale, sang "May God Bless You and Keep You," and she also prepared and read the address of appreciation on behalf of relatives and friends. Miss Doris Sine, of Mount Pleasant, gave a humorous reading entitled, "In The Usual Way." Brief remarks were given by Mr. Edward Montgomery, Foxboro; Mr. John A. Montgomery, Dundonald; (who was groomsman for the wedding) Mrs. Percy Charlesworth, Smithfield (who played the wedding music). Mrs. Charlesworth also was in charge of the guest book at the anniversary party. Mr. and Mrs. Clifford Sine, Mr. Harvey Pitcher and Mrs. Ernest White all extended congratulations and best wishes.

The honoured couple were given seats of honour and presented with several packages which they opened in "bride and groom style," and they were the recipients of several pieces of coral glassware, china cake plates, linen, ornaments and folding money.

Their immediate family made the presentation of an electric tea kettle on behalf of themselves and the four grandchildren, David, Patsy and Susan MacMullen and Herbie Demorest. Mr. and Mrs. MacMullen also received several anniversary cards and messages of congratulations which included one from Bristol, England.

Both Mr. and Mrs. MacMullen voiced sincere thanks for such a delightful evening together and to all for gifts, programme and flowers and especially to their daughter and husband for opening their home and to their son and wife of Belleville who assisted.

Refreshments were served by the hostess assisted by Jean MacMullen, Mary Pitcher and Edith Charlesworth.

The address in part is as follows:

Dear Florence and Percy:

Tonight our memory takes us back thirty-five years to the Montgomery homestead at Mount Pleasant where a boy and girl pledged to spend their lives together. To look ahead that many years seems a long time but to look back seems the turning of the page of some great book, filled with pleasures, joys, sorrows and the general trend of daily life.

We saw your family grow up and go where duty called, knowing at all times how anxious you were for their welfare and making them welcome in the family fold, and now you can be justly proud of your accomplishment as parents.

Through the years you have built together a home where much good has been done your interest in your church and W.M.S., your unlimited contribution to the community and your helping hands in neighbourly needs. Truly you have tried to make your home a place that's beautiful to see; a power that draws with ties of love wherever you may roam, the centre of the universe and of the heart and the home.

We your relatives and friends have come tonight bringing our congratulations at this important milestone of your lives and as you walk into the sunset of life together, our kindest thoughts go with you, and may the years to come be more golden and the skies more blue at "Sunrise Lodge."

We ask God's blessing on you and your family and may health and happiness go with you all.

# Items of Interest St. Paul's-Carmel

(By Rev. A. E. Baker, U.E.)

**Commendations**

The Stirling Village Council is to be congratulated on keeping the Union Jack flying on the Community Hall. It is fitting that the oldest village in the County of Hastings should set a worthy example to all others. Many visitors have admired our fine flag.

To the Stirling Rotary Club for its assistance to handicapped children and its war against tuberculosis.

To the Board of Health of Sidney Township in making arrangements for its Medical Officer of Health, Dr. D. W. McMullen to visit the Public Schools of Sidney to inoculate pupils as a preventative of diphtheria and whooping cough and to vaccinate to prevent smallpox.

To the cultural spirit of the Village of Wooler whose officials have had the pianos tuned in both the Public and High Schools, the Town Hall and the United Church.

* * *

**Recommendations**

That the mud holes adjacent to the Stirling Public School in road and grounds be given immediate care in the interest of life and property.

That early arrangements be made for regular dental inspection of our public school children, eye and ear tests and approved inoculations and vaccinations to prevent diptheria, whooping cough and smallpox. A complete record of T.B. tests for each pupil should also be kept.

Painted flag poles and Union Jacks flying from them on all Public and Secondary Schools of the County. The attractive red-roofed River Valley School and the historic Ridge Road S. S. No. 1, have been especially noted.

To the caretaker of Stephens Church, Hoard's, for a church that gives evidence of painstaking attention.

To the congregation of Stephens United Church who are evidently not fair-weather christians, as they turned out through a pelting downpour to attend their anniversary service in large numbers.

* * *

**Sunday Sickness**

A circular from Bethany Temple, Philedelphia, reads, "Another epidemic is here. It is sending its victims to hospitals, insane asylums, jails, prison and perdition by the thousands. Its technical name is "Morbus Sabbaticus" or "Sunday Sickness" or "stay-at-homitis."

**Normal School Prayer**

The following prayer was used at the opening of the first Normal and Model School in Ontario (Upper Canada) July 2nd, 1851, offered by Rev. H. J. Grasett.

"O Lord God infinitely wise and good who teachest more knowledge and givest both the skill and power to accomplish our purposes, look down, we beseech Thee in Thy infinite goodness upon the work which we are about to commence.

"We beg Thy blessing upon our undertaking. Prevent us O Lord in all our doings with Thy most gracious favour and further us with Thy continual help: that in this and in all our works begun continued and ended in Thee we may glorify Thy Holy name and finally by Thy mercy obtain everlasting life.

"Grant O most merciful father that the school we are about to erect may ever acknowledge Thee as its great builder, our Blessed Saviour Himself being the chief corner stone. On Thy Holy word we lay the foundation in full trust that as long as it is established upon this rock, it shall stand forever the monument of Thy goodness and loving kindness.

"Mercifully vouchsafe to it a bountiful measure of Thy richest grace, and grant, O Lord, that it may ever prove a blessing to the land, training up teachers who shall have not only the qualification necessary to their important calling; but a due sense of the motives from which they should act, and the ends of which they ought to seek in the whole course of their life.

"Grant also that the children who shall here be taught, may not only be instructed in sound and useful learning, but also be trained up in the way in which they should go, so that when they are old they shall not depart from it, and so also that they may live in the true faith and fear of God in dutiful allegiance to the Queen and in brotherly love and christian charity.

"We pray that Thy blessed word may ever be the standard and the guide in all our plans for this end, and the sure foundation of all our instruction, that we may seek first the Kingdom of God and Thy Righteousness and then expect every other good.

"May the children of many generations within the walls about to rise, be taught that knowledge which alone can make them wise unto Salvation — the knowledge of Thee, whom to know is life eternal.

"Look down upon us O Lord we beseech Thee and establish Thou the work of our hands yea the work of our hands establish Thou it through Jesus Christ our Lord. Amen."

Lord Elgin, Dr. Egerton Ryerson and leaders in church and state as well as in education and civic affairs were in attendance, supported by a large concourse of citizens from every walk in life.

In laying the corner stone Lord Elgin said, "I declare this stone to be the chief corner stone of the Normal and Model Schools and Educational offices of Upper Canada."

The ceremony included an address by the Supt. of Education. The deposit of a bottle of records and three cheers for the Queen and the Governor General.

**Baptisms At St. Paul's**

The following children were dedicated to the Lord and given Christian names in the Sacrament of Baptism at St. Paul's Church last Sunday Morning

Thomas Andrew Wilkins, born June 12th, 1951, in the Township of Rawdon. Parents, William R. Wilkins and his wife, Hildegarde M. Helliwell.

Judy Ann Bush, born June 5th, 1951, at Belleville. Parents, Glenn N. Bush, and his wife, Grace Dunham.

Connie Dianne Tucker, born April 30th, 1951, in the Township of Rawdon. Parents, Roy George Tucker and his wife, Eva Gladys Barton.

Robert Bruce Reynolds, born March 20th, 1951, at Belleville. Parents, Edward George Reynolds and his wife, Dorothea A. Thompson.

* * *

**New Members**

At the Reception Service Mr. and Mrs. R. H. Philp, Miss Nellie Fleming and Mrs. Glen Bush were admitted to membership at St. Paul's.

* * *

**The Lord's Supper**

One of largest attendances at the Sacrament of the Lord's Supper in the history of the Charge was recorded last Sunday. Both at St. Paul's and Carmel their was a commendable increase.

* * *

**Presentation of Medallions**

Mrs. Warren Preston assisted by Mrs. Way, placed Medallion silk collars over the heads of each member of the Royal Choir entitled to them. This investiture was lovingly performed and a word of commendation was in the spirit of her ministry as she tenderly adjusted these marks of honourable achievement upon the recipients.

Mr. George Carlisle, Clerk of Session, presented the Baptismal certificates and joined the Minister in extending the right hand of fellowship to the new members. Rev. W. S. Irwin also assisted in the Communion Service.

Many visitors and proud grandparents as well as beautiful floral blooms atmosphered the service. Water from the River Jordan in Palestine, was used in the Baptismal rite.

* * *

**Harvest Home**

A special committee was appointed to assist Mrs. Wm. Cornett in arranging decorations for the Festival of Harvest Home next Sunday. The members include Mrs. Walter Elliott, C. A. Wells, C. I. Hatton, Harold Hagerman and Geo. Carlisle.

Gifts of flowers, sheafs of grain, corn stalks, all kinds of vegetables, fruits, articles from orchard, garden or field should be sent to church Saturday before 8 p.m. Many villagers who lack gardens will be able to arrange purchases from local stores for delivery to the church.

The Rev. W. G. Fletcher, of Wooler, will be our guest speaker for this great festival both at St. Paul's and Carmel.

The Woman's Association of Carmel have been invited to arrange decorations in the Silver Jubilee Hall, pending the renovation of the church.

* * *

Plans for the anniversary at Carmel are well advanced. It is expected that both the church and Jubilee Hall will be taxed to capacity when this event is held on Sunday, September 30th. Rev. Bert Howard. D.D., will be the guest speaker.

* * *

**Rylstone**

St. Paul's Choir led the service of praise at the Rylstone Anniversary Service last Sunday night. Rev. Lloyd Beckel was the guest speaker. St. Paul's male quartet Messrs. Patterson, Aylesworth, Brown and Bush sang "Lead Kindly Light." The choir sang the anthem, "Great and Marvellous," and Rev. W. S. Irwin the Indian song with guitar accompaniment.

The ladies of Rylstone very graciously served delightful refreshments to the Choir at the close of the Service.

The Choir has accepted an invitation to share in the Anniversary evening service at Zion on Sunday, Sept. 23rd.

* * *

The sympathy of this Pastoral Charge is extended to the loved ones of the late S. J. Elliott, of Sine; also to Mr. and Mrs. Lorne Brooks who are bereaved by the death of a kinsman.

* * *

We note there are many items of interest from the Department of Agriculture and Forestry in the News-Argus almost every week. These should be carefully noted as they contain very useful information.

# Gives Bogus Cheques Madoc Man Jailed

For passing bogus cheques in several Eastern Ontario communities, Raymond Dean, of Madoc Township, must serve at least a year in Ontario reformatory.

Dean who pleaded guilty to passing cheques in Frankford, Stirling, Tweed and Napanee, was sentenced by Magistrate T. Y. Wills to 12 months definite and 18 months indeterminate.

# Working With Wool New Project

"Working with Wool" is a new Homemaking Clothing Club project and club members in Hastings County have selected it for study this Fall. Club members will be learning how to recognize woolen fabric, how to prepare such fabrics for sewing, selection and use of commercial patterns, and the choosing of blouses for wear with various styles of skirts.

Each girl taking the project will be making a woolen skirt or jumper and a weskit may be made to go with the skirt.

A Homemaking Club has at least four members between the ages of twelve and twenty-six and meetings are held under the director of older club members of women who have attended a Training School.

These Leaders will be meeting this year at the Council Chambers in Madoc on September 26th and 27th, or the Agricultural Board Room, Stirling, on September 28th and 29th. All work to be taken up at the Club meetings will be discussed and then the Leaders may organize their clubs.

Homemaking Clubs are under the supervision of the Women's Institute Branch and Home Economics Service of the Ontario Department of Agriculture and are open to all rural girls. Club work provides an opportunity for girls to work together for mutual benefit, they accept responsibility and make decisions. By taking part in the Achievement Day programme the girls learn to express themselves and to appear before an audience.

It is hoped that all rural girls will have the opportunity of belonging to a Homemaking Club this Fall.

## Rylstone

The September meeting of the Rylstone Women's Institute was held at the home of Mrs. Fred Fry on Wednesday, September 5th, with about 25 ladies and several babies and small children present. The meeting opened in the usual way with the Institute Ode and the Lord's Prayer. The Roll Call was answered by "My first school and teacher." The minutes of the August meeting were read by the Secretary, Mrs. Carl Linn. A short course on "Oven Meals" is to be held, the date to be arranged later. A project called, "Let's Have A Bazaar," is to be held at the Campbellford Fair, with exhibits donated by the members. The convenor for the day was Mrs. Clarence Barnum, and the following is the programme:

Reading, "Some of the little things of life," by Mrs. Frid Barnum; solo, "Beautiful Dreamer," by Mrs. Don Stewart, accompanied by Mrs. E. Jones at the piano; reading, "visits by mail," by Mrs. Chester Meiklejohn; "Treasures," by Mrs. Percy Reid; "Grandmother's recipe for sociability in the community," by Mrs. Fred Fry. The topic, "Education and Rural Citizenship," was taken by Mrs. Clarence Barnum. A contest, "Names," was put on by Mrs. Ray Stewart. The meeting was closed with "God Save The King." Lunch was served by the hostess, assisted by Mesdames Fred Fry, Lindsay Anderson, Carl Linn and Harriet Fry.

Sunday visitors of Mr. and Mrs. Wilfred Spencer and family and Mr. and Mrs. Bob Spencer were Mr. and Mrs. Alfred Spencer, of Havelock; Mr. and Mrs. Bill Wright and Sandra, Lindsay, and Mr. and Mrs. Robert Lisle and Bob, of Stanwood, and Jack Lisle, of Niagara Falls.

Mr. and Mrs. Ellis Jones spent the week-end at Gravenhurst, and visited their cousin, Earl Spencer, at the Sanitarium there.

Mr. Albert Holland, Havelock, and son, Stewart, spent the week-end with her parents, Mr. and Mrs. John Stewart. Mr. and Mrs. Bill Donaldson, of Peterborough, were also Sunday visitors of her parents, and attended the Rylstone Anniversary Service on Sunday night.

Mr. and Mrs. Charles Stewart and Shirley and Miss Barbara Fairman, of Campbellford, spent Sunday with Mr. and Mrs. Ernie Miller and Wayne and Mrs. Jesse Morrison, at Trenton, and celebrated the birthdays of Mrs. Morrison and Mr. Miller.

The Rylstone United Church Service was well attended on Sunday evening, the church being well filled to hear Rev. Boyd Beckel. The music by St. Paul's Choir, Stirling, was much enjoyed.

## West Huntingdon

Life for the farmers is somewhat of a crossword puzzle. The showery weather has made farming operations most perplexing all season.

Mr. and Mrs. Fred Blackburn, of Orillia, were overnight guests of Mr. and Mrs. Geo. Ashley.

Mr. and Mrs. Alex McCurdy attended Anniversary Services at Foxboro United Church on Sunday and were dinner guests of Mrs. Sandy McCurdy.

Mrs. John Kingston, of Tweed, spent a few days recently with her sister, Mrs. Jas. Haggerty and Mr. and Mrs. Barton Haggerty.

Mr. and Mrs. George Ashley were recent guests of Mr. and Mrs. Jack Parrott, of Kingston Road.

Barbara and Ronald Smith, Belleville, were holiday guests recently of their grandmother, Mrs. William Bray.

Mrs. Barton Haggerty and James spent a few days with friends at Brampton.

Mrs. William Bray, Sarah and Arthur Wlson spent Sunday evening with Mr. and Mrs. Keith Bray, of Ivanhoe.

Mr. and Mrs. W. Cornell, of Havelock, were Sunday evening guests of Mr. and Mrs. Foster Wilson.

Mr. and Mrs. Grant Eckart and son, of Toronto, spent a few days with Mr. and Mrs. John Moorcroft and Mrs. V. Barrager.

Mr. and Mrs. Mac Sarles were dinner guests on Sunday of Mr. and Mrs. Geo. Sarles, of Stirling.

**JUST A CHUCKLE**

The farmer had just shown the new hired man around the farm and explained to him the jobs he would have to do. "How about clearing the snow out of the driveway and around the house?" asked the hired man.

"What do you mean?" said the farmer. "There's no snow at this time of the year."

"That's true," replied the employee, "but there should be plenty of it by the time I get the rest of these chores done."

# ROYAL VISIT

**Get your Royal Visit windshield sticker in town**

Will be on sale at all leading stores and garages this week-end and at Stirling Fair.

—Sponsored by Stirling Branch Canadian Legion B.E.S.L.

Hello Homemakers! Although "song and fiction" describe summer as a time of ease and leisure it is no such thing for the average wife and mother. Very few can take an extended holiday. Friends and family come to town in carefree holiday spirit. All in all, times for relaxation are few and far between. By September most of us women are ready to concentrate on good menus involving a minium of effort.

Reinstate the soup course. Save vegetable juices and use them to dilute condensed soup. As for the main course you may turn to poached salmon with raw cucumber sauce or meat loaves baked in muffin tins. Then too, barbecued beef meat pie or a boiled New England dish can be easily prepared and offer sharp contrast to summer fare. Hot vegetable plates take the place of raw vegetable salads when the squash, corn and lima beans are fully ripe. However, no one would neglect slicing cool cucumber, fresh tomato or crisp pepper since these garden vegetables are so good this way.

Co to think of it the best desserts are the mellow melons which require little effort in preparation. Of course, if you cube them and pour either a frozen custard or chilled thin syrup over the pieces, the family should be happy.

**Baked Fruit**

Prepare peach halves, apricots or pear halves. Place the fruit hollow-side-up in a baking dish. Sprinkle with ½ cup sugar for 2 cups fruit and dot with butter. Pour a little water around the fruit and add a dash of mace and grated lemon rind. Bake in electric oven of 425 degrees for 15 minutes. Serve cold with cream or ice cream.

**Grape Sponge**

1 envelope gelatine
¼ cup cold water
1 cup hot grape juice
¾ cup sugar
2 tbsps. lemon juice
2 egg whites, beaten stiff

Soften gelatine in cold water. Stir in the hot grape juice, sugar and lemon juice. Cool. Stir occasionally. When it begins to set, beat with rotary beater until frothy. Beat in the egg whites.

**Fruit Tapioca**

1½ cups fruit juice
½ cup sugar
¼ cup minute tapioca
½ tsp. salt
1 cup cooked, cubed fruit

Cook the first five ingredients over electric element turned low. Stir the mixture until it boils, then remove from heat and chill. Fold in the cut-up fruit and spoon into sherbet dishes. Yield 6 servings.

**Elderberry Cobbler**

3 cups elderberries
2 tsps. lemon juice
1 cup diced apples
2-3 cup sugar
1 tbsp. cornstarch
1 tsp. butter

Batter for drop biscuits

Mix the first six ingredients and pour into a greased casserole. Spoon the soft biscuit batter on top of fruit. Bake in preheated electric oven of 400 degs. for 30 mins. Yield 6 servings.

**THE QUESTION BOX**

**Mrs. C. K. asks:** How can I prevent grey colour of the top peaches in a box of frozen fruit.

**Answer:** Purchase ascorbic acid from a druggist and add a ¼ teaspoon to each box. We also recommend packing peaches in a medium syrup.

**Mrs. W. J. asks:** How much rhubarb do you add to blueberries for the best flavour?

**Answer:** To 3 cups blueberries add ½ cup rhubarb cut in ½ inch lengths along with 2 cups granulated sugar and ½ cup water. This mixture may be simmered until berries are soft and poured into sterilized jars.

**Mrs. C. C. asks:** How you cook citron?

**Answer:** Store citron for 2 or 3 months and watch the November columns for citron marmalade recipe.

## The Hicks From The Sticks

Many persons living in the larger cities look upon the rural areas as a place where the inhabitants are of a lower mentality and are just harmless, innocent souls who understand only the simple things of life. Radio comedians have played their part in depicting a ruralite as an illiterate person with a wisp of hay between his teeth and talking through the corner of his mouth.

Neighborly News, the reported-to-be voice of the Weekly Press, to some extent, adds to this picture by selecting the items from the weeklies which appear to be chosen to amuse the city listeners and magnify the supposed peculiarities and simple doings of the country folk. Rarely does one hear of those things which happen week in and week out which mark the difference between city and rural life. Sex, murder, crime and divorce are not major items in a weekly paper as in the daily press, but rather those human interest things which add so much to the happiness of rural life. Community achievements in all their various phases rarely are mentioned on Neighborly News.

It may shock the editor of the broadcast and many of his city listeners to know that the smaller Ontario towns have a larger per capita percentage of university graduates than the larger places, the number who read worthwhile books is much greater and both town and country folk are much better informed on domestic and foreign affairs. It adds nothing to Neighborly News to refer to individual publishers and the familiarity of calling them by their given names. "You scratch my back and I'll scratch yours" has no place in a broadcast of this nature. — Watchman-Warden, Lindsay.

## Wellman's Mission Band

A special Mission Band and Baby Band meeting was held on August 30th at 2.30 p.m. at the home of Mrs. Omar Dracup. There was a good attendance including 5 members of the Baby Band and a few visitors.

The leader, Mrs. Burton Marton, presided over the devotional exercises, a worship service for peace, and called the meeting to order with a word of prayer. All joined in the singing of "The Son of God Goes Forth for Peace." The Responsive Scripture Lesson on peace was read by the leader with Jimmie Chumbley, Richard Dracup and Sadie Russet taking the responses. All read a pledge for peace from the blackboard, after which Mildred Morton read a story, "The Pin and the Needle," and Nancy Chumbley led in prayer.

The President, Annie Dracup, then took charge. The Secretary, Nancy Chumbley, gave the minutes of last meeting and the Treasurer, Chas. Nix, gave his report for the last quarter. At this time a donation of five dollars was received from Mrs. Fred Thrasher with the request that Annie Dracup be made a life member of the Mission Band. Activities for the fall term were discussed. The offering amounted to over $2.00

A number of children's hymns were sung, after which David Heagle read a story. Janet and Jean Tompkins sang a duet and Muriel Morton played piano music. As it was Richard Dracup's birthday, everyone sang "Happy Birthday," and the meeting closed with the benediction. Mrs. C. C. Nix, Assistant Leader, then directed several children's games.

A delicious lunch of sandwiches, cookies, the lovely birthday cake, and freshie was then enjoyed by the children and a vote of thanks was moved by Nancy Chumbley.

## August Meeting Stirling W.I.

The August meeting of Stirling Women's Institute was held at the home of Mrs. E. Cooke, with twelve members and three visitors present.

The President opened the meeting with the W.I. Ode and the Lord's Prayer in unison. Mrs. S. McMurray Secretary, read the minutes of the last meeting and the roll call.

The programme was followed by the topic taken by Mrs. K. McMurray on "Public Relations and Community Activities." A reading was given by Mrs. S. McMurray, "The Mary Stewart Collect," followed by a reading by Mrs. L. Rodgers, "The Lunatic." The meeting was closed with all repeating the Mizpah Benodiction and singing God Save the King.

Lunch was served by the committee in charge.

# Former Stirling Boy Home From World Scout Jamboree In Austria

Fifteen thousand boys, camping in tents nestled in teh foothills of the famous Alps!

Three thousand tents with boys from 61 nations living in the tents.

Scouts from all over the world — every corner of the globe — gathered together to promote international goodwill and friendship.

Such was the setting for the seventh World Scout Jamboree in Austria last month.

And 17-year-old Roy Strickland, of Roosevelt Blvd., Lindsay, and formerly of Stirling, was there to see it all, to hear it all and to come home filled with the knowledge that he had gained in his six weeks abroad.

The well-built, blonde, blue-eyed King Scout visited the Warder office yesterday and told a great story — a story of a diamond almost as big as your fist, a story of a suit of armor six foot, six-and-a-half inches tall, a story of visiting four countries within 25 hours, a story that he will re-tell a hundred, nay thousands, of times in the years to come.

In part, here is that most interesting tale, told by this good-looking youngster who was one of 35 scouts chosen from all over Canada to attend the Jamboree.

"We left Lindsay on July 13th and sailed from Montreal on July 18th on the R.M.S. (Royal Mail Ship) Ascania, on July 21st — a Saturday, I think it was — we hit the tail-end of a typhoon. Seasick? That's for sure. There were 32 boys on the ship and only four turned up for that meal on Saturday! Some of them didn't turn up for a meal for three or four days.

"We hit Liverpool in the afternoon of the 26th of July and took a special boat train to London where we were stationed at Hounslow, a suburb of London and we stayed at the Hounslow Scout headquarters.

Five days were spent at Hounslow and the second day, the Scouts were reviewed by Princess Elizabeth.

"She stopped in front of the boy from Windsor and when she found out where he was from she said she would be visiting his city on her tour. She was very considerate," went on the King Scout. "She wasn't supposed to review us until 11 o'clock but she came out ten minutes early so that she wouldn't keep us standing in the hot sun. What did I think of her? Well, her pictures don't do her justice," shyly adding, "she's prettier than any of her pictures."

That afternoon, they visited Windsor Castle. "I don't know why they talk about the food shortage over there," he said. "Seems to me we didn't do anything but eat."

On Sunday, they could go to the Church Parade and services were held in venerable Westminister Abbey. Sunday afternoon, they toured Hampton Court, the huge place with gardens, fountains, courtyards all over the place."

When queried as to the amount of war damage still visible in Europe, Roy stated that England was much cleaner than France but that both countries still had scars of the war and most of the English bombed-out blocks were used as parking lots.

Monday night, the boys left by train for the south coast of England and Newhaven. "Funny thing about those English trains," said the traveller. "They never jolt to a start or stop. They start easy and stop easy. They have two big springs between each car so that the ride is smooth at all times."

At Newhaven, they were shown where the famous Dieppe raid began. They picked up a channel ship with about a thousand Scouts aboard and in four hours landed on the coast of France at Dieppe.

"We got on the train at Dieppe and went right through, almost non-stop to Austria. We went right through Switzerland which meant we had been in four countries within a 24-hour period — England, France, Switzerland and Austria."

In Austria, the main city in unoccupied territory is Salzburg where they stopped for a short time and then went on to Bad Ischl a resort area where the camp grounds were located.

**The Camp**

"We lived in tents just outside of town on a rolling plain with the Alps all around us. Beautiful mountain lakes could be seen in the district. There were over 3,000 tents for the 15,000 Scouts.

"All we did most of the day was visit. Visit with the Scouts of the different countries. All the uniforms are much the same as ours except for their hats. The Indian Scouts wore blue turbans. The Pakistan Scouts wore Persian Lamb hats — wedge-shaped. The Morocco and Egyptian Scouts wore fez.

"You know, we spent a lot of time swapping — we swapped stories, we swapped everything. Seems you could always find something to trade.

"Language? Oh, it wasn't too bad, most everyone there spoke a bit of either English or French and most of the Canadian boys could manage a bit of High School French. I visited a lot with the Irish troop and we spent a lot of time with the Brazilians.

"The South African Scouts wore hat bands of Springbok fur which is kind of like their national emblem. It's a South-African gazelle.

"The camp was really beautiful. It was on an old golf course with the mountains all around it. One minute it's daylight, and the next minute it's dark. The sun goes behind the mountains and it's night.

"It's a beautiful country, Austria. There are some parts of it when you would swear you were in Ontario and other parts are all mountain. The highways and streets are narrower there than here and some of the city streets are so narrow, there is no room for a sidewalk.

"I think the most beautiful sight I saw all the time I was away were the lakes and the mountains in Austria. There was so much that I saw, I can't really say what was the most beautiful sight.

There were no Russian Scouts at the Jamboree, explained Roy, because Scouting has been banned in that country for many years now. But there were Scouts from Latvia, Estonia and Hungary who had to say they were Austrians because they were displaced from their own countries.

**Back in England**

"But, the most interesting thing we saw were the Royal Jewels in the Tower of London when we got back. We left Austria just before the middle of the month and arrived in London by the same route, on August 16.

"I took a day off and visited my uncle, aunt and cousin in London. Then on Saturday we went by bus to Oxford University. Do you know there are 23 men's colleges and four women's colleges there and they have 7,500 students. It's a monstrous place. I think those figures are correct. I have them in my log book at home."

**Cruising Down the River**

In London at a good time, the Scouts visited the South Bank, Exhibition of the Festival of Britain on the Thames River. The following day, they got on what is called a river bus — which is a boat — and cruised down the river Thames, past the Parliament Buildings, St. Paul's Cathedral, Westminster Abbey, the Exhibition and stopped on the upriver side of the famous Tower of London at London Bridge.

"We saw the old chopping block and the dungeons and all that. Don't believe those stories about the knights of old being short men, either, I saw a suit of armor that belonged to a German and it was six feet, ten and a half inches tall. I measured it.

**No Samples**

When speaking of the Crown Jewels, well-guarded in the Tower, Roy grinned and said, "they wouldn't allow us to take any samples home."

"There was a diamond there that was bigger around than a silver dollar as part of the Crown Jewels..

"We saw the famous ravens of the Tower too. They live there and legend says that if they ever leave the Tower will be captured. They couldn't leave anyway. They have their wings clipped — No wonder, "There'll Always Be An England."

**Home Again**

Away for seven weeks, Roy is glowing with the heartiness and vigour of youth. He arrived home Monday evening after landing at Quebec where his mother, (Mrs. Mary Strickland), his uncle and aunt and his younger brother, Ron, were at the dock to meet him.

"You have my picture here. I saw it in the paper. I'm sure glad it's better than the passport picture. It's terrible.

"How many proficiency badges have I got? Only 20. But gosh, that's not many compared to what some of them have. Yes, it was a wonderful trip and I'll never forget it. "But it sure is wonderful to be back home again." —The Lindsay Watchman-Warder.

## Democratic Radio

When Hitler was at the height of his power and sending his armies into smaller and weaker nations, one of the first acts of his invading forces was to gain control of the radio and broadcasting facilities. The Communists also recognize the power of radio in grabbing control of a country and use it for the immediately practical purpose of issuing orders. Neither do they waste much time in putting radio to work in their indoctrination programs and propaganda barrages.

In Canada we most often think of radio — and now television — either as a large industry or as a medium for entertainment and information. We are inclinded to forget or overlook the fact that radio and television are powerful forces in spreading ideas. Because they have such an impact on what people think and do we must be sure that in the operation of these methods of communication we follow democratic principles — so that radio and television are a true expression of our particular form of democracy.

When we look at radio in this context, as a medium for the dissemination of ideas, the recommendations of the Massey Commission on radio and television become extremely important for business and for all Canadians. It was on this subject of radio and television that the Commission split. Mr. Arthur Surveyer submitted a minority report in which he recommended an independent regulatory body. The Commission's majority recommendation was that the Canadian Broadcasting Corporation should continue as it is now — that is as a regulating and an operating body. The majority report added that persons engaged in radio broadcasting be granted the right to appeal to a Federal Court from an adverse decision of the CBC Board of Governors.

Mr. Surveyer advocated the formation of an independent Canadian Broadcasting and Telecasting Control Board. This Board would consist of five members appointed by the Governor-in-Council and responsible to the Minister of Transport. It would replace the Board of Governors of the CBC as the regulatory body for broadcasting and telecasting in Canada. Mr. Surveyer would also allow the right to appeal to a Federal Court.

In explaining his position on the independent Control Board Mr. Surveyer made this significant observation:

"Ever since the writing of the American Constitution it has been recognized that no single body could be entrusted with legislative, judicial and executive functions. Yet this is what the Governors of the Corporation have to do; they have drawn up a set of regulations (some of which they ignore, such as that against broadcast-paper); they act as judges and decide upon pecuniary disagreements between members of their own staff and the private broadcasters; they are charged with the administration of the budgets of the Canadian Broadcasting Corporation, the International Service (and of television in the near future) involving yearly expenditures which threaten to reach $20 million within the next two or three years. The Canadian Broadcasting Corporation freed from its legislative and judicial functions could concentrate on the operation of its broadcasting stations and of its three networks and on the production of better and more varied programs for radio as well as for television, in accordance with suggestions made by the new Control Board."

Most Canadians have a pretty strong sense of fair play and not many would think much of a contest in which one side drew up the rules, played the game and acted as referee too. Fair play is basic to the democratic idea and is certainly part of Canada's national life. In dealing with a powerful national influence like radio — and soon television — it is dangerous to disregard the very stuff of which democracy in Canada is made.

## Barton Family Holds Re-Union

Charles Barton, a retired C.P.R. employee, who celebrated his 77th birthday this month, was the oldest person at the annual Barton family reunion held at Chard's Bridge on Sunday, August 26th.

The gathering somprised the descendants of Mr. Barton's great-grandparents, Mr. and Mrs. William Barton, who came from England and settled in Prince Edward County in the latter part of the 17th century, before the United Empire Loyalists arrived. Mr. Barton's grandfather, William Barton, Jr., moved to Rawdon Township and it was there that Mr. Barton and his father, Francis Barton, were born.

The family have been holding a reunion for over 20 years. Dinner and supper were partaken of, and during the afternoon the children enjoyed swimming and the older members of the group recalled events of former days.

Among those present from this vicinity were: Mr. and Mrs. Lloyd Barton, Mr. and Mrs. Orrie Barton, of Springbrook; Mr. and Mrs. Carl Barton and family, Mr. and Mrs. Roy Barton, Mr. and Mrs. Roy Brown, Miss Margaret Clarke, Mr. and Mrs. Charles Clarke, Mr. and Mrs. Ray Seeney, and Mr. Lyn Carr, of Campbellford.

**LAUGHING DENTIST**

There are said to be two factions in the Ottawa cabinet, disputing over how the cash is to be raised to pay the without means test old age pensions. Mr. Martin, who leads in the march to the edge of the precipice of the welfare state, says that Mr. Abbott's scandalous surpluses are more than sufficient for the purpose without new taxes. Mr. St. Laurent, sadly miscast in the role of prime minister in a government leading the people to bureaucratic and economic enslavement, thinks that the people should be made to realize that the pensions have to be paid for by the people.

Mr. St. Laurent, it is to be feared, is old-fashioned enough to think that money doesn't grow on trees. Nowdays it's printed on paper and allowing for the rag content of such high-quality paper, it may be said that the money does come from trees. Since the removal of the legal necessity for maintenance of a fixed reserve of gold against the issued paper, there is no backing. Even the bark in burned.

As for Mr. Abbott, the finance minister who overtaxes everyone in sight with such obvious delight, a citizen who is only a faint admirer compares him to a dentist who laughs loudly in the face of his victim as he fixes the torturing forceps over the tooth that he intends to extract.

**SOLWAY STRING QUARTET**

Here is the Solway String Quartet, which has been touring many Canadian centres giving a new kind of chamber music concert, and which is now being heard in a series of programs broadcast Sundays at 10.30 p.m. on the CBC Trans-Canada netmork. From left to right: Maurice Solway, leader and first violin; Ivan Romanoff, viola; Marcus Adeney, 'cello; and Jack Groob, second violin.

# Special Notice to Employers

AND

# Those Enlisting in Armed Forces

By The Veterans Benefit Act, 1951, passed at the last session of Parliament, the Government of Canada has extended and made applicable the provisions of the Reinstatement in Civil Employment Act, 1946, to all persons enlisting in the Regular Forces of Canada after July 5, 1950, (nineteen fifty) and who serve therein for a term not exceeding three years.

This provision extends also to members of the Special Force who re-engage for service with the Regular Forces, the three-year coverage period beginning with the date of re-engagement.

This provision extends also to members of the Reserve Forces who after July 5, 1950, are called out for service with the Regular Forces and serve with the Regular Forces for a period not exceeding three years.

By an Order in Council passed in 1950 under the Canada Forces Act the provisions of the Reinstatement in Civil Employment Act, 1946, were extended to members of the Special Force and members of the Reserve Forces who serve on the strength of the Special Force. The reinstatement provisions of this Order in Council have now been incorporated in the provisions of the Veterans Benefit Act, 1951.

Under the Reinstatement in Civil Employment Act a discharged person may claim reinstatement either verbally or in writing, usually within three months of discharge in Canada or four months if discharged overseas. There is provision for extension of this time when through a condition of health the employee cannot return to his employment this soon, but the employer must be notified in three or four months, as the case may be, and a Reinstatement Officer should be consulted.

## Entered Into Rest

SAMUEL JAMES ELLIOTT

Many friends and acquaintances from all walks of life paid tribute to the memory of Samuel Elliott at his funeral which was held from his late home at Sine to Bethel United Church on Sunday afternoon.

Rev. R. R. Bonsteel conducted the service, assisted by Rev. N. Cole, of Hastings, a former minister on the Rawdon Circuit and Rev. Boyd Beckel, of Ivanhoe. Wm. Reynolds, Stirling, sang the solo, "The City Four Square," and the hymns were "O Love That Will Not Let Me Go," and "Abide With Me."

A large number of floral tributes bore mute testimony to the high regard in which the deceased was held, and included "a broken wreath" from the Bethel congregation.

Interment was in Lakeview Cemetery, Madoc. Members of Madoc Lodge, No. 179, I.O.O.F., attended in a body and conferred the last rites of the Order at the graveside.

The pallbearers were Messrs. Chas. Morton, Edgar McKeown and Harry Heath, of Bethel; Arthur Vandervoort, of Stirling; Colin Ross and Dr. S. R. Beatty, of Madoc.

The late Samuel James Elliott, who had conducted a store at Sine for the past 26 years and was in charge of Harold Post Office, located in his store, for the past eleven years, died in Belleville General Hospital on Thursday, September 6th, following an illness of five weeks' duration.

Born in Halloway the son of the late Simon Elliott and his wife Mary Kelly, he was in his 68th year. He moved to Sine 26 years ago from Montreal. He was a good citizen, always ready with a helping hand to any worthy cause, and was held in high regard by a wide circle of friends. In religion he was a member Bethel United Church and fraternally he was a member of Madoc Lodge, No. 179, I.O.O.F., and Laurel Rebekah Lodge, No. 211, Stirling.

He is survived by his wife, the former Ruperta Gladys Weir and two daughters, Mrs. Harry (Mildred) Morrow, R.R. 4, Stirling; and Mrs. Walter (Annie) Warren, R.R. 1, Stirling.

Also suviving him are three grandchildren, a sister, Mrs. Annie Townsend, Belleville; and four brothers, Tom Elliott, West Huntingdon; Fred Elliott, Moira; Simon Elliott, Hamilton; Clifford Elliott, Belleville.

## River Valley Women's Institute

The September meeting of River Valley Women's Institute was held on Thursday September 6th, at the home of Mrs. Will Hanna, with over thirty members and visitors in attendance.

Mrs. Don Donohoe opened the meeting and Mrs. J. L. Donohoe read the correspondence which included a letter from Stirling Fair Board explaining why our tender was not accepted. Mrs. Percy MacMullen will be hostess in October and Mrs. Clarence Holmes will give the address on the Guelph Conference.

The roll call was, "Name a good labour-saving device."

The programme was arranged by Mrs. Allan McDonnell and Mrs. Stanley Irven, and the former presided. She gave a few remarks taken from a previous report of Mrs. Moore, of Belleville area, based on the theme, "What Home Economics is to ourselves at home." She then read an appropriate poem written by Grace Nowell Crowell entitled, "As long as there are homes." Home economics is ourselves at home. It is the wife and mother in the home doing all that she possibly can to make her family healthy, congenial of each other and always mindful of the thought and care that goes into the making of that home.

Institute members must also study the needs of their own community and suit their programme to meet those needs. Each meeting must be interesting, eucational and varied. The members must be kept active and up-to-date. Non members should be encouraged to attend the meetings and assist whenever possible. We should never forget our new Canadians, they may not speak our language, but they will appreciate kindness. Many of them are skilled women and we may learn much from them.

Mrs. George Heasman led in the rendition of "Home Sweet Home." Mrs. Jack Donohoe read a poem, "The Shiftless Man," by Edith Mosher.

**Demonstrations**

Mrs. Maurice Bell Stirling, gave an hour length demonstration on "Slip covering a chair," and this was very interesting, as she explained the various steps in pinning the pattern and cutting material, etc.

Two school boys, Clifford Richardson and Douglas Kent demonstrated "First Aid Procedures."

## In Hymen's Bonds

RICHARDSON — RICHARDSON

At the home of the bride's parents, Mr. and Mrs. F. B. Richardson, of Stirling, Ont., the marriage of their daughter, Ruth Marie, to Benjamin Parkyn Richardson, of Thomasburg, son of Mrs. Albert Richardson and the late Mr. Richardson, was solemnized on Saturday, September 1st, at 2.30 p.m. by the Rev. Morley Clarke. The home was beautifully decorated for the occasion with pastel-tinted gladioli and pink and white sweet peas.

Mrs. John Heagle rendered the wedding music and the soloist, Miss Mary Heagle sang, "Through the Years."

Given in marriage by her father, the bride wore a lovely bridal gown of white lace over satin with fingertip veil of tulle illusion, and carried a shower bouquet of red roses.

Miss Shirley Tanner, of Oshawa, attended the bride gowned in pale blue organdy with matching headdress and gloves.

Mr. Carman Reid, of Thurlow, attended the bridegroom.

Following the reception which was held at the home of the bride, the bride's mother received the guests, wearing navy sheer with matching accessories and corsage of red roses. The bridegroom's mother assisted, gowned in fuchsia crepe with white accessories and corsage of Sweetheart roses.

For the wedding trip to New York and Niagara, the bride donned a navy tailored ensemble with matching accessories. Mr. and Mrs. Richardson will reside in Thomasburg.

## Good Exhibits and Fine Programme Greeted Stirling Fair Patrons

### Agricultural Service Diploma Presented J. Clinton McGee — Good Crowd

Favoured with ideal weather conditions Stirling Fair, held Tuesday and Wednesday of this week, proved one of the best in years. The attendance was not as large as some other years, but this no doubt was due to the fact that so many farmers are still engaged in threshing operations.

President Clarence Fitchett, and his Board of Directors, had left nothing undone in an effort to improve the Fair and judging from the many fine compliments heard they were successful in their efforts. Mr. Fitzgerald, Representative for District No. 3 of the Ontario Fairs Association was present.

**Agricultural Service Diploma Presented**

A pleasing feature in the day's programme was the presentation of an Agricultural Service Diploma to Mr. J. Clinton McGee, in recognition of his long and outstanding service to Agriculture through his association with Stirling Agricultural Society over a long period of years. He is the oldest living director of the organization and the award was well-merited. The presentation was made by President Clarence Fitchett.

Stirling Citizens' Band, under the baton of Bandmaster Maurice Bell provided music for the Fair patrons throughout the afternoon. The fair had everything which a good rural fair should have. There was the horse and cattle show, the exhibits in the agricultural building, horse racing and novelty events galore, topped off by an honest-to-goodness beauty show which saw the gals parade before the eyes of critical judges.

**Midway Disappoints**

The Midway, March Shows, failed to put in an appearance after assuring the Fair directors that they would be here with several rides. This was a great disappointment not only to the fair patrons — particularly the children, but the fair management as well.

**Large Exhibit In Main Building**

The main exhibit building was filled with produce of garden and field, home cooking that made the mouth water, and handiwork ranging from large quilts to the smaller items of wearing apparel. The excellence of the farm and garden exhibits, as well as the fancy work, drew many fine compliments from fair patrons.

The South Hastings Grain Club Achievement Day Exhibit deserves special mention and drew many favourable comments.

**Gun Display**

A display of guns by Ray's Sport Shop, of Madoc, in the main building attracted a good deal of interest from fair patrons, as well as displays by Hatton Hardware, and Lamb's Electric. The local and district Farm Machinery Agencies and Auto Dealers also had displays on the grounds.

Prominent competitors in the ladies' work division and the Domestic Science Branch included Mrs. L. E. Bryant, Miss Gena Spry, Mrs. G. R. Putman, Wooler W.A., St. John's Guild, Mrs. M. Wrightman, Mrs. Hugh Jones, Mrs. V. Elliott, Mrs. L. Leavitt, Mrs. Vera Teal and Mrs. W. A. McColl.

In the roots and vegetables class, M. Parks & Son, and Mrs. Putman, were prominent exhibitors, while in the Fruits Mrs. M. Wrightman and M. A. Parks & Son and Ivan Caldwell, were the chief exhibitors.

**School Section**

It was in the agricultural building that the work of the junior department stood out. There were many fine exhibits of woodworking and other shop work, as well as collections of weeks, insects, vegetable and flowers. In addition there were the regular public school classes in drawing, writing and other school work. This exhibit attracted a great deal of attention and doubtless will continue to be a regular feature of the Fair.

The Stirling Boy Scouts also had a splendid display of collections of various kinds.

The school parade prize money was divided between S.S. No. 7, Fourth Line of Rawdon, and S.S. No. 3, Mt. Pleasant, Rawdon.

**Fine Cattle Display**

There was the usual fine display of cattle with Holsteins, Jerseys and Ayrshires being represented. Jerseys were shown by Garnet Kerr, Campbellford, and Mac McMullen, Harold; Holsteins by Wesley Finch, Rylstone; Ayrshires by E. Wood, of Crookston, and M. A. Parks & Son, and Poll Angus by F. Holmes, of Queensboro.

The poultry devision had a high quality exhibit with C. J. Sheppard, of Campbellford; Fred McDonnell, Mrs. Archie Bailey, Glenn Bush and Geo. Carlisle, the main exhibitors.

Wesley Finch, Don Heath, and Leonard McGee, of Hastings, and E. McGuire, of Crookston, were exhibitors in swine and Don Heath in sheep.

**Horse Exhibit**

The horse exhibit proved particularly strong in the lighter classes, but not as large in the heavy classes as other years. In the heavy class W. F. Scott, of Campbellford; Verney Heath, Alex Moynes, Frankford, and Mac McMullen were prominent while E. Gerow, E. Robbie ,Picton; G. Doucette, of Foxboro; J. Johnston, Frankford, and J. Sheridan, Earl Johnson and Geo. Sutherland were the main exhibitors in the lighter classes.

**Platform Performance**

Barton Haggerty acted as Master of Ceremonies for the platform performance and did a splendid job.

The nail driving contest was won by Mrs. P. Sjonger, Stirling with Mrs. McMurter, of Trenton, second and Mrs. Flint, Trenton, third.

**Singing Contest**

The singing contest was won by Donnie Armstrong, son of Mr. and Mrs. Jack Armstrong, Glen Ross, with Linda Meiklejohn placing second. Beverley McInroy, Jean Nobes and Shirley McInroy were third.

The honor of being the oldest man on the grounds went to Howard Ashley, of Halloway, who has seen 90 summers. The oldest lady was Mrs. G. F. Spencer, of Rawdon Township, who is 87 years of age. In winning the prize, Mrs. Spencer showed a nice gesture and asked that the cash award be turned over to the Stirling Rotary Club to assist in their welfare work.

**Beauty Show**

The Beauty Show was another event which proved a big attraction, with eight entries. Miss Mabel Gray, a 16-year-old lass from Bancroft, who is employed in Stirling, won the acclaim of the judges and the $20.00 prize. Runners-up and coming also for cash prizes were Miss Shurlene Eaton and Miss Margaret McDonald, both of Stirling.

Grant Dingman won the mouth organ contest, which had four entries, followed by Mrs. Ash, of Madoc, and W. Wood of Glen Ross.

The step dancing had five entries with first prize going to Mrs. Ash, of Madoc; W. Wood, Glen Ross, 2nd, and Phil Green, Bancroft, 3rd.

**Baby Show**

Dr. Lily B. Mathieson, of Belleville, judged the entries in the Baby Show. There were two classes.

Winners in the one to six months class were 1st, Wm. Ranger, son of Mr. and Mrs. F. Ranger, Stirling; 2nd, Judy Ann, daughter of Mr. and Mrs. Glenn Bush, Stirling, and 3rd, Paul, son of Dr. and Mrs. R. W. Vander-

**Queen of the Fair**

Miss Eileen Cooke, daughter of Mr. and Mrs. Everett Cooke, Ridge Road, was chosen as "Queen of the Fair," and received a silver trophy.

## Oddfellows Hold Decoration Day

Led by the Stirling Citizens' Band, under the leadership of Harold Detlor, some fifty members of the Independent Order of Oddfellows paraded to the Stirling Cemetery on Sunday afternoon and decorated the graves of their departed brethren. Visitors were present from Springbrook, Belleville, Madoc and Peterborough.

At 2.30 p.m. the brethren formed a parade at the lodge room on Front St. and proceeded to the Cenotaph, where a wreath was placed in honour of those who lost their lives in the Great Wars by Bros. Guy Bradshaw and Raymond Rose. A minute's silence was observed and the last post and reveille were sounded by W. Aylsworth, of Madoc.

The march was resumed to the cemetery where the brethren were greeted by a large number of citizens of Stirling and the surrounding district, who had gathered to witness the impressive ceremony. A huge circle was formed around the floral triangle and as the name of each departed brother was read by Bro. R. E. Fox, a member stepped from the circle and deposited his bouquet of flowers at the edge of the triangle.

The decoration charge was given by Acting Noble Grand Frank Cosbey and Bro. Geo. Weaver acted as Chaplain.

## Bowling Notes

## Harvest Home Festival Observed

### Rev. W. G. Fletcher, of Wooler, Guest Minister — Churches Well Decorated

At St. Paul's Stirling and the Carmel Rawdon-Sidney Township Line Churches the age old Festival of Harvest Home was observed last Sunday. Rev. W. G. Fletcher, of Wooler, spoke at both services. He defined fairweather, mixed up with pride and shallow words as types of life unworthy of the truly grateful heart. The first class gave thanks when all was clear sailing, the second thanked God, they were not as other men, and the third merely used the conventional expression. The farmer whose grain was still in the field drenched by many rains awaiting sunshine who attended the service at Carmel and urged an increase in the anniversary appeal had caught the larger vision of the grateful Christian's heart who could look beyond the unthreshed grain to the many blessings of God that had "crowned the year with His goodness."

Mrs. Wm. Wilkin's lovely voice was heard in the seasonable solo, "Grateful Am I O Lord," while the choir at St. Paul's sang "Thou Wilt Keep The Feast of Harvest."

Both churches were beautifully decorated. At St. Paul's quantity was emphasized and at Carmel variety. Tall corn stalks up to eleven feet provided border and seasonable flowers were arranged by the flower convenors Mrs. Cornett (St. Paul's) and Mrs. Lorne Brooks (Carmel). Each were given valuable assistance by the decorating committees.

**At St. Paul's**

The pulpit and altar area contained hampers of rosy red apples, pickling cucumbers and the larger variety, baskets of tomatoes and apples, turnips egg plant, corn, beets, exhibition potatoes celery, melons (water and musk), carrots, beans, onions, honey (C.N.E. first prize), cabbage, squash and peppers.

Flowers for decorating the church were kindly sent by Mrs. Harry Hulin and Mrs. Arthur Rodgers.

**At Carmel**

In addition to all the above mentioned this purely rural congregation included sugar beets, brussel sprouts, jars of wheat, oats, beans and preserves, maple syrup, sunflowers grape vines, radishes, kol rabbi, strawberry tomatoes, a loaf of bread and a bottle of rainwater.

Large congregations including many visitors attended these services. Many donors realizing that the Minister was unable to work a garden very thoughtfully sent their gifts to the Parsonage after the service.

## Assisted In Lodge Work

Wm. C. West, and sons, Harold, Claire and Russell K. West, attended a meeting of Madoc Lodge, No. 48, AF.&A.M., on Monday evening, when they assisted in conferring the initiatory degree on Bro. Ray Burris, a relative. Dr. E. A Carleton, C. A. Wells, R. E. Fox and Gordon G. Bailey also attended, with the former two also taking a part in the ceremony.

## Attends Inter. Congress

Dr. Arthur Sheridan, of Sarnia, is attending the International Congress of Anaesthetists in London and Paris and touring hospitals and clinics in the British Isles. Dr. Sheridan attended both Public and High Schools in Stirling. He is the son of Mr. and Mrs. Harry Sheridan, of Port Hope, formerly of Stirling.

# Rawdon's Oldest Continuons School S.S. No. 1, Ridge Road

(By Rev. A. E. Baker)

The village of Stirling grew in a two-rocker cradle one of which was called Sidney the other Rawdon. Since the canopy or head end was in Rawdon the early settlement was called by that name. As Rawdon was also the name of the Township and a municipality in the Province of Que. a change was made to the name Stirling about the middle of the nineteenth century though the village of Stirling was not incorporated until 1858.

The surveying of Hastings County was followed by an in rush of settlers. Among the early needs of these newcomers were roads, mills, schools and churches.

**Schools**

Searches at Ottawa, Toronto, Kingston (archives), the County Office Belleville, the Township records at Harold have all failed as yet to disclose which was the first school in Rawdon Township to open its doors. It is known that two schools were listed in the return of Common Schools in the Midland District in the year 1838. These were shown as being on Concession No. 1, a designation commonly applied to the Township line and the Ridge Road in early days. There is good reason to believe that these schools were S.S. No. 1 (Ridge Road) and SS. Union No. 2 (Weese's). The first entry on the official photostat shows that teacher James Thomas received a grant of £3-15-0 for the period Jan. 1st, 1838 to Oct. 1st, 1838. The second entry shows that teacher Jeremieh Quinn received a grant of £3-15-0 for teaching from March 1st, 1838 to Dec. 1st, 1838.

Perhaps pending further evidence it might be shown since the Ridge Road area was largely an Irish settlement that Mr. Quinn was the first teacher there. If this should prove correct then it is clear that S.S. No. 2 Weese's School in the now village actually opened three months before S.S. No. 1, the Ridge Road School. The proximity of the opening of the new Stirling Public School makes this an interesting point at least for discussion.

**Mrs. Volney Richardson**

Some years ago the Department of Education directed all local school authorities to compile an accurate history of their schools. Mrs. Volney Richardson then Charlotte S. Lanigan, teacher of the Ridge Road School, S.S. No. 1, Rawdon, responded to the order and made a commendable search and caused her findings to be recorded in the School Register at that time and we are indebted to this source for much of the following material.

To such teachers and school boards as responded to this order we must record the thanks of succeeding generations and to those who have hitherto neglected this duty may we urge immediate action. In passing it may be noted that we are informed the Eggleton School has records dating from its opening. If so they should be carefully edited, the story of the school compiled and all documents put in safe custody. We understand that the Provincial Archives Dept. and the Queen's University Achives Dept. are willing to receive such documents, pending a depository in the County and the rise of a County Historical Association. Such records might be more readily available if placed in the Carnegie Library at Stirling.

**Ridge Road School**

The Ridge Road School is situated on the Ridge Road (once an Indian trail) about three miles east of Stirling. It was first located on the farm of Jacob Carr possibly Lot No. 3, 2nd Concession near the house where Annie Woodward lived. It was a log building with fire-place and benches. There were no desks, blackboards and few books. One of the earliest teachers remembered now was a Mr. Hennessey, an old Irishman who taught writing, spelling and some arithmetic. We have no record of the first pupils who attended this school unfortunately.

**The Frame School**

The log school gave place to a frame structure built near Mr. Charles Mosher's property possibly part of Lot. 4, second Concession on land now occupied by William Hammond. This school had in addition to the log school furnishings mentioned above pupils desks and a portable blackboard. Some of the teachers who served in this school were Mr. Coyne, Richard Stout, Louise Wright and Ruth Ashley.

**The Stone School**

In 1859 the frame school gave place to a stone school on a site donated by Wm. Cragg. It was considered "very up to date" and was the pride of the people. William Rodgers attended this school. His brother James was its first teacher. Others who followed him were Mr. Kenny, Mr. Anderson, Maggie Cosby, Mr. Ballard, Mr. Butler, Mr. Allen, Ella Rodgers, Phoebe Merrill, M. Mosher, Mrs. Hinman, Miss Connor, Miss McInish, Miss Glass, Miss Ridley, Mr. Moore, Miss Best, Miss Miller, Mr. Pringle (later Dr. Pringle, who died in Toronto last fall), Miss McCaw. Agnes Fargey and Miss Walker.

The seats had wooden frames and were arranged in four rows. The blackboards were so "shiny" that pupils had to change seats to see them. The school had six windows two each on the west, east and south sides to light the school. The floor was "air conditioned" but not in the modern sense. Pictures were few. This school had a porch facing south and a long bench for lunch pails. Deep window sills served as cloak rooms. At first heat was supplied by two box stoves, one on each side, later one large box stove able to take a cord wood stick was used. Possibly this is the stove now used in the Municipal Office at Harold.

**The Brick School**

In 1904 when the Trustees learned that renovation of the school would cost $250 the school section approved the building of a new school at a cost of $1700. The money was borrowed and repayment made in ten years This new school of red brick was built a few yards to the east of the stone school site.

The grounds were enlarged by the purchase of a quarter acre from Mr. Alex Fargey for five dollars. Stone from the old school was used to build the wall around the west and north of the playground. This school has eight windows 4' x 7' three each on the east and west sides and two on the south side. Slate blackboards stretch across the front (north wall) and small sideboards are on each of the side walls. A raised platform in the blackboard area was removed a few years ago. In 1935 the School Board had a well dug (75 feet) on the property. Until that time water was carried by senior pupils from Mr. Volney Richardson's farm a distance of about one fifth of a mile.

**Free Books And Materials**

Music was introduced as a special subject in 1919 with Miss Ramsay as the first instruction. Mrs. Blanche Alexander succeeded her in 1931. The same year the School Board agreed to furnish supplies including work books, pens, pencils, rubbers and art paper. In this respect the Board was most progressive as many schools still disservice their pupils by failing to supply or make available uniform supplies.

Teachers since 1901: G. Minchan, M. McKenna, E. R. Cragg, E. G. Hubble, Leatha Good, C. S. Jones, M. Fargey, M. Ferguson, H. B. Allan, E. A. Stout, Miss Farowell, J. B. Hough, D. B. Moore, E. M. Watson, Annie Haig, Eva Green (1923-28), Evelyn McInroy, Mrs. Charlotte Lanigan, Beulah Keene, Mrs. Edna M. Bell and the present teacher, Mrs. Eva McGee (Eva Green) who began her new term of office in 1942.

**Some Contrasts**

The Ridge Road School burns wood in a pipeless furnace in contrast to the box stoves still found in many rural schools. All seats with one exception are the large double seats in vogue over fifty years ago. The pupils are all natives of Rawdon Township with a few exceptions. The entrance from the side road is used almost exclusively since the front entance to the grounds is extremely hazardous. The large and small gates on the side road have no divider or separating post.

Progressive in many respects such as providing school supplies the section lags in other ways. The school has no radio and who can tell when its piano was last tuned? It has a weatherworn flag pole but no flag. The school, especially the interior needs a good paint job and the premises would well repay a general "face-lifting" pointing up. The swings have neither ropes or seats and the cement platform at the front entrance has an ugly cavity.

The devoted teacher, Mrs. Eva McGee probably holds a record in the Township for length of service in one school. She has in all taught sixteen years in this school which compares most favorably with the days when the School Board found it necessary to find three teachers in one year. It would be specially interesting to learn who the pupils were at that time?

This school has a sizeable library but no provision for medical or dental inspection or the regular visit of a clergyman. Modern lighting has been installed. The school water is tested each year by the M.O.H. This school does not provide hot drinks at noon nor do they appear necessary as pupils carry thermos bottles with hot soup or cocoa when desired. This is preferable to the communal kitchen now in vogue at some centres.

The pupils of this school are a credit to the Township of Rawdon. They are well worthy of the equipment and atmosphere necessary to make S.S. No. 1 not only No. 1 in name but No. 1 in every respect.

The Ridge Road area was settled largely by Irish immigrants. Names of early families include the following: Fry, Kennedy, Hibbard, Carr, White, Doak, Diamond, Hagarty, Fargey, Fairman, McGowan, Douglas, Fletcher, Keegan, Power, Seeley, Cragg, Reid, Trickey, Forshee, Snider, Mosher, McInrich, Heaslip, McGrotty, Haystead, McCaw, McGee, Lanigan, Gregory, Kingston, Cummings, Doake, Rodgers, Richardson.

Each settler cleared a bit of land, erected a log dwelling and planted wheat and potatoes. One of the early land deeds is still in possession of the Carr family covering a property which they still occupy. It is of few words on parchment.

**Project**

It is hoped some teacher or graduate pupil of this historic school will compile a record of the pupils, teachers and trustees and what became of them who have been related to the Ridge Road School. These are if published stories of achievement which would both inspire and encourage all pupils of today and tomorrow.

Perhaps some of these graduates who have prospered will provide a scholarship or some equipment for the better funishing of their old school.

The pupils enrolled for the current season are Evelyn Cooke, Allan Fargey, Carol Fargey, Pauline McCurdy, Ruth McCrory, Ronald Monroe, Jean McGee, Reggie McCurdy, Bernice McCurdy, Beverley McInroy, Bobby Burrell, Grant Reid, Bob Browning, Bonnie Browning, Bob McGee, Adrian Demorest, Sharon Hammond, Donna Hammond and Kenneth Fargey and Shirley Bouder.

To the credit of teachers and trustees the school has a complete record of all pupils since 1901.

The present Trustees are Everett Cooke, Oliver Stapley, Don Fargey, Mrs. Volney Richardson is Secretary-Treasurer.

## Canadians Go South

(Kitchener-Waterloo Record)

Dominion Bureau of Statistics figures on highway traffic, during the month of June, between Canada and the United States show that Canadian border crossings increased by 37 percent over June, 1950, while U.S. border crossings showed a gain of 15 percent.

Evidently the campaign to have Canadians see Canada first is not yet bearing much fruit.

## St. Andrew's W.M.S.

The September meeting of St. Andrew's W.M.S. was held at the home of Mrs. R. B. Johnston, on Wednesday evening of last week, with a splendid attendance.

The President, Mrs. L. Rodgers, presided over the meeting. As an introduction to the meeting she reminded the members that in times of discouragement they should remember the truth of the words, "I am the light of the world." That should be the torch and the ray of light that should guide our lives. We should let that light shine through our lives. After all singing the hymn "Happy the Home Where God is There," Mrs. W. H. V. Walker read the Scripture Lesson from Luke 15: 1-7. Rev. W. H. V. Walker led the meeting in prayer.

Mrs. W. L. Munro conducted the Roll Call. The word "home" was the keyword. Mrs. Munro read the minutes of the last meeting. Mrs. L. Rodgers extended a welcome to all visitors and spoke words of appreciation for the attendance. Mrs. Blanche Reid gave the treasurer's report. She urged every member to do her best to help with our share. It was decided to have a special Thank-Offering in October. Mrs. R. H. Williams spoke for the Glad Tidings. To have this magazine in every home should be the aid of our members. If we know the workers in our church we should be doubly interested.

Mrs. Jas. Johnston spoke on behalf of the home. She expressed great pleasure at the splendid interest in the work. After a hymn, Mrs. R. A. Hermiston read a short poem. Miss Heather Rodgers sang a solo, "We Are Jesus' Little Lambs." Miss Gena Spry gave a reading entitled "The Modern Home."

Mrs. Eva McGee gave the topic, "The Writers of the Hymns." A hymn is a song of praise or thanksgiving. Hymns have done more than men's words to bring comfort and joy to the hearts of people in sickness and in sorrow, in doubt, danger and anxiety. Many lives have been saved in time of peril when some brave soul has raised a voice to sing a sweet simple hymn. The others have listened to the appeal and have been comforted. They have gained confidence and have been prevented from rushing into panic in which they might all have perished. Very few men receive such affectionate tributes as are paid to many of our hymn writers.

The singing of a hymn and the Mizpah Benediction brought this part of the meeting to a close. Mrs. R. A. Hermiston assisted the hostesses in serving a very delightful lunch and a social half hour was enjoyed. Mrs. Don Farey expressed the thanks of the members and visitors to Mrs. R. and Mrs. James Johnston for this very profitable meeting.

## Bonarlaw

C.P.R. Agent P. S. Kitchener, moved to his own house near Bonarlaw Store recently.

Mr. and Mrs. Larry Martin and family who have been occupying Mr. Kitchener's home moved to the house formerly occupied by Elmer Moffat, north of Bonarlaw.

Glad to learn that Mrs. A. V. Brown has sufficiently recovered after her illness and returned to Belleville to take up her position at the School for the Deaf.

Mr. J. F. Baker has again been confined to his bed for the last couple of weeks at his Crowe Lake cottage.

Mrs. Ken Snider, of Marmora, has again resumed her duties as school teacher here with a large increase in attendance.

## H.&P.E. Reunion

Arrangements for the seventh annual reunion of the Hastings and Prince Edward Regiment has been completed, it was announced.

The get-together will take place on October 6th and 7th in the Bridge St. Armories, at Belleville, instead of at Picton as was formerly announced. Incompletion of repairs to the Picton Armories necessitated the change of venue to Belleville.

The 1951 reunion, according to Regimental Adjutant Lieut. Angus Duffy, will commemorate the regiment's fighting in the battles of Italy and Sicily.

## Picton Driver Loses Life

Clare Forshee, 48, Picton driver of a Smith Transport, lost his life in an accident Tuesday night. The trailer equipped truck plunged into the Soulanges Canal near Coteau Landing, Quebec. It is believed he suffered a heart attack and lost control of the vehicle. He was alone at the time.

The heavy vehicle plunged off the road less than 50 feet from where a safety fence is being erected.

"George looks worried today. What's wrong with him?"

"Oh, he's been contesting his wife's will."

"His wife's will. I didn't know she was dead."

"She isn't.'

Courteously Yours...

Giving you the kind of telephone service you want is our job.

You want it to be fast and dependable—and to keep on getting better. But at the same time, we believe there's more to good service than just technical efficiency and steady improvement.

We think you like telephone people to be friendly, pleasant and easy to get along with. You want to deal with someone who takes a real interest in your problems and who is willing to give you a little extra attention.

That's the kind of service we want you to have. It makes your telephone mean more to you, makes our job mean more to us.

# St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

Congratulations and best wishes to the proud parents of all new additions to their family circles; to the devoted couples who have marked wedding anniversaries including Mr. and Mrs. Arthur Vandervoort, Mr. and Mrs. Percy MacMullen and Mr. and Mrs. H. C. Bird; to the recipients of scholarships or bursaries including Miss Helen Stapley and Miss Ruth Welbourne.

**World Day For Animals**

The Timmins Daily Press says, "The World Day for Animals is observed for the purpose of inculcating love for all creatures in the hearts of mankind. Inhumanity and cruelty should be challenged wherever they are encountered."

October 4th is the day for 1951. Everyone possessing a pet or an animal of any kind should see that ample provision is always made for its food, water and shelter. Sometimes dogs are left for unexpectedly long periods in locked cars. Cats have been turned out to roam for week-ends and even babies have been known to be forgotten.

• • •

We must register our protest against the desecration of the Sabbath Day by commercialized Sunday sports. Neither Batawa or Belleville teams add to their stature by playing on Sunday. Good christians should not lend their presence to commercialized Sunday sports.

We do not see any violation in the innocent exercise of harmless play if it does not involve the neglect of church or Sunday School. Neither do we see in an emergency any objection to necessitous duties on the farm or in the home on the Sabbath Day.

• • •

**Public Lawns**

The sodding at the new Stirling Public School will require much attention and watchful care to realize the dream of the school architects. It is hoped that the cow-like path effect at our attractive Post Office will not be reproduced by "short-cutters" at the school.

• • •

**Commendations**

To the caretaker of Wellman's Public School, S.S. No. 8, said to be one of the oldest sections in Rawdon Township, for well kept lawns, flagstaff and a recently renovated school interor including a tuned piano.

**Rylstone God's Acre**

To the Warden of the cemetery adjoining the Rylstone United Church for the evidence of painstaking care. Many attending the recent Anniversary were noted to visit and reverently pause beside the hallowed resting place of a departed loved one.

**Stirling Utilities**

For the attractively if not recently painted hydrants and their visibility. They can be readily found should a special need arise. They enhance the appearance of our village.

• • •

**Recommendations**

That the welcome sign on the Ridge Road approach to Stirling be reconditioned. It has received an "unfair" beating.

That all public bodies combine to secure a proper driveway to our Post Office. We are advised that civic permission is necessary to cut down the present embankment on Charlotte St. and to provide the necessary new steps.

That a stop sign be sought where the Campbellford Road enters Front St.

• • •

**Rural Letter Boxes**

Our rural letter carriers have noted a gradual improvement in many letter boxes. Among those recently noted are the Williams, Weaver and Hagerman boxes on the Campbellford Road and the Woods and Hubble boxes on the River Valley Road. Indeed Mrs. Wm. Morris on the Town Line has clearly marked her box. We understand that the box of Mr. Harold Chambers, R.R. No. 4, will be a challenger (when completed) to all boxes in the county. The landscaped lawn and garden of this attractive farm home has won many favorable comments. Other farm homes are a credit to their owners. Perhaps the Horticultural Society will offer badges of merit to the best home lawns and gardens in urban and rural Stirling next year.

• • •

**Carmel 1951 Pennant**

The Anniversary Attendance Pennant will be awarded at Carmel United Church to the family with the largest number of members present at the Anniversary Sunday morning service, September 30th, 1951. This coveted award was won last year by the Grills family.

The sister church (St. Paul's Stirling) will co-operate in everyway to make the Carmel Anniversary and Church re-opening a notable one on September 30th.

• • •

**Our Gratitude**

We should like to take this opportunity of thanking the Editor of the News-Argus who so generously prints lengthy news accounts such as that of the Ridge Road School and "St. Paul's — Carmel — Items of Interest" without any charge of any kind. We are also free to say that all work of preparing these tems is without pay of any kind save the satisfaction of endeavouring to render a public service. Like so many who are giving their time and treasure in the interest of the people the writer of this column has never sought, expected or received any financial return from any newspaper or periodical for many long years.

• • •

**Church Architecture**

The first Canadian Conference on Church Architecture will be held in Wycliffe College, Toronto, October 16th. It is sponsored by the Canadian Council of Churches and should be of special interest to all who are building or renovating churches..

• • •

**Royal Choir Items**

Royal Choir Gown Stewards, Mrs. Way, Mrs. Thompson and Mrs. Megginson worked like beavers last Thursday numbering, repairing and refitting gowns. Festival award medallion collars, sips and gowns now bear a common number.

Miss Marlene Carlisle is the first member of the Royal Choir to graduate to the Senior Choir. She took her place in the Senior Choir on Sunday, Sept. 2nd, and was followed by the second graduate Thomas Wells last Sunday.

Robert Bird has ceased to be a member of the Royal Choir owing to voice change. He and other male graduate members have the privilage of membership in the Senior Choir for such choir training as is recommended until their voices are established.

Every member of the choir wil be afforded an opportunity to participate in the lovely operetta, "The Cobbler of Fairyland." Parts are now gradually being released. It is hoped to present the programme in the Fall of 1952. The long preparatory period will permit participation without interfering in anyway with school homework, chores or part time employment. The interest of those assigned special parts will determine what cast changes if any will be necessary. Every choir member will be helped by this special training. An excellent production is assured.

We regret to hear of the hospitalization of Mrs. Maurice Bell and pray for her a complete and early recovery.

# Foxboro-Frankford Road Taken Over By Dept. Highways

The Ontario Department of Highways will take over the Foxboro-Frankford road, as a development road it has been announced by Elmer Sandercock, MPP, for Hastings West.

Decision of the highways department to take over the Sidney Township road was made at a recent special meeting of the Hastings County Roads and Bridges Committee which was attended by Hon. George Doucett, Minister of Highways.

Also attending the meeting were J. A. McGinnis, chief municipal engineer and Mr. Harvey Small, district municipal engineer, members of the Belleville-Hastings Suburban Road Commission, Mr. Sandercock, Roscoe Robson, MPP for Hastings East; Lee Grills, Sidney Reeve and Harry Morrow, Deputy Reeve.

Due to the inability of the County to pay the cost of a high class road between Foxboro and Frankford, Mr. Sandercock had for some time been interested in having this stretch taken over as a development road. Mr. Doucett was approached and has promissed the highway department will pay 100 percent of the cost of the work to be done.

Verney Heath, chairman of the county roads and bridges committee, and Warden Harry Coulter, expressed their appreciation to Mr. Doucett for interest shown in Hastings.

# Salem W.A.

Mrs. V. Hagerman was hostess to the Salem ladies for the September meeting on Thursday afternoon. There were 26 ladies and several children in attendance.

Mrs. Clements presided, opening the worship service with the theme song and prayer. This was followed with a reading entitled "Constructive Thinking." Hymn 218 closed this part of the service.

The minutes were read and approved and all members responded to the roll call. Durig the business session, plans were discussed regarding the anniversary supper.

A number of the ladies voiced their thanks in appreciation of cards received. Mrs. Clements thanked all those who helped in any way with the painting and cleaning of the church.

Mrs. Harold Holden had charge of the programme. Readings were given by Mrs. Cecil Carter, Mrs. Arn. Ray and Mrs. Melville Wickens. The Scripture Lesson, taken from Proverbs 19, verses 1-7, was read by Mrs. Frank McGee. Mrs. J. B. Hagerman led in prayer. Mrs. Ed. Colden favoured with a solo, "It Is So Sweet."

The topic on "Harvest Time," was taken by Mrs. Orval Jackson. Mrs. John Dombos sang (in fine Dutch style) "Jesus Lover of My Soul." Hymn 578 was sung and the meeting closed with the Mizpah Benediction.

Lunch was served by the hostess and her assistants.

# Record Angus Price

Record price of $57,000 was paid Monday by Ralph L. Smith, Chillicotte, Missouri, for an Aberdeen-Angus bull. It was bought from Dr. Armand Hammer, at auction.

Illustrated — Styleline 4-Door De Luxe Sedan

...for only CHEVROLET has all the things we want...

LOWEST COST, FINEST QUALITY, UTMOST DEPENDABILITY AND ECONOMY PLUS THE HIGHEST TRADE-IN VALUE!"

This year's Chevrolet is a marvel of value, *every* way — and it's all yours at lowest cost!

If you want a car with Body-by-Fisher strength, protection and up-to-the-minute styling — Chevrolet has it. If you want power you can live with through many moons to come — Chevrolet's valve-in-head performance gives you that, too. If you want roominess and comfort and handling ease that make every trip a breeze, there's no simpler way to find them than to take the wheel of a Chevrolet.

Above all, if you're looking for advanced features that perfectly combine pleasure with performance, just look at these:

*NEW* — improved Centre-Point Steering (and Centre-Point Design), making steering even easier at low speeds and while parking.

*NEW* — more powerful Jumbo-Drum Brakes (with Dubl-Life rivetless brake linings) for extra-safe, extra-smooth, extra-long-lasting performance. They're the biggest brakes in Chevrolet history!

*NEW* — Safety Sight Instrument Panel, — safer, more convenient, more efficient and more beautiful than ever before.

Yes, Chevrolet for '51 is a car that defies comparison from every viewpoint — including price. So, if you've been toying with the notion of settling for a lesser car — come in and see how easily you can buy this thrifty marvel.

WITH TIME-PROVEN POWERGlide AUTOMATIC TRANSMISSION

With ultra-smooth PowerGlide,† Chevrolet is first in the lowest-price field to bring you the proudest feature of luxury cars — a fully-proved, fully-automatic transmission. There's *no* clutch pedal! You can drive all day without ever shifting a gear! And with all this driving ease, you get the extra-abundant power of Chevrolet's new 105 h.p. engine, exclusive to PowerGlide Chevrolets. It's so *simple* to drive, it's a *thrill* to drive!

†PowerGlide plus 105 H.P. Engine optional at extra cost on deluxe models.

"I'll have a plate of hash, said a diner.

The waiter walked over to the kitchen lift.

"Gent wants to take a chance," he called down the speaking tube.

"I'll have some hash too," said a second diner.

The waiter picked up the tube again. "Another sport," he yelled.

## Monthly Meeting Mount Pleasant W.M.S.

The September meeting of Mount Pleasant Women's Missionary Society was held at the home of Mrs. Burton Sharp with fourteen members, four visitors and three children in attendance.

Mrs. Ross Hoard read a few verses in the eighth chapter of Deuteronomy and all sang a consecration hymn. The hostess was thanked for hospitality and visitors were welcomed. It is hoped to have some special meeting the end of November to commemorate the fiftieth anniversary. Mrs. Charles Bonsteel was welcomed as a life member. An invitation to attend St. Paul's Church Service on October 7th was given. There will be an all-day quilting at the church hall on Wednesday-September 26th for supply work. The October meeting will be held at the home of Mrs. Frank Jeffs with Miss Ruth Linn and Mrs. Ross Jeffs to prepare the programme.

Mrs. Gordon Linn, Supply Secretary, reported fifty-four dollars from the Bake Sale and nine dollars for quilts and thanked all who assisted in any way.

All sang "Lord of the Lands" and read responsively "Give the King Thy Judgments." Mrs. Frank Jeffs introduced "From Lakes to Northern Lights," by Malcolm MacDonald; also "The Home Mission Digest." The first chapter entitled, "A New Day For Home Missions," told of the blending of three denominations in June 1925 so there would be no waste of Missionary resources. The land we serve includes the fisher folk, the miners, the lumber folk, and all of the 14,000,000 people. Quietly our devoted workers all over Canada are weaving Christian culture into our pioneer life.

The five objectives of Home Missions are: (1' To share in giving every christian the priviledge of public worship and christian fellowship; (2) To Minister on every frontier; (3) To strengthen the faith of the people; (4) To unite our population into one of brotherhood and lastly to make Canada christian.

The offering was received and dedicated with "We give thee but thine own." Mrs. Carleton Potts sang, "The Voice of My King." Mrs. Blake Sharp read an item from the Temperance Advocate re individual decisions.

Mrs. Roy Thrasher gave the history of the song, "Brighten the corner where you are," which was written by Mrs. Ina Duley Ogdon and this lady wrote fifty-eight other hymns which are published in "Songs for Service." The group sang this hymn; also "Come Thou Fount of Every Blessing," Since Jesus Came into My Heart," and "He Lifted Me." Mrs. Thrasher read a story about each hymn.

Mrs. Will Potts conducted the devotional on Stewardship and gave a paper based on "Prayer and Thankfulness. She said each one has had personal experiences of God's guidance and she closed with "The First Miracle Jesus Performed." Miss Ruth Linn sang, "Take Time To Be Holy," and Mrs. Ross Jeffs read the Bible Lesson.

Mrs. Charles Bonsteel brought an interesting letter from Miss Millicent House, in Africa, and this was read by Mrs. Percy MacMullen. Gifts of thread, pencils, crayons, pictures, notebooks seeds, songs, ribbon and chintz bags would be greatly appreciated.

The meeting closed with "Lord in the fullness of night," and prayer by Mrs. Bonsteel.

Hello Homemakers! We should be able to add an "s" to squash to remind us of the many varieties of squash. However, it is not too difficult to tell the difference in the eating of summer squash and the winter squash. The early varieties are so delicate in flavor while the later kinds .Acorn and Hubbard) are stronger both in flavor and color.

Some of the summer squash are easily named because of their shape — The Yellow Crookneck, The Button and Vegetable Marrow. Others that are more difficult to label are ones like Zucchini and Cymlings. If you do not know them, take a trip to a market where gardeners can tell you about these interesting species.

### TAKE A TIP

1. To cook summer squash: Take off stem end. Remove large seeds and coarse fibres. Leave in halves, slice or dice. (Paring is not necessary.) Boil halves squash 40 to 60 minutes or boil diced pieces about 15 mins. Or bake summer squash at 350 for about 40 minutes.
2. To open or cut winter squash easily place the whole vegetable in a pre-heated electric oven of 400 degrees until heated through.
3. To cook winter squash cut into serving sizes and free of seeds and fibres.
   (a) Boil 25 to 30 minutes and serve buttered. Or scrape from shell and mash.
   (b) Bake pieces of squash in pre-heated electric oven of 350 degs. about 50 minutes.
4. Seasoning for summer squash may be one of the following: Nutmeg, cayenne pepper, minced onion, chili sauce, cheese, bits of cooked bacon and brown sugar.
5. Additions for baked squash: Fill hollow portion with cooked sausage patties or seasoned lima beans mixed with sour cream and chives.
6. To glaze squash: Pare and parboil pieces for 30 mins. Drain. Place in shalow baking pan. Drizzle over pieces a glazing syrup of ½ cup white sugar, ½ cup brown sugar, ½ cup water and 2 tbsps. butter. Bake in electric over of 350 degrees for 30 minutes, basting frequently with the syrup.
7. Peeling and seeding summer squash is optional. Some people believe that the seeds strengthen the flavour while cooking, others consider the seeds a nuisance to remove from the pulp when it is hot.
8. Our preferred method of cooking squash is in a colander or sieve over boiling water. We sprinkle a teaspoon of salt on prepared serving size pieces. Th kettle is covered as tightly as possible. Since squash is surprisingly watery, it will mash as soon as skins can be removed — and you can see the skins partly separate from the pulp in about 20 minutes. Beat in 1 tablespoon top milk and a pinch of pepper, then serve.
9. Prepare squash for pie filling the same as pumpkin.

### THE QUESTION BOX

Mrs. T. K. asks: How do you serve oyster plant?

Answer: To cook oyster plant or salsify prepare like parsnips. Plunge into cold water with a little lemon juice or vinegar in it to prevent discoloration. Boil inch-cubed pieces in salted water until tender. Serve with a cream sauce.

Mrs. C. B. asks: How do you prevent a sharp acid flavour in stewed green tomatoes?

Answer: Stir the sliced green tomatoes to be sauted with a few sliced onions in butter or bacon dripping. Cook tomatoes slowly until tender then season 2 cups green tomatoes with ½ teaspoon salt, ¼ teaspoon of paprika and ½ teaspoon of curry powder.

Mrs. T. H. asks: Can you cook tops of field turnips as cooked greens?

Answer: It may be a little late in the season now unless you pick the small tender leaves from the centre. Cook as you do cabbage and serve with browned buttered crumbs.

Mrs. H. M. asks. Can you suggest a stuffing for green peppers that can be tossed together in a hurry?

Answer: Blend together canned corned beef and condensed tomato soup to make a stuffing for parboiled sweet peppers. Bake 15 to 20 minutes.

Note: Thank you Mrs. M. for reminding us that carrots are good peeled and grated. Then carrots may be cooked in a little boiling water in 12 minutes.

## Color Foretells The Weather

A new step in making Torontonians color wise was set up recently on the head office of the Canada Life Assurance Company on University Avenue in Toronto.

A steel tower is fitted with beacon lights with small signal lights to proclaim the weather for the coming day.

A Green light will indicate clear weather the next day.

A steady Amber light will tell of cloudy weather, and an intermittent Amber will promise rain.

An intermittent White light will mean a promise of light snow.

Temperature changes are designated by smaller lights below the main beacon which will light upwards for rising temperature; downwards for lower temperature and hold steady for no change. The forecasts are supplied by the meteorological service.

Sometimes in radio forcasts or newspaper "Probs" the weatherman misses a trick. On the new beacon if the forecast is not quite accurate meteorological service will be accused of getting their "signals mixed." The new service, however, will be interesting and colorful. No red is used on the beacon since in this delightful climate, weather is moderate and safe.

Tossing straws in the air to see which way the wind blows, or even watching the glowing colors of a Canadian sunset is really different for the city dweller. The color weather beacon will be an attraction whatever the weather.

## Madoc Grows

According to figures supplied by the Dominion Bureau of Statistics, the village of Madoc has a population of 1229, an increase of 41 over the 1941 Census.

## Traffic Toll Continues Higher

Motor traffic accidents in Ontario killed at least 91 people during the month of August, nine more than the same month a year ago.

This increase in August more than offsets the slight improvement that took place in July when the number killed fell six short of the losses in July of 1950. Now, at the end of August the 1951 traffic toll stands at 566 dead in eight months, 109 more than in the same period last year when 457 were killed.

The young and the old fared worst in August fatal traffic accidents. Among the victims were 13 children compared with seven in August 1950, and 27 people over 55 years old (up from 18).

Comparing the same month this year and last, there were fewer deaths this August from collisions with other vehicles or with bicycles, but more deaths from collisions with pedestrians and with railway trains. Biggest increase for the month was in death's from out-of-control vehicles which left the road or hit fixed objects.

Harry Mannis is one of the two CBC announcers at the Toronto studios who broadcast the National News Bulletin at 10.00 p.m. on the Trans-Canada network. The other is Earl Cameron. Mannis has been doing this job or nearly three years. He finds time for other announcing duties, too, among them "Music from the Films," Saturday nights at 7.30, and "Whispering Strings," Sunday nights at 8.00. He has been in radio since 1946. After a year at the Toronto University and service in the RCAF he auditioned at the CBC's Toronto studios, and was signed up immediately.

## St. Mark's W.A.

The September meeting of St. Mark's W.A., Bonarlaw, was held on Thursday at the home of Mrs. Ira Edwards, with a fairly good attendance.

The meeting opened in the usual manner with the President. Mrs E. Heath in the chair. Mrs. Jason Baker read the Scripture Lesson. The Roll Call, a verse of one of the Psalms was well responded to.

Arrangements were made for the Deanery meeting which will be held early in October in St. Marks' Church, Bonarlaw.

The October meeting will be held on the 4th at the home of Mrs. Ward McInroy. The meeting closed with prayer by Mrs. Heath. A dainty lunch was served by the hostess and a social half hour spent.

## What Others Say!

### BEWARE OF HITCHHIKERS
(Gananoque Reporter)

The prevalence of hitchhikers along the highways seems to have taken a jump this year. During the war most of the people thumbing their way were in uniform, and as a carry-over, the practice, instead of decreasing, appears to be going in the opposite direction.

The experience of a Gananoque man should make motorists more careful of picking up "thumbers." This man is in hospital with a fractured skull, caused by being hit over the head after picking up two soldiers, who are alleged to have slugged him, and left him in his car on a Kingston street.

If as many people begged on the streets for meals, the police would pick them up on a vagrancy charge. Many of these hitchhikers look well able to pay their way on either bus or train, but prefer to stand by the roadside begging rides from passing cars and transports.

We think the government should provide transporation to service men on leave, and order the ones on pleasure jaunts to either pay or stay. The Kings uniform should not have, or be allowed to go begging.

Those kind-hearted motorists who pick people up are risking their lives because a few toughies take such action that will result in motorists generally deciding to beware of hitchhickers.

### CULLING THE LAYING FLOCK

A hen in a flock at the rate of 50 per cent will consume 95 pounds of feed a year; a non-laying bird will consume about 65 pounds of feed a year. This emphasizes the value of culling in lowering the cost of producing a dozen eggs, points out A. P. Piloski, poultryman at the Indian Head Experimental Farm.

Though culling for egg production should begin with the egg and continue through the brooding and rearing period, only the culling of mature birds, or those approaching maturity, will be discussed here.

Pullets should not be allowed to mature and lay on range, so the first culling should be done when the pullets are being housed in the fall. This need not be done at one time, but rather in two or three groups so that birds of one stage of development may be housed together.

At this rate the mature fully developed birds are easy to select. They have bright red combs and wattles and smooth sleek plumage carried close to the body. The abdomen is soft and pliable, the legs and beak show yellow pigment, the birds are in good flesh and are quiet and handle easily. Birds with such deformities as crooked backs, legs or beaks shoud be discarded as well as those showing long narrow skulls, heavy wrinkled faces with overhanging brows or loose feathering about head and body.

Culling should not be limited to the one in the fall, but should continue throughout the laying period. Birds which develop pale or yellowish heads or those which go lame or lose weight should be removed as they may harbour disease or parasites. Birds which spend much time on roosts should be discarded.

Another object of culling is the removal of healthy non-laying hens from the flock. These can be detected after the flock has been in production for six to eight weeks. They will still have a large amount of yellow pigment in their legs and beaks; good producers will have lost all of the colour from their beaks and some from their legs. The vent of the non-producer will be small, puckered and dry, the skin and fat over the abdomen hard, and the spread between the pelvic bones and keel will be small.

Another important point in culling is the time and duration of a moult. The early moulter is usually a poor layer, as is the hen which takes four to six months. Poor producers frequently stop laying in June or July and begin to drop their feathers. They can be noticed by their shrunken, dry, scaly combs.

Preferably broody hens should be taken out of a flock at once, but if retained should be paced in an airy coop with plenty of good feed. If they do not come into production or remain broody,, they should be discarded.

### PREPARING BEE COLONIES FOR WINTER

To "winter" bees successfully is probably the most difficult problem and the important work of the Canadian beekeeper, says M. J. Rowland of the Dominion Experimental Station Kapuskasing. Colonies surviving the winter in good condition will, with proper summer management, yield a good crop of honey. Colonies which are weak in the spring cannot build up to honey gathering strength in time for the main flow.

One prerequiste for good wintering is young queens which will continue laying late into the autumn so that there will be a large number of young vigorous bees to live through the winter and well into the spring season.

As the honey bee is more or less active during the winter, a sufficient suppy of good, well-ripened food is necessary. Each colony should have at least ten standard size combs of fully capped honey or sugar syrup.

At the Dominion Experimental Station at Kapuskasing, Ont., it has been found best to put the bees into wintering cases about September 20th and to start necessary feeding early enough to complete it by October 1st. The bees then have time to thicken and cap the syrup before the temperature drops too low. A larg area of stores remaining uncapped during the winter usually results in the loss of the colony.

The additional protection afforded by the wintering case during feeding enables the bees more easily to maintain the high temperature necessary for ripening and capping the syrup.

If the weather is unusually cold, insulating material such as well dried planer shavings or dry leaves, is put into the wintering cases around the hives for additional protection while the colonies are being fed.

Insulating material to a depth of eight to ten inches is put on top of hives about Mid-November. The walls of the wintering cases are high enough to allow a six-inch air space between the insulation and the cover of the case.

Sufficient ventilation is necessary to allow the moist air, exhaled by the bees to escape. Otherwise, the moisture condenses and causes mildew in the hive. Mildew in the spring indicates insufficient ventilation during the winter.

### CELERY PRECOOLING

Considerable quantities of celery are lost annually, because owing to moisture loss while in storage, wilted, rubbery and otherwise damaged stalks have to be trimmed from the celery head.

Tests made at the Dominion Experimental Substaton at Ste. Clothilde, Quebec, show that much of this loss can be controlled by water precooling. This consists of placing freshly harvested and crated celery in a bath of circulating ice cold water for about twenty mintues. The precooled celery is then placed in storage immediately.

Celery treated in this manner was examined after ten weeks' storage and compared with celery which was placed in storage while still warm. The non-precooled celery required trimming to an extent of about ten pounds whereas the precooled celery required less than one-half a pound per crate in order to produce fresh, crisp, attractive celery heads.

In addition, the actual loss in weight of the celery in storage was reduced by precooling. This amounted to a saving of about five pounds per crate. Thus, the total saving through precooling amount to something in excess of twenty per cent by weight.

The explanation for the reduction of moisture losses by precooling concerns the principles of evaporation, storage experts of the Department of Agriculture say. It is generally known that warm water evaporates more quickly than cold. Celery contains a large proportion of water which can evaporate through the leaves and stalks. Rapid chilling reduces evaporation losses, thus preserving the fresh, crisp condition of the celery in storage.

## Cheese Box Shortage Is Discussed

In an effort to solve the cheese box shortage which is holding up shipment of cheese from many district factories, a committee from the Belleville Cheese Exchange will view a new type fibre board box and make recommendation to the department, it was decided at the weekly cheese exchange meeting.

Discussion on the cheese box shortage was opened by cheese buyer W. R. McCreary who said that there was much criticism but nothing constructive being done to alleviate the shortage.

As result of the box shortage, green uncured boxes are being sent to factories. This, according to Mr. McCreary would only lead to trouble with slimy cheese ends and mould conditions being already noticed on cheese.

A committee of Phil Carr, exchange president, and secretary Fred Mallory, was named with power to add to their numbers. This committee will view both types of cheese boxes and make a recommendation to the exchange.

## Entertained At Christening Party

Mr. and Mrs. Morris Pulver, Prince Edward County, entertained in honor of their daughter, Linda Mae, who was christened at Victoria Church on September 9th. Guests attended the service and then went to the Pulver home where several snapshots were taken and a buffet lunch was served.

Linda wore a white sheer embroidered dress which was her mother's first dress. The front of the church was very attractive with many baskets of colorful gladioli and beautiful fern. Rev. J P. Henderson, who married Morris and Mae, officiated at the ceremony.

Those present included the grandparents, Mrs. L L. Price, of Selby, and Mr. and Mrs. Stanley Brooks, of Melville, and Mr. and Mrs. Herb Pulver, all great grandparents of Linda; grandparents Mr. and Mrs. Gerald Brooks, River Valley; Mr. and Mrs. Melvin Pulver, Rev. and Mrs. Henderson and Murray, Mr. and Mrs. Willoughby Fox, Mr. and Mrs. Ken Green, Ronald and Sandra, Mr. and Mrs. Winston Pulver, Howard and Beverley, Miss Estella Price, Kingston.

She is also the first granddaughter of the late Mr. and Mrs. John Green, of Harold.

## Robert Ivan Clancey Funeral Saturday

Funeral services for the late Robert Ivan Clancey, Toronto, widely known in the oil industry, who was stricken while attending a business meeting on Wednesday and died of a coronary thrombosis, were held at 1.30 p.m. on Saturday. He lived on Bayview Ave. He was born near Stirling, the son of the late Urban Clancey and his wife, the late Eleanor Hall Whitton, the late Mr. and Mrs. C. U. Clancey, and received his education at Albert College, Belleville.

He went to Western Canada in 1905 and was active in the insurance business. He was appointed manager of the Winnipeg branch of National Assurance Co. in 1912 and to a similar position with the Aetna Life Insurance Co. in the early 1920's. For the past 17 years he had been associated with financial interests and oil production in Alberta, with headquarters at Edmonton. He was a member of several clubs.

He is survived by his widow, Mary Hamilton Clancey; two daughters, Mrs. H. V. Paterson and Mrs. S. C. Heatherington and three grandchildren. He is also survived by a brother, Edward, of London, Ont., and two sisters, Mrs. Percy Hubble, of Frankford, and Mrs. Harold Martin, Stirling.

Service was held at the Joseph P. Thompson's Funeral Chapel, Bayview, and was conducted by Rev. John O. Totton, of Richmond Hill, a cousin of the deceased, who brought comforting words based on the theme "Service." He closed his message by reading the deceased's favourite hymn, "My Task."

Interment was in Mount Pleasant Cemetery, Toronto.

## St. Paul's W.A. September Meeting

Mrs. P. Utman was hostess for the September meeting of St. Paul's W.A. and Mrs. Ed. Warren presided, opening with the theme song, followed by prayer. "Blest Be The Tie That Binds," was sung. The minutes of the last meeting were read and approved, and reports given by treasurer, Goodwill Secretary, Parsonage Committee, and Calling Committee. Two dozen tea towels were purchased for the kitchen and bills for towels and flowers for bereaved ordered paid. It was decided to have the usual fowl anniversary supper the Wednesday following Anniversary Sunday and the executive committee to prepare a menu.

Mrs. Volney Richardson presided for the devotional period, which opened by singing hymn 280. Mrs. C. Tucker read the Scripture and Mrs. J. B. Thompson offered prayer. Mrs. Roy Bush was the speaker and gave a very interesting and impressive talk on "Loneliness." Mrs. Richardson made some opening comments on the topic by stressing the loneliness of Christ on the Cross, and Mary his mother at the Crucifix. Mrs. Bush brought home to the listeners the many causes for loneliness, lack of friends, misfortune, sickness, lack of relatives and cures for these causes, such as being unselfish and thinking of many others in worse circumstances than ourselves, not demanding the time of others and giving more of our own time, cheerfulness, preparing ourselves for adversity which comes to us at some time, reading poetry and having a trust and faith in God who is able to give us peace and tranquility in our lives. This talk was interspersed by two solos by Mrs. J. Black and Miss Erma Campbell, "In The Garden" and "Alone."

Hymn 433 was sung and the meeting closed with the benedicton. The October meeting wil be held at the home of Mrs. (Dr.) Cornett, with the Adult Group in charge.

## Official Opening of New Public School To Be Held October 15th

### Routine Matters Occupy The Time of Board Members At Monday's Meeting

Members of the Public School Board in session on Monday night selected Monday, October 15th next, as the date for holding the official opening of the new Public School. A committee composed of Messrs. H. R. Tompkins, R. A. Patterson, and R. E. Fox was appointed to make the necessary plans and complete the arrangements.

Chairman R. E. Fox presided over the meeting and was supported by Messrs. R. A. Patterson, C. I. Hatton, H. Donnan, H. R. Tompkins, and Dr. E. A. Carleton.

C. I. Hatton, chairman of the Property Committee reported that the new school was practically completed. The fill was being put in and a bulldozer was at work completing the levelling process. The site of the flag pole had been discussed with the Architect, who recommended having the pole erected in line with the centre of the sidewalk north of the side entrance Prices on the erection of fencing on the west side of the grounds had not been received from the parties approached. Mr. Hatton also reported the sale of 42 of the seats used in the old school.

On motion of Dr. E. A. Carleton and R. A. Patterson, the Property Committee was instructed to have the flag pole erected on the site proposed by the Architect.

H. R. Tompkins, Chairman of the Teachers' Committee, reported hiring Mrs. C. A. Wells as a supply teacher for 4½ days for Mrs. G. Heath, who was ill.

On motion of Messrs. Hatton and Donnan the purchase of ten additional seats, with ink wells, was authorized.

The following accounts were presented for payment by R. A. Patterson, Chairman of Finance:

Mrs. Wells, supply, $40.50; W. Brooks, $20.00; Joe Irish, 45c; Geo. B. Noble, $25.99; R. Hermiston, $3.49; Hatton Hardware, $105.25.

Mr. Patterson also led in a discussion on the insurance carried on the new school and contents. The placing of a $5,000 policy on the contents with James Wright, local agent, was authorized.

Following the discussion of a number of minor items of business the Board adjourned.

## Garage And Contents Burned

Fire of undetermined origin destroyed a frame garage, together with a 1949 Meteor car and 1938 Ford truck and farm tools at the farm of Wm. Drewry, Harold, in the early hours of Wednesday morning. Both the car and truck had been used Tuesday night and everything appeared in order when the family retired. At approximately 12.30 o'clock Donald Drewry was awakened by the crackling of the flames. Following a general alarm the neighbours quickly gathered and by use of a sprayer pump operated by a gas engine and buckets were able to save the home which was only a short distance from the garage.

No insurance was carried on the building but the contents were partially covered.

## Won Rotary Door Prizes

After a lapse of several weeks during which the holders of the lucky tickets drawn at the Rotary Street Dance failed to claim their prizes. A second drawing was made at the regular meeting of the Rotary Club on Tuesday night. The winner of the first prize, $20.00, was John Solmes, of Springbrook; and the second prize, $10.00, by Fred McDonnell, Stirling.

## Rawdon Council To Meet Oct. 1st

Due to an error it was stated in last week's News-Argus that the next meeting of Rawdon Council would be on October 15th. The next meeting will be on Monday, October 1st. at 1.30 p.m.

Persons having business with the Council are asked to note the date.

## Honoured On 70th Birthday

On the eve of his 70th birthday, September 25th, neighbours of Mr. George Merrick gathered at his home Monday evening adn tendered him a delightful surprise party. These parties are a tradition in this neighbourhood as for several years folks attaining their seventieth birthday have been honoured including Mr. and Mrs. Frank Bailey, Mrs. George Merrick and the late Hector Whitton.

The guests beside the neighbours included Mr. Merrick's sister, Mrs. John Bateman and Mr. Bateman, of Belleville.

Mr. Bob Hoard was master of ceremonies and expressed birthday felicitations. Two readings were given by Mrs. Frank Bailey and Mrs. Harvey Couch. Master Hughie Hoard delighted with a musical number and he and his sister, Norma, gave a vocal duet. Miss Dinna McAdam and her brother, Freddie also contributed a duet.

Mr. Archie Bailey read the address of appreciation and Mr. Harry McAdam made the presentation of a hassock with Dunlopillo cushion top. Mr. Merrick very graciously expressed thanks to all his kind neighbours and the group sang, "For He's A Jolly Good Fellow." Mrs. Bob Hoard, Mrs. Harry McAdam and Mrs. Archie Bailey conducted several games which the group found very interesting.

Refreshments were served, topped off with a birthday cake adorned with seventy candles and homemade ice cream. The cake and ice cream were made and served by Mrs. Oscar Merrick.

## RALPH CAMPBELL LECTURER AT O.A.C., GUELPH

President J. D. MacLachlan of the Ontario Agricultural College, Guelph, announces the appointment of Mr. D. R. Campbell as Lecturer in the Department of Agricultural Economics at the O.A.C.

Born on a farm near Foxboro in Hastings County 32 years ago, Mr. Campbell attended Stirling High School and was active in the Farm Forum and Federation of Agriculture movements in his county before enlisting in the R.C.A.F. in 1942, where he served for three years, winning a D.F.C. and Bar. He entered the University of Toronto in 1946, and in 1949 graduated with Honours in Political Science and Economics, winning six scholarships, including a Rhodes Scholarship. The latter prize enabled him to spend two years at Balliol College, Oxford, from which he graduated in July of this year with his B.A. (Honours) Degree.

## Presentation

Mr. and Mrs. A. V. Greenley entertained the staff of the Bank of Montreal on Friday evening in honour of Miss Lorraine Gravers, who has resigned to be married. Following a dinner the bride-to-be was presented with a gift by Mr. Greenley on behalf of the staff.

## MR. AND MRS. G. DESJARDINS WERE GUESTS OF HONOUR

Mr. and Mrs. John McInroy entertained a number of relatives on Saturday evening in honour of Mr. and Mrs. Gerald Desjardins, newly-weds. Mr. Harold Thompson was chairman for the programme.

Readings were given by Mrs. Wallace McInroy and Mrs. Harold Thompson. Miss Beverley McInroy gave a solo. Piano and mouth organ selection were contributed by Mrs. Goldie McInroy and Mr. Harold Thompson. A quartette composed of Goldie McInroy, John Wallace, John McInroy and H. Thompson gave a couple of numbers.

Mrs. John Wallace read the special address and the newly weds were presented with many useful gifts for which they both voiced their appreciation. A dainty lunch brought this delightful evening to a close.

Mr. and Mrs. Desjardins are taking up residence in Belleville.

Mr. and Mrs. Joe Irish, local Cub leaders, attended a district Leader's School in Cobourg on Saturday and Sunday.

## Transmission Tests Made At Tower On J. Gallivan Farm, Oak Hills

Transmission tests are being conducted near Stirling this week on a prospective site for a radio-relay station in the Bell Telephone's projected new Buffalo-Toronto-Montreal microwave system.

The radio-relay network will provide additional long distance telephone circuits between Toronto, Ottawa and Montreal. It will also deliver television programs to broadcasting stations being built by the Canadian Broadcasting Corporation in Toronto and Montreal.

A temporary tower was erected for the tests on the prospective site, which is about three miles east of Stirling on the Gallivan farm, according to G. W. Proctor, Bell Telephone manager for this region.

Transmission is being tested between Stirling and the next prospective sites along the proposed route. Similar test towers were erected on these sites. One is near Enterprise, which is about 30 miles east of Stirling, and the other is near Hastings, which is about 25 miles west of Stirling.

Microwave signals are beamed between the towers. Each tower has a saucer-like antenna that can be moved up and down the tower so that the tests can be conducted at various heights.

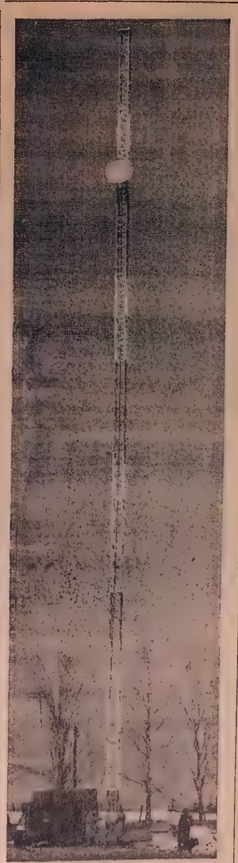
The entire installations are portable. The transmitting and receiving equipment is housed in trucks. The towers, which are made up of eight-foot sections and can be erected or dismantled in a few hours, also are transported from site to site in trucks.

Permanent towers will be erected on the Stirling, Enterprise and Hastings sites if the tests prove satisfactory.

In all, about 12 permanent relay stations will be required for the Toronto-Montreal section of the network, in addition to terminal stations in the two cities. The relay stations will be located anywhere from about 15 to 35 miles apart, depending on the transmission problems to be overcome.

The telephone conversations or television programs will be carried over the network by microwave transmission. The microwaves will be focused into a narrow beam by special antennae and relayed instanteously from station to station. High-gain amplifiers at each station will give the signals a million-fold boost before they take off for the next relay point.

Each permanent relay station will have two receiving and two transmitting [illegible], mounted on a steel



tower. The towers will range in height from about 50 to 225 feet, depending on what obstructions are to be cleared to obtain a line-of-sight path to the next station.

The Buffalo-Toronto section of the network is scheduled to be in operation by the time that television broadcasting is inaugurated in Toronto next year. The Toronto-Montreal section is planned for completion in 1953.

## Re-Elected To Executive of Postmasters' Assoc.

W. J. Barlow, Bonarlaw's genial merchant and postmaster, was re-elected to the Executive of the Postmasters' Association for his third term at the annual convention held in the King Edward Hotel last week.

Those from this district who attended the convention were Mr. and Mrs. Fred Houchin, of this Village; Mr. and Mrs. W. J. Barlow, Bonarlaw; Mrs. H. Mumby, of Springbrook; and Mr. and Mrs. Arnold Stickle, of Frankford, the former being the postmaster at Batawa.

## Honoured On 19th Anniversary

A number of friends and relatives gathered at the home of Mr. and Mrs. Jack Sleeper, Front St., on Friday night to honour them on the occasion of their nineteenth wedding anniversary. A mock wedding was staged and the honoured couple were presented with numerous gifts. Dainty refreshments were served and a social hour brought the happy evening to a close.

## Injured By Boar

Stan Williams, Stirling, R.R. 3, received painful injuries on Monday at the Community Auction at Hoard's when his left leg was slashed by the tusks of a large boar. Only the prompt action by Don McArthur, who applied a tourniquet, saved him from bleeding to death. Dr. Baker, of Campbellford, treated the injured man and he was taken to Campbellford Hospital.

## Aboard H.M.C.S. "New Liskeard"

Ross writes that fishing is good — the lads having landed several mackeral sharks, the largest was twelve feet long and very beautiful. Bright royal blue on the back with gleaming white underneath. The skin is smooth and leathery and about one-half inch thick. The teeth are small and pointed, fitting together like a jig saw puzzle.

## On Marmora L.O.L. Program

Rt. Wor. Bro. Fred Bateman, of Stirling, Grand Master of the Orange Lodge of Ontario East, was among the speakers at the 100th Anniversary Celebration held by Marmora Orange Lodge, No.319, on Friday night last.

Mrs. Burton Woodbeck and Mr. X. P. Mayhew, also of this village, contributed vocal selections on the programme.

Rt. Wor. Bro. Bateman also attended the 61st Anniversary Celebration of Frankford L.O.L., No. 206, on Monday night.

## Mr. and Mrs. James Hoard Honoured

On Tuesday evening, September 25th a large number of community friends gathered at Mount Pleasant Church Hall in honour of Mr. and Mrs. James Hoard. Rev. R. R. Bonsteel acted as chairman and Mrs. Marguerite McMullen and Mrs. Carleton Potts conducted the community singing.

Readings were given by Mrs. Harry McAdam, Mrs. Percy MacMullen, Mrs. Herbert Smith, Mrs. Harvey Couch and Mr. Alex Park. Duets were given by Ina and George Scott and Mr. and Mrs. Eric Summers. A vocal selection was also given by Mrs. Will Jeffs, "Oh Promise Me."

The address of appreciation was read by Mr. Kenneth Weaver and the presentation of a purse of folding money was made by Mrs. Ross Jeffs. James and Mary both made a gracious reply after which refreshments were served.

## Splendid Program At W.I. Meeting

### Mrs. Perry Bronson Is Chosen Delegate To Area Convention In Belleville

The September meeting of Stirling W.I. was held in the Community Hall on Thursday evening. The President opened the meeting with all singing the Ode and repeating the Lord's Prayer and the Mary Stewart Collect.

The roll call "How to hold my neighbour's respect," was answered with worthy replies such as treat your neighbours as your best friends; being truthful, not saying unfavourable things when they aren't present to hear. In order to have a good neighbour you must be a good neighbour, with following the golden rule, "Do unto others as you would have them do unto you."

At this point the President drew the attention to the article printed under the crest, "Remember the kind word unspoken can never help anyone." Mrs. Bronson thanked Mrs. W. H. Cooke, Mrs. S. McMurray and Mrs. S. Kirkey for assisting with the refreshments for the Achievement Day. Thanks were also expressed to Mrs. McMurray, the Secretary, as everything asked to be done was carried out most willingly.

The minutes of the pevious meeting and the executive meeting were given by the Secretary and approved. Bills and correspondence were dealt with. A donation was given to the Blind Society by request of Mrs. F. Houchin.

Mrs. E. Cooke was chosen the Convenor for the visiting committee for three months.

Arrangements were made for coming events with a head for each committee including Mrs. S. McMurray, Mrs. E .Cooke, Mrs. L. Rodgers, Mrs. W. H. Cooke, Mrs. W. C. West and Mrs. Ken McMurray. Delegate to Belleville Area Convention, October 18th and 19th will be Mrs P. Bronson.

Special arrangements for Armistice Day were made to remember our boys.

Taking a bus trip this year was voted down and fuller plans will be made next year.

Mrs. A. Stevenson was chairlady for the evening's programme. A well prepared and presented paper was given by Mrs. Stevenson on "Education," bringing out the facts of advanced farming through research and analysis of soil. The searching for better and advanced education makes the brain always alert to grasp still more knowledge. Research work in education was slow in showing to the world its progress but was constantly in the making of bigger and better education.

A debate "Resolved that Education was a better teacher than experience" was taken by Mrs. L. Rodgers, affirmative, and Mrs. Alfred Lake, negative. This debate brought to light many wise points for discussion. Mrs. Rodgers held her listeners with the question of the education of doctors, nurses, pilots and navy men, printers, contractors, farming; while Mrs. Lake brought in the idea that babies

# Frieda Matthews, Former Stirling Girl, To Lead Discussion At W.M.S.

The Annual Meeting of the Women's Missionary Society, W.D., of The Presbyterian Church in Canada opened Tuesday, September 25th in First Presbyterian Church, Regina. Seventy-five delegates from Victoria to Quebec attended to hear recent developments in mission work and to legislate for future advances.

First Church, Regina, is the church of the Moderator of the General Assembly, Reverend Norman D. Kennedy, M.A., M.C. Mr. Kennedy will lead the devotional service each day.

Three areas of overseas missions will be seen through the eyes of men and women recently returned from the fields: "British Guiana" will be the topic of an address given by the Rev. W. A. Cameron, D.D., Secretary for Foreign Missions — General Board of Missions. Dr. Cameron spent some time in British Guiana last winter and will speak of the place of the Church in that land emphasizing the particular influence the Presbyterian Church effects through the direction of several schools.

Miss Ellen Douglas, missionary from India, and Miss Isabel Taylor, A.T.C.M., from Taiwan (Formosa) will tell of their respective fields.

There will be much of interest to hear and discuss on the home mission front. Girls who have driven missionary vans during the summer in three areas of Canada's Northwest, will be on hand to report their adventures.

Changing times in our land are reflected in new responsibilities the Church must take at home. Indian and Chinese work in Canada are examples of great new work to be accomplished. Delegates will hear about high school students attending the Birtle, Manitoba, residential school. They will hear how the Chinese people come to Canada and find the Church a great help as they make their homes in a new land.

World events have a great bearing upon the work of a missionary society, As material progress reaches into all corners of the earth — the Church must keep step with new methods, new materials to send the knowledge of Jesus Christ to all the world. Miss Laura K. Pelton, and Miss Frieda E. Mattews, Executive Secretaries for overseas and home missions, respectively, will lead discussions on these new trends, as they present their departments to the meeting.

It will be a busy four days of meetings. Each day will have three sessions — but the whole work of the Society will be on review, as the Presbyterian Women's Missionary Society seeks to do its share in world missions.

## In Hymen's Bonds

RIDER — PRESTON

St. Anne's Church, Walpole, was the scene of a quiet early fall wedding on Saturday, September fifteenth, when Shirley Madeline Preston, daughter of Mr. and Mrs. Harry Preston, Crookston, became the bride of John Nicholas Rider, son of Mr. and Mrs. N. J. Rider, of Jarvis. Rev. P. J. Bodendistil officiated.

The church was decorated with roses and gladioli and the pews were marked with nosegays of pink roses

The wedding music was played by Miss Joan Hayes, of Hamilton, and Mr. Donald Dunn, of Hamilton. sang, "On This Day Oh Beautiful Mother," and "Ave Maria" before the ceremony and "Mother Beloved" during the signing of the register.

Given in marriage by her father, the bride looked charming in a floor-length gown made with a full nylon net skirt over satin with a fitted bodice ending in long points over her wrists. Her fingertip veil was held in place by a coronet of seed pearls and rhinestones. She carried a bouquet of red roses and white baby mums.

Attending the bride as maid of honour, was her sister, Miss Bernice Preston, of Peterborough. She wore ice blue taffeta with matching headdress and gloves. She carried a bouquet of pink roses and mauve mums.

Miss Marian Devine, of Jarvis, was bridesmaid in yellow corded silk with talisman roses and mauve mums.

Groomsman was Arnold Kelly, of Toronto, and Bernard Devine, Jarvis, was usher.

The reception was held at Ruth's Wayside Inn, Simcoe, where a dinner was served to thirty-five guests.

The bride's mother received in grey crepe with black accessories and a corsage of pink carnations. She was assisted by the groom's mother in blue crepe with grey accessories and a corsage of pink carnations.

After the reception the bride and groom left for a honeymoon through the States. For travelling the bride chose a grey gabardine suit with black and pink accessories and a corsage of pink rosebuds.

On their return the happy couple will reside in Toronto.

## Hastings County Woodlot Contest

The contest being sponsored by Hastings County Council to name the Woodlot of the Year Award winner is reported by the Secretary to be receiving good support from the farmers of Hastings County.

Ten entries were required in order that the contest would take place this year, and to date, double this number have been received.

The members of the County Council are backing this project with the hope that the selecting of the best managed woodlot will encourage others to take more interest in this important crop, which is produced on non-agricultural land.

Good prizes are being offered, with $50.00 to the Award winner, and two additional prizes of $30.00 and $20.00.

Although sufficient entries have now been received the Agricultural and Reforestration Committee of the County Council are anxious that as many as possible should enter their woodlots.

Judging will be carried out during the latter part of October with local men acting as judges. Entries are to be sent in to the Competition Secretary, Mr. W. E. Edwards, Box 299, Napanee, before September 30th. No entry form is required, but it is requested that you include your Township, Lot and Concession number when you send in your entry.

## Ontario Honey Quality Excellent

Consumers of honey in Ontario will be able to satisfy their requirements with excellent Ontario honey this year, according to Herman Tiessen, Supervising Inspector of Honey Grading for the Ontario Department of Agriculture. He states that the best indication of the high quality of the 1951 honey crop in Ontario is to be found in the fact that Ontario producers took all the first prizes in the honey exhibits at the Canadian National Exhibition. This was the best showing that Ontario producers have every made at either the Canadian National Exhibition or the Royal Winter Fair.

In the course of his work Mr. Triessen has occasion to visit beekeepers all over the Province and he estimates the Ontario crop this year as slightly above average in quantity. Quality of this year's honey, however, is excellent. So far as the Canadian honey crop is concerned, he understands that production in Western Canada is down somewhat from last year with the result that production from the Dominion will be slightly lower than last year. However, he hastens to add that the good crop of high quality honey in Ontario this year should assure Ontario consumers of their supplies.

## Steer Weighs 2,450 Brings $661.50

A whopping roan steer, age between seven and 17 years, weighed in at 2,450 pounds at an Edmonton packing plant last week and brought his seller $661.50. He sold for 27 cents a pound.

Dressing out at 59 per cent the big steer yielded 1,448 pounds of beef.

Marketing Service, Canada Department of Agriculture reporting the sale said the steer was raised by a hermit living west of Pigeon Lake, Alta., toward the foothills.

## Home Economics At The Kemptville Agric. School

Graduates of the Home Economics Course at Kemptville Agricultural School have found employment in many fields, and at the same time have gained knowledge which has proven very helpful to the girls who returned to the home farm or established their own homes. This comment comes from Miss Ruth B. Rorke, Director of Home Economics at the Kemptville School.

She says that a survey of graduates from the School has shown that the girls particularly interested in the preparation of food have, after graduating, found opportunities for positions or supervisors in small institutions, such as residences and dining halls, as well as in certain types of commercial food service. In this latter field she points out that tourist resorts open a wide field of opportunity for girls with Home Economics training. At the same time it offers them a chance to contribute to and improve one of Ontario's important industries — the tourist trade.

For those interested in sewing, there are also excellent opportunities for making profitable use of their training. Some former graduates have done well in the work of giving group instruction at sewing centres, while others have developed their own independent business of making and selling handicrafts. Still others with a flair for writing have found their training in Home Economics helped greatly in the preparation of articles for newspapers and magazines.

Generally, the girls who have gone into these fields have taken the two-year course which is offered at the school. However, Miss Rorke points out a one-year Homemaker Course is also offered. It is aimed primarily toward teaching improved methods of housekeeping and home-making for those who are keeping house on the home farm or who will be establishing their own homes. This one-year course has also proven to be popular as a preliminary to training for the nursing profession.

With a school term running from October 10th to April 9th, the girls have six months of the year to either help at home or to take summer jobs which will help raise the funds for the second year, and at the same time give them valuable experience for the work they want to take up after graduation.

Living in residence, the girls have the advantage of meeting many others, and of learning to work and live together. At the same time the fees are kept to a minimum with the cost for the school year, including fees, board, and room amounting to about $250.00. Since the number which can be accommodated is limited, she suggests that girls interested in taking the course this year should apply immediately, or write to her for further information at the Kemptville Agricultural School, Kemptville, Ontario.

WHAT YOU LOOK FOR IN THE
TRACTOR
YOU PURCHASE

For complete satisfaction when you buy a tractor you consider the ability of the tractor to help you in three ways:

1. In terms of production, profit and economy
2. In terms of a better farm plant
3. And, in terms of your own health and energy

The first consideration is the original price, number of jobs the tractor will do, the speed at which you can do them including the time for getting on to the jobs, the operating and maintenance costs, expected life, and resale value.

The next consideration is what the tractor will do for you in maintenance and improvement of the farm to increase its profit-making ability and give you a better place to live.

Another consideration is what the tractor can do to eliminate "hard work" and drudgery. The "man-saving" features mean much to you and your family — in terms of a better farm life.

## St. Paul's-Carmel Items of Interest

(By Rev. A. E. Baker, U.E.)

All roads will lead to Carmel next Sunday when the 76th Anniversary of the building of the brick church will be observed. The auditorium has been painted and inscribed and a new ceiling placed in the church.

Rev. Bert Howard, D.D., Principal and Headmaster of Albert College, will be the guest speaker. The Albert College choir under Mr. J. H. Mackay, will sing at the evening service. The Carmel Anniversary Choir will sing in the morning.

St. Paul's, Stirling, will hold Sunday School at 10 a.m. next Sunday as usual, but will adjourn at 10.45 a.m. so that the entire congregation can participate in the Carmel Anniversary. All members and friends with cars are invited to be at St. Paul's at 10.45 to help provide additional transportation Messrs. H. C. Bird, W. T. Elliott, C. I. Hatton, C. E. Macklin, H. C. Pitcher and H. J. Wells have kindly consented to provide transportation for the Albert College Choir, leaving Belleville at 6 p.m.

Albert College has a full enrolment this year with students from many parts of the world including a party from South America.

The Carmel Board of Management is asking for a special Anniversary Offering of $400.00 A hot chicken dinner will form a part of the observance on Tuesday, October 2nd, when the Belleville Salvation Army Band under Major Honeychurch will be in attendance.

**Remembrance Day**

Word has been received from the Minister of National Defence advising that a detachment of fifty men and two trumpeters from the R.C.A.F. Trenton will attend the special evening service on Sunday, November 11th at 7.30 p.m. when the marble honour roll will be dedicated to those of St. Paul's who made the Supreme Sacrifice in two world wars.

**Commendations**

To the Stirling Agricultural Society for its spacious grounds and excellent airy hall used for the display of numerous exhibits and to all who so carefully arranged them.

To the County Engineers for improvements to the James St. bridge.

To the Rawdon Township Council who advise they have not forgotten the Carmel little Cemetery Road.

To the Boy Scouts and the Cubs for their attractive display at the Fair and to our schools sending in such a splendid quantity and quality of work.

To Messrs. Sandercock and Follwell, members of parliament, who were only outnumbered by United Church Clergymen from Springbrook, Rawdon and Stirling Charges. It is good to see our leaders taking a personal interest in all worthy public events.

To boys of the Junior Calf Club who beamed as they led their attractive entries for inspection by the judges.

To the home-makers whose exhibits indicated a wealth of talent and interest with both needle and rolling pin, department of domestic life, even if home-made bread entries were a bit scarce.

To the good natured attendants and judges who had little occasion to use their identifying walking sticks.

To the general public who made it a holiday for a large battery of uniformed policemen.

zThanks to the committee responsible for the restoration of the Stirling Welcome Sign on Highway No. 14.

We commend the Chatterton Women's Institute for the erection of a birdbath war memorial at Turner's School, Sidney Township. Steps should be taken to see that water is placed regularly in it. The care of the surrounding flower bed can make it an attractive corner and provide an excellent pupil project.

For the efforts of the Stirling Public School Board to complete the establishment of the new school. Many problems have confronted the Board and some are still to be faced. The General Public should have patience and in due time doubtless every problem will be solved. As we understand it our Trustees freely give of their time and experience in the interest of our children. Let us support them in their every wise endeavour to serve our children.

To the Hon. Alphonse Fournier, K.C., Minister of Public Works, who has promised to improve the Post Office driveway this fall.

• • •

**Recommendations**

That our municipal authorities avail themselves of the opportunity afforded to fyle briefs or recommendations before the Provincial special Municipal Parliamentary Committee as advertised before December 31st.

To our Stirling Fair Board to provide for the display of pupils exhibits especially those of prize winners with the names of such indicated after judging has been completed.

That some effort be made to arrange a greater distance between the grandstand and the bandstand so that singers, instrumentalists, etc., will enjoy a more favourable environment.

That a build-up be undertaken for a second building suitable for poultry, pets, and perhaps younger livestock.

Judging from public interest the value of racing be studied in reference to the purses paid. Perhaps a series of athletic events would produce a greater interest with much less expense. Otherwise more spirit must be engendered to maintain this traditional Fall Fair attraction.

That a dependable "merry-go-round" at least be secured for the children.

• • •

**Our Church Prayer**

"God make the door of this house we have raised to Thee wide enough to receive all who need human love, fellowship and the Father's care, and narrow enough to shut out envy, pride and hate. Make its threshold smooth enough to be no stumbling block to children or straying feet, but rugged and strong enough to turn back the tempter's power. God make the door of this house the gateway to Thy Eternal Kingdom."

**Temperance Federation**

Rev. Harold E. Wellwood, Toronto, and father of Mrs. W. A. Campbell, Belleville, ably presented the work of the Ontario Temperance Federation at St. Paul's and Carmel Churches last Sunday.

With the proximity of the opening of the new Public School in Stirling, it is interesting to read the following entitled, "The Early School Days of Stirling," by Henry Bettys, Ozawkie, Kan., March 28th, 1903, and kindly furnished by Mrs. Roy Bush.

"In 1842 the only school house in what is now called Stirling (but then Rawdon) was the Weese School House in the western part of Stirling. The school was used also for preaching and revivals by the Methodist Episcopals, Wesleyans and occasionally by the Baptists. In the summer of 1842 Robert Sharp taught a summer school there. In 1843. Miss Grace Brown taught a summer school in one room of Dr. Young's house, it was near the saw mill. The names of the scholars were: Jane Young, William Young, Edward Potts, Jas. Potts, Agnes Parker, Mary Parker, Catharine Parker, Wm. Parker, Frank Parker, Robert Parker, Royal Wright, Janet Fidlar, Charlotte Fidlar, Jas. Fidlar." (The rest of the paper is missing.)

• • •

**Oldest Living Pupil**

It is rather difficult in the absence of records to identify the oldest living pupils of the Stirling Public School. Our enquiries would indicate that Mrs. Georgina (Ned.) Parker, of Victoria Street, who attended the school which was located on the property now occupied by Thomas McConnell is the oldest resident pupil and the father of the minister of St. Paul's, Stirling, the oldest living pupil. He was born on Front St., in September 1855 on the property now occupied by Dr. Carleton.

• • •

**Parsonage Gifts**

Among recent gifts not previously acknowledged we record those from Mr. Wm. Aylesworth (tray of comb honey); Mr. and Mrs. Vernon Matthews (tomatoes and corn); Mrs. Walter Warren (apples); Mr. Jack Bush (clear honey); and Mrs. Burton Morton (apples).

All surplus gifts received at the Harvest Home were given to the Salvation Army, Belleville, except the pumpkins so generously supplied by Mr. Roy Tucker. These will be made available to the Stirling School for Hallowe'en celebrations. Our thanks to each and all.

• • •

**Pensions At Seventy**

The Hon. Paul Martin, Minister of National Health and Welfare has addressed all ministers inviting their assistance and co-operation in rendering help to all aged persons so desiring it in the preparation of their applications for the old age security benefits.

The clergymen of Stirling and the district generally will be most happy to comply with this request.

• • •

The St. Paul's Choir was royally treated at the home of Mr. and Mrs. Wickens before their return to Stirling last Sunday night.

• • •

St. Paul's Choir have been invited to furnish the special praise for a great service and "Fireside" to be held Sunday evening, October 14th, at the Salvation Army Citadel in Belleville.

• • •

Special prayers were offered for the King and all sick folk by the minister of St. Paul's last Sunday.

• • •

We have good reports from Mrs. Maurice Bell, recovering from a serious operation at Belleville, and Mrs. Delbert Fleming, Kingston General Hospital. Our prayers follow them.

• • •

**Records**

Among missing historical records are those of the opening of the stage service in early days. The earliest records held by the Post Office Dept. at Ottawa only date from 1855.

The Marmora and Stirling contractor was John Fidlar. He made two trips per week for thirty two pounds Sterling a year (1855).

The Belleville-Stirling contractor was Patrick Hughes who made 6 trips per week for twenty nine pounds Stirling a year (1855).

Perhaps some reader of the News-Argus has earlier records of this mail delivery service?

**Hastings County**

By statute of 1793 Town Meetings were held annually by freeholders to elect a moderator, clerk, constables, pathmasters, pound keepers, fence viewers and others. The incorporation of Districts was permitted under the District Council Act of 1841. The Baldwin Act of 1849 permitted the incorporation of townships, towns, counties and cities.

The County of Hastings was defined in 1792 when it formed a part of the Midland District. This continued until 1839 when it became part of Victoria District. In 1849 Victoria District was abolished and Hastings County set up its own organization.

## County Underwrites High School Debentures

County Council passed the by-law to underwrite debentures amounting to $40,000 for the Centre Hastings High School Area, and also paved the way for introduction of a similar by-law to sell debentures for Tweed village to pay the cost of a High School addition there. Reeve T. C. Graham pointed out the County could sell debentures at a more favorable interest rate than could his village. The amount of the debenture issue would be $150,000; all costs to be paid by the Centre Hastings High School district.

The by-law will be prepared for presentation at the December session of County Council.

## Roscoe Robson Candidate In East Hastings

With predictions of an Ontario election this autumn interest locally has commenced to simmer and the present member Roscoe Robson MPP for Hastings East, has announced that he will be a candidate for the Progressive Conservative nomination.

Other prominent party men have also been mentioned as possible aspirants for the Conservative nomination in the East Hastings riding. The names include Dr. S. R. Beatty, of Madoc; Ex-Warden Arthur McCarey, of Tweed; Reeve T. C. Graham, of Tweed, and Warden Harry Coulter.

To date no announcement has been forthcoming concerning Hastings West. However, it is presumed that E. Sandercock will again be a candidate.

**Endeavor's Class**

The Endeavor's Class held their September meeting at the home of Mr. and Mrs. Philip Carr on Thursday evening, with a good attedance of members present.

A group of young people from the Baptist Church, Norwood, came down and furnished a most inspiring spiritual programme. Mr. Oliver Clements presided and following the worship service Mr. W. Bingham led in the singing of some choruses. Mrs. E. Brummell gave a reading. Mr. R. Petterson contributed a flute solo. Bernice Scott supervised a sword drill. A panel discussion with Mr. W. Bingham representing a christian and Mr. Philip Carr representing a wordly man proved interesting.

Mrs. A. Sedgwick was the guest speaker and brought a most helpful message. Rev. Morley Clarke closed the meeting with prayer. Arthur Wilson voiced the appreciation of the Class to the visiting group, of which over thirty were present. Mr. Clarke also added his appreciation. Mr. and Mrs. Carr also were thanked for opening their home.

At the close lunch was served by Mrs. Carr and assistants

Mrs. Frank Stapley, of Stirling, was an overnight guest of Mrs. Philip Carr on Thursday.

Arthur Wilson had charge of the morning service in Trinity United Church, Madoc, on Sunday morning.

Mr. and Mrs. Alex McCurdy attended Church service at the Church of the Open Bible in Peterboro on Sunday and were guests of Mr. and Mrs. Cooper, of Peterboro.

Mr. Herb Burke was guest speaker at the United Church Sunday School at Foxboro for their Rally Day Service and was a dinner guest of Mr. and Mrs. Lorne Brough.

Mrs. Fred Barlow and Mr. and Mrs. William Barlow were Friday guests of Mr. and Mrs. Foster Wilson.

Mr. and Mrs. Goldie McInroy entertained on Sunday Miss Marilyn Spencer, Mr. H. Moore, Mr. A. Southworth, Mr. H. Slingerland, Mr. E. Wallace, and Mr. F. Terry, all of Frankford. This group were assisting with the special music for the Beulah Anniversary Services.

Mrs. Harry Dafoe is spending a few days visiting with her sisters Mrs. W. J. Fitchett and Miss Bessie Hollinger.

Mrs. W. Seeley, of Ivanhoe, was a week-end guest of Miss Sarah Wilson.

Mr. and Mrs. William Fitchett and Marilyn were tea hour guests on Sunday evening of Mr. and Mrs. Joe Hollinger, of Foxoboro.

Mrs. Harry Dafoe and Miss Bessie Hollinger were Sunday guests of Mr. and Mrs. Clifford Wilson, of Foxboro.

Hello Homemakers! Did you attend the Canadian National Exhibition? If so, how much did you see in one day? We joined the crowd who heard Mrs. Eleanor Roosevelt and must have been inspired by the stamina of that great humanitarian who is known the world over for "My Day." Here are glimpses of a few of the manufacturers' themes which may be of interest to the busy homemaker.

1. There are electric dryers with controlled heat, with or without fans, with or without time controls which have been approved for safety.
2. The food chopper attachment which has an additional power unit for an electric food mixer was being demonstrated.
3. A series of nursery rhymes made a meat and shortening demonstration memorable in regard to the various ways to prepare meat.
4. When we listened to a pleasant voice while holding a receiver to our ear we learned of the tremendous job of providing today's telephone service, yet a new telephone is being installed in Canada every 75 seconds during every working hour.
5. When we heard the gigantic rumble of Niagara Falls and saw the mist rising we could visualize more electricity in the future as the commentator explained construction of a new hydro power station.
6. New designs in dishes by Canadian potters are traditional yet conventional. The colours and artwork will look well in both the formal and informal setting.
7. In the Australian exhibit we saw glass jars of canned whole pineapple and also canned raw bananas.
8. The New Zealanders were talking about their canned melons which tasted like fresh cantaloupe.
9. Another exhibitor provided a sample of fresh cocoanut milk which will soon be available in our stores.
10. All the fruit juice stands reminded you of Coney Island, except that you could purchase can of fresh or frozen juice to take home.
11. Everyone who visited "Design for Living" spent considerable time among the collection of modern rooms decorated with home furnishings and appliances made by Canadian manufacturers.
12. Kitchen units for counter and wall cupboards fitted into every style of home. They were made of steel or plywood with many added features such as spice shelves, revolving shelves, bread boxes, towel bars, cup racks and so on.
13. At least eight manufacturers displayed a home freezer. We believe this equipment is now on every budget list of a rural homemaker. The demonstrators at the C.N.E. proved the value of the home freezer.
14. A timely display regarding the cooking of meats explained how to get the most servings per pound. One roast cooked at a high temperature looked shrivelled and dry beside a similar cut of meat cooked at a constant even temperature which was large and tempting-to-eat.
15. Knives were being sold at every kitchen gadget booth. Although there seemed to be a wide selection of knives we noticed women buying knives with the shank stuck into a wooden handle in preference to the more durable type of handle which
16. Points on using navy (white) beans were being advertised as an economical supper dish. We shall list the hints here: Pick over white beans and wash thoroughly. Soak in cold water to cover (use 3 cups water to 1 cup beans) overnight. If possible, use soft water. Drain off the soft water and cook beans in fresh salted water at simmering point. For good flavour, season beans well.

**Baked Beans**

2 cups white (navy) beans
¼ lb. pork fat
3 tbsps. brown sugar
3 tbsps. molasses
1½ tsps. salt
½ tsp. dry mustard
¼ cup minced onion
2 tbsps. catsup
2½ cups water

With pressure saucepan: Soak beans, in water to cover, overnight. Drain and place in bottom of pressure saucepan with other ingredients. Cook at 15 lbs. pressure for 50 mins. Makes about six cups.

**Braised Short Ribs**
(An economical meat)

Brown pieces of short ribs in a skillet with a little fat; (Do not cover to brown). Then add tomato juice to almost cover the meat and cover the pan. Cook in a preheated electric oven of 325 degrees for 2 hours. Time of cooking will vary depending upon the thickness of the meat.

## Gold Medal Winners At Inter. Plowing Match To Receive Trip

All expense paid overseas trips and gold medals for winners in both horse and tractor Esso Champions classes again head a heavy list of prizes offered for competition at this year's International Plowing Match, W. R. Bullick, president of the Ontario Plowmen's Association, sponsors of the big annual farmer's classic, announced today.

The 1951 International is being held near Woodstock, Oxford County, on the farms of John Hargreaves and neighbours October 9th, 10th, 11th and 12th. The official opening takes place October 10th when the Hon. Thomas L. Kennedy, Ontario Minister of Agriculture, is guest of honor at a special ceremony. Prime Minister Louis St. Laurent will be the guest speaker at a banquet in the Woodstock Arena on the 12th when prizes will be awarded.

During their all expense paid trips to the United Kingdom as guests of Imperial Oil, the champion plowmen will take part in a number of Old Country Plowing Matches, visit outstanding farms and livestock stations and see many historic sites and places of interest. They will be accompanied by a team manager appointed by the Ontario Plowmen's Association. The tour will take about a month and includes a short stay in New York City and possibly some countries on the continent.

Second prize winners in the Trans-Atlantic classes will each receive a silver medal and $150 in cash. Twelve other cash prizes will be awarded in each class.

The tractor competition is open to all winners of the Esso Champions Tractor Special classes at branch and county matches. Plowmen from other provinces and countries may also compete. Previous Trans-Atlantic winners will not be eligible.

In the horse-drawn plow class, plowmen who qualified at branch or county matches after October 14th, 1949, may compete. Previous gold medal winners in this class are not eligible. Plowmen from other provinces and countries are also invited to compete in this class.

Car Owners!
DODGE
HAS THE ANSWERS
to questions you frequently ask

**Q** *Should I use a standard or premium gasoline in my car?*

**A** That depends on the make of your present car. All new Dodge engines are designed to operate with maximum performance and top efficiency with ordinary gasoline.

**Q** *How can I judge the amount of choking my car requires to start under varying weather conditions?*

**A** Unfortunately, you cannot. But new Dodge cars are equipped with an Automatic Electric Choke which makes starting easier—particularly in cold weather, and avoids wasteful overchoking.

**Q** *If my foot brake should fail, will my parking brake still operate?*

**A** Yes, if you own a Dodge. The Dodge parking brake is completely independent of the foot brake, operating on a drum of its own fastened to the propeller shaft. When the propeller shaft is locked, the wheels cannot turn. In many cars the parking brake operates on the two rear drums of the foot brake.

**Q** *In face of the high cost of body repairs, why don't all cars have detachable fenders?*

**A** It would seem that some manufacturers have sacrificed the practical for styling. All Dodge fenders are bolted on and are easily removed to facilitate replacement or repair.

**Q** *How can I stop my gas lines from clogging with dirt and water?*

**A** With most cars there's no sure way. You might try draining and cleaning out your tank from time to time. In cold weather always keep your tank well filled as this reduces the amount of condensation. With a 1951 Dodge, of course, you cannot experience this annoying trouble. The new Dodge is equipped with an Oilite fuel filter located in the gas tank which keeps the entire fuel system free from dirt and water. It's self-cleaning, too, from the swishing action of the gas in the tank.

**Q** *Why is rear seat riding in some cars so tiring?*

**A** That's because a low, sloped-back rear seat places you in an uncomfortable position without support under and behind the knees. Dodge chair-high seats, both front and rear, give you proper knee and back support—let you ride long distances in comfort.

**Q** *Is there any real difference in the various types of air cleaners?*

**A** Yes, there are vast differences. For example, all Dodge cars use a heavy-duty oil-bath air cleaner. In "dust storm" tests, this type cleaner proved much more efficient than ordinary mesh-type filters even at the start. And, after 2,000 miles of driving it proved to be still 98% efficient, or nearly double that of other types of cleaners.

**Q** *Should I buy a set of the special tires or tubes advertised as protection against blowout?*

**A** Many motorists would not be without them. Dodge owners, however, have an exceptional safety factor in "Safety Rim" wheels. Protective ridges on these wheels hold the standard tire in place in case of tire failure, reduce the danger of loss of control and allow safe, straight stops.

**Q** *Why do my windshield wipers slow down and sometimes stop working when I accelerate my engine — often when I need them most?*

**A** That's a little technical but here's the answer in simplest terms. Your wiper is a vacuum type, operated from the vacuum in the intake manifold. This vacuum is highest when the engine is idling—lowest when the engine is under full load, such as when you call for fast acceleration, so your vacuum wipers slow down. With the new Dodge cars you do not experience this trouble as they are equipped with constant-speed electric windshield wipers.

**Q** *How can I best protect my engine from the dirt and abrasives which collect in the oil?*

**A** You should install an efficient oil filter, if your car is not so equipped. Not only are all Dodge Coronet and Regent models equipped with a highly efficient Micronic Oil Filter as standard equipment, but all Dodge models give you added protection with a Floating Oil Intake. This type of intake draws only the clean oil from just below the surface, preventing both surface foam and bottom sludge from entering the oil lines.

## WORLD MILK RECORD MADE BY ONT. HOLSTEIN

Ula Wayne Commander, a purebred Holstein bred and owned by Geo. W. Dennis & Sons, St. Thomas, Ont., has established a new World Record for milk production in the junior three year old class of the 305 day division on twice-a-day milking. This record of 19,084 lbs. milk containing 705 lbs. fat, average test 3.69 percent butterfat was made under official supervision of the Dominion Department of Agriculture. Ula has a previous record that is remarkable in itself having produced a senior yearling in 365 days on twice-a-day milking, 18,232 lbs. milk containing 666 lbs. fat.

The previous World Champion was the U.S. Holstein Kneedmore Belle Senator Sadie who made 19,075 lbs. milk containing 641 lbs. Former Canadian Champion was Delta Corfield with 18,638 lbs. milk containing 658 lbs. fat. She is owned by Alastair Davie, Ladner, B.C.

Ula has a paternal sister who is a World Champion, she being Millie Ray Apple DeKol who earlier this year completed a senior two-year-old 305 day record of 18,658 lbs. milk containing 669 lbs. fat on twce-a-day milking. Ula is a descendent through both her sire and dam of one of the original foundation cows of the Dennis herd, Middleton Pride, born in 1903 and secured from Hiram Reagh, Courtland, Ont. The dam of the Champion, Bonnie Rag Apple Keyes is an Honor List producer, having given as a three year old in the 305 day division on twice-a-day milking, 602 lbs. fat from 14,553 lbs. milk and as a mature cow, 706 lbs. fat from 17,488 lbs. milk in 305 days. Ula's sire is Wayne Ray Apple Commander who has been classified as "XX" in Selective Registration and after extensive use in the Dennis herd is now in the Eastern Ontario Cattle Breeding Association Unit at Kemptville. His dam has a record of 1,029 lbs. fat and he himself now has ten tested daughters with fifteen records that average 577 lbs. fat from 5,106 lbs. milk.

The new champion has a daughter in the Dennis herd, a son in the Eastern Ontario Cattle Breeding Association Unit and her latest daughter in the herd of E. L. Sweet, Belmont, Ont.

The Dennis herd is in charge of George and Gordon Dennis. Together they have developed an exceptionally high producing herd which in the past few years has brought out a number of champions. Ula was given no special attention and in fact her owners did not know that she had established a World Record until after the completion of her test.

## VENTILATION FOR DAIRY BARNS

Ventilation flues in dairy barns require insulation for satisfactory operation, says Wm. Kalbfleish, of the Central Experimental Farm, Ottawa.

Out-take flues, like chimneys, must be warm or the air will not rise in them and moisture will not be removed from the barn.

Size of a ventilation flue is determined on the basis of 32 square inches cross-section for each 1,000 pounds of livestock in the building. Accordingly 21,000 lbs of livestock, or about 21 cows, require a vent measuring 32 x 21, or 672 square inches.

An out-take vent consists of five parts: (1) four corner posts; (2) a covering of lumber placed on the posts to form a rectangular box; (3) a layer of vapor-proof paper to keep moisture out of the insulation; (4) an insulation cover to keep the flue warm; and (5) a cape or hood for the top of the flue.

Tar paper is not satisfactory as a vapour-proof material. For this purpose use rolled, tarred roofing material or a genuine vapour-proof paper. Insulation should consist of at least two layers of insulation board one-half inch thick or an equivalent amount of insulation material.

Always place a vent in a warm part of the barn. Warm air will rise in a shaft but cold air will not. Use only one out-take vent in a barn.

For additional information on barn ventilation write Information Service, Canada Department of Agriculture, Ottawa, for Bulletin 589, "Principles of Barn Ventilation."

## THRESHING GRASS AND CLOVER SEED

Grass and clover seed can be satisfactorily threshed by the ordinary grain separator provided the machine is properly adjusted, according to J. G. Stoker of the Experimental Station, Beaverlodge, Alta. In some cases special equipment, such as corrugated teeth, special sieves and screens, may prove of value.

The thresher should be in good repair. It is important that the cylinder be checked for alignment and there should be no end play.

The rub-bar cylinder threshes clover and grass seed better than the toothed-type since it does not break the straw up as fine, thus leaving less chaff and strawy material in the sample.

Forage crops cut with a binder should be tied in small to medium bundles for easier threshing. Feeding the machine is important. Feed ev- only so as not to overload the cylinder and decks. Overloading will result in poor threshing. With most machines it will be necessary to space the bundles. Use only sufficient rows of concaves to thresh the seed. Too many rows will result n breaking the straw and overloading the chaffer. Usually one row of concaves will be sufficient and they should not be set up too tightly. Under extremely dry conditions concave teeth are not necessary for threshing brome and a blank can be used.

Setting and directing the wind blast is highly important. When the seed and chaff are of the same weight, some chaff must be allowed to go in with the seed. Under dry conditions the straw breaks up readily and threshing can best be done after a light rain. In any event, the wind blast must be such that the maximum of chaff is blown over with a minimum loss of seed.

For alfalfa and sweet clover, comparatively high cylinder speeds are required to remove the seed from the pods. In addition to the adjustable sieve used in the shoe, a one-tenth, round-hole sieve for alfalfa or a one-twelfth, round-hole sieve for clover is used just under the adjustable sieve. This will eliminate the chaff.

The weighing hopper can be tied up so the seed runs in a continuous stream.

## MIX THOROUGHLY

Paint jobs done at home sometimes prove disappointing. Assuming the surface had been properly prepared and was not damp, the reason is generally because the paint was not thoroughly mixed. Paint should be thoroughly mixed before the job is started, and should be stirred from time to time while the job is being done.

## WARM HONEY MAKES EXTRACTING EASIER

Temperature exerts a major role in the ease with which honey may be extracted from the comb, says Senior Apiculturist E. Braun. Beekeepers generally are aware that "cold" honey is harder to extract than "warm honey, however, many beekeepers are not aware of how to overcome the difficulties that apparently are involved. The following principles briefly outline how these temperature problems may be overcome.

In a small apiary, where the extracting room is not heated, only the number of supers of honey which can be extracted in a single day should be removed from the hive. The heat within a colony, except in late fall when clustering takes place, will keep the honey at a temperature where it can readily be extracted.

In a heated honeyhouse various methods may be employed to keep the honey at hive temperature (approximately 95 degrees F.) It has been shown, experimentally, that when combs of honey are stored overnight in chambers held at temperatures of 60.8 degrees, 71.6 degrees, and 96.8 degrees F., and extracted under the same temperatures the following day, the high temperature permitted quicker removal of the honey from the combs. The rate of flow from the cells is faster at high than at low temperatures. The warm honey therefore speeds up the extracting operation and also hastens the clarification of the product whether by straining or settling.

The Rev. Richard Bonsteel and the Rev. H. C. Secker attended the Hastings Ministerial Association meeting at Springbrook on Monday.

## St. John's Church Doings

The ancient English Festival of Harvest Home was celebrated on Sunday in St. John's Church. The church was beautifully decorated for the occasion with flowers, fruits and vegetables, with the traditional loaf of bread on the Altar symbolising the harvest.

The special music was in charge of the Organist, Mrs. H. Morrow. The Choir sang a Hymn as an Anthem between the Epistle and the Gospel. This hymn known as the Gradual was originally a part of the Liturgy. Mrs. Warren, guest soloist, gave a beautiful rendition of "Holy Art Thou." There was an attendance of one hundred and twenty-nine of whom ninety-five were Communicants. The Rector spoke on the subject of "Give Us This Day Our Daily Bread," and pointed out that the Harvest should remind us of our dependence upon one another, upon God, and our part in God's purpose for the extension of his Kingdom.

The Rector and Wardens wish to thank all those who contributed to the decorating of the Church and who worked so well to prepare for the service.

—□—

The monthly meeting of the St. John's A.Y.P.A. was held in the Parish Hall on Monday evening with a good attendance. Shirley Ackers, President, opened with prayers, and Enid Coombes read the Scripture Lesson.

Eileen Cooke read from the Quarterly the current article by the Dominion Chaplain, in which he emphasized the need for study and devotion. Enid Coombes gave a short talk on the A.Y. Camp at Lyndhurst. The Rector spoke of the coming Local Council Rally in Belleville, the Diocesan Conference in Gananoque on October 12th and 13th and the purpose of the Sunday School by Post. The members were reminded of the National Youth Sunday on October 21st.

Enid Coombes offered to represent the Branch at the Public Speaking Contest in Belleville, and was also elected to be voting member at the Diocesan Conference.

After a sing-song and games the meeting adjourned. The next gathering will be on the last Monday in October.

—□—

The Ladies' League of St. John's Church are preparing for a visit to the home of Mrs. Gerald Cherry in Belleville, a former member. This should be a very interesting meeting and all members are invited to make a point of getting there. Several cars will be needed.

—□—

St. John's has not publicly congratulater one of her distinguished members, up to this date, but he has been receiving the applause of most of the other members, since his recent high award in Toronto. We would like to go on record now and say how proud we are of Mr. Mallory and the honour which he has brought to the community. He is a worker in an ancient industry and as he tends his bees and collects the honey he no doubt thinks of the Biblical references to that most delectable of all sweets. The writer of Proverbs says "My son, eat thou honey, because it is good; and the honeycomb, which is sweet upon thy palate." This we cordially agree with.

## Accepts Position

Miss Ruth Clancy, of Harold, has accepted a position in the office at Stirling Motor Sales. She began her duties this week.

## Picks Berries

Morley Ayrhart displayed several bunches of blue raspberries from his yarden at the News-Argus on Saturday.

## Eggleton W.M.S. And W.A. September Meeting

The September meeting of Eggleton W.M.S. and W.A. was held at the home of Mrs. Maurice Clancy. The President opened the meeting with a short meditation followed by prayer by Mrs. C. Fitchett. The Scripture Lesson was taken from 6th Chapter of Acts, verses 1-8 and was read by Mrs. C. Stapley. Mrs. W. Harlow gave as a commentary one of M. Jane Scott's writings "Faith that gives freely is generally well rewarded." Hymn 505 was sung.

The minutes of the August meeting were read and the roll call was answered by 14 members. The business period followed and bills were paid. It was planned to hold a social evening on October 19th in the church. Collection was $3.16.

Mrs. Bruce Stapley favoured with a piano solo. Mrs. (Rev.) Morley Clarke gave the Study Book Chapter, "The United Church Re-Enters Japan Through Rural Evangalism." Hymn 503 closed the meeting and all repeated the Mizpah Benediction. The hostess served lunch.

were brought into the world by mothers of experience and reared by nature and experienced mothers; also that Service Men when in danger on battle were only saved by experiencing some way out to save their life; that man could put up a building to perfection, long before blue prints were ever thought of; that in farming the soil is there today as it was fifty years ago if the farmer had the ambition to work it.

This debate proved very interesting and splendid points were brought out as each speaker argued the question. It also created a humorous number.

Mrs. A. Gordanier was to be on the programme but was called away due to sickness.

The meeting closed with the repeating of the Mizpah Benediction. A dainty lunch was served by the committee with each and every one enjoying the social part. Mrs. Elsie McMurray moved a vote of thanks to the hostess, Mrs. A. Stevenson and her group for the splendid educational programme and the refreshments.
